The Rancher's Wife Lynda Trent,2011-07-15 ABANDONED Elizabeth Parkins had been left in the wilderness alone and destitute by a man she s promised to love honor and obey Now fate had led her to Brice Graham who offered her fulfillment of all her dreams But the price she soon learned would be her heart and soul BEREFT When Elizabeth Parkins rode into his life Brice Graham saw a way out of the loneliness that haunted his days Here was the wife of his heart the true mother of his child But would she be content to pretend they d been together forever or would she demand something more **Rancher's Wife** Anne Marie Winston,2012-07-16 Reluctant Husband It wasn t easy for a man as proud as Day Kincaid to admit he had trouble he couldn t handle alone But if he wanted to keep the daughter he loved he had to find himself a wife fast And that meant marriage to a stranger a woman who awakened longings that had no place in his solitary life Wife in Name Only The Red Arrow Ranch seemed the perfect place for Angelique Summer to hide And her new role as a rancher s wife seemed the perfect cover until a surprising passion for her hard embittered husband made her wish she was playing the part for real

Ranch Wife Jo Jeffers,1993-09 When Jo Jeffers was a young girl suffering from asthma she promised herself When I grow up if I ever do I shall go to Arizona and be a cowboy She did both and Ranch Wife tells the story of her life as wife and partner of a rancher in the high country of northeastern Arizona Here she describes the routines of ranch life and vividly recalls the dust storms plagues and other hazards that challenged the young city bred woman It offers readers not only an insider s view of a working ranch but also an appreciation of how ranchers wives help sustain such a rugged enterprise

The Rancher's Secret Wife Brenda Minton,2012-07-24 After knowing the woman for all of three hours soldier Reese Cooper married waitress Cheyenne Jones She was pregnant and scared alone in Las Vegas and he was about to ship out on a dangerous tour of duty But months later Reese comes home to Dawson Oklahoma no longer the strong cowboy who vowed to help Cheyenne Shrapnel and a guarded heart changed everything But with a wife and baby counting on him Reese is about to learn what real courage is all about Publisher **The Ranch Wife: A Memoir** Kacee Rundell,2021-12 Hilarious and heart wrenching stories about the realities of living life on a cattle ranch as the hired hand told by a woman who knows nothing about agriculture Kacee Rundell poses an upfront and honest look into the lives of ranchers through the fresh eyes of someone just learning about the ever changing way of life Her memoir offers moments of joy and triumph followed by poignant stories of hardship and lessons learned on the way to becoming a Ranch Wife THE RANCH WIFE details the daily struggles and life lessons of America s ranching culture laid out in a unique way so that readers everywhere can follow along and bask in moments of emotion and embrace America s humble hearts When the Rundell says The Real Life she gives us the

down and dirty very real life of a Ranch Wife Her experiences and life responses are not only enlightening but very entertaining Few ever get to experience the realities of living on a ranch in the tough country of Wyoming but once you start immersing yourself in this book of real life tales you ll believe you were right there beside her You are in for a real ride hunker down dig in your spurs and hang on B N Rundell author of the Stonecroft Saga series **The Rancher's Temptation** Brenda Harlen,2025-07-01 He s everything she s always longed for And everything she s not allowed to have When circumstances give Tess Barrett a shot at a fling with the star of all her high school dreams she takes a leap right into rancher Holt Chandler s muscular arms He s way out of her league but there s no harm in just one night with the wealthy cowboy right Until a positive pregnancy test changes everything for both of them Holt is determined to be a husband before a daddy but Tess is not interested in a loveless marriage of convenience Except Holt realizes that his feelings for the mother of his child are anything but convenient And he s got to show Tess that he s not just interested in doing the right thing he wants to build a future and a family with the woman who has lassoed his heart From Harlequin Special Edition Believe in love Overcome obstacles Find happiness The Cowboys of Whispering Canyon Book 1 The Rancher s Temptation The Young Ranchers Edward Sylvester Ellis,1895 **Helena** Ann Laurel, *American Dude Ranch* Lynn Downey,2022-03-17 Viewers of films and television shows might imagine the dude ranch as something not quite legitimate a place where city dwellers pretend to be cowboys in amusingly inauthentic fashion But the tradition of the dude ranch America s original western vacation is much more interesting and deeply connected with the culture and history of the American West In *American Dude Ranch* Lynn Downey opens new perspectives on this buckaroo getaway with all its implications for deciphering the American imagination Dude ranching began in the 1880s when cattle ranches ruled the West Men and a few women left the comforts of their eastern lives to experience the world of the cowboy But by the end of the century the cattleman s West was fading and many ranchers turned to wrangling dudes instead of livestock What began as a way for ranching to survive became a new industry and as the twentieth century progressed the dude ranch wove its way into American life and culture Wyoming dude ranches hosted silent picture shoots superstars such as Gene Autry were featured in dude film plots fashion designers and companies like Levi Strauss Co replicated the films western styles and novelists Zane Grey and Mary Roberts Rinehart moved dude ranching into popular literature Downey follows dude ranching across the years tracing its influence on everything from clothing to cooking and showing how ranchers adapted to changing times and vacation trends Her book also offers a rare look at women s place in this story as they found personal and professional satisfaction in running their own dude ranches However contested and complicated western history is one of America s national origin stories that we turn to in times of cultural upheaval Dude ranches provide a tangible link from the real to the imagined past and their persistence and popularity demonstrate how significant this link remains This book tells their story in all its familiar eccentric and often surprising detail **Parallels** John T. This edited volume documents the presence and types of Nature discourse that emerge during conflicts between people over wildlife This collection of qualitative case studies demonstrates how social groups create opposing symbolic meanings of Nature and highlights the way in which the successful imposition of those meanings affects wildlife people generally and management professionals Together the chapters illustrate the significant untapped utility of constructionist approaches for understanding social conflict over wildlife issues and for managing natural resources in a way that acknowledges and incorporates different definitions of nature *Snowbound at Christmas* Lacy Williams,Wendy Galinetti,Wendy
