in her own life She starts by keeping a gratitude journal where she writes down three things she is grateful for each day She also starts to express her gratitude to the people in her life both big and small At first it is difficult for Lily to change her ways She is so used to taking things for granted that it is hard for her to see the good in her life But over time she begins to see the world in a new light She starts to appreciate the beauty of nature the kindness of her friends and family and the simple pleasures of life As Lily learns to be more grateful she becomes a happier and more content person She is no longer focused on the things she doesn't have Instead she is grateful for the things she does have And she is determined to make the most of every moment This heartwarming story is a reminder that gratitude is the key to a happy and fulfilling life When we are grateful we appreciate the people and things in our lives more We are more content with what we have and we are more likely to be kind and compassionate towards others If you like this book write a review
