Productive Ruminations James Burdick, 2014-01-27 a collection of poems and stories written by James Alan Burdick

Miguk, the Holy Man Chaucer Malone, 2008-05 Miguk the Holy Man retires on the small Pacific island of Nevahachi. People are amused when he rails against unwanted Western encroachments and the haphazard industrialization of the island. Yet when he trades his life for a hostage the woman he loves during an aborted robbery and then induces his captor to give himself up, the island begins to believe he is somehow graced. He later saves the people from a curse that has hung over the island for many years. He appears even to cure a woman of her illness. His untimely death is turned into a miracle. His hand appears to rise in benediction as if blessing the island and an industrial project that he once opposed. Routledge

Companion to Ba Jin Chen Chang, Liu Tianyi, Chen Sihe, 2023-09-19 Exploring the creations of Ba Jin 1904-2005, one of the most significant writers in modern China, this edited volume offers in-depth discussions of the writer and his works from a global perspective to initiate and advance dialogues between the Chinese and English-speaking scholarly communities. The four sections of the book provide readers with a detailed biography and an overview of research on Ba Jin since the 1980s to reflect on the academic achievements of several generations in China. In addition, it includes a selected collection of articles from Korean, German, and French scholars. These articles cover Ba Jin's life, thoughts, personality, literary creation, editing, publishing, and other aspects of the research. This companion aims to provide an alternative lens for Chinese literature studies in a global context. It will be an essential read to students and scholars of East Asian studies, Chinese studies, and those interested in modern Chinese literature. **A Finger of Land on an Old Man's Hand** Earl Vincent de

Berge, 2022-09-21 Chronicles in words and photographs the 1962-64 adventures of young men inspired by naturalist Joseph Wood Krutch's book *The Forgotten Peninsula* about Baja California. 1961 Then a sparsely populated raw wilderness, Baja proved a formidable challenge to men and equipment within its mountainous, sometimes lush, sometimes barren desert environments, spectacular geology, and complex ecologies bracketed by oceans. They enjoyed encounters with wild animals, found bountiful places to hunt and fish, met frontier families of the kindest sort, experienced Pacific storms, and love in a frontier village, met gold prospectors, hermits, and one of a kind characters. They encountered brigands and fools, had life-threatening events, found gold nuggets, and rescued lost team members. Plant photography was among the author's interests, only partially foiled by wind-blown sand fouling his camera lens. Most important, they learned about themselves and their relations with nature and God, finding their own answers or clarifying what they hoped to better understand. Major

contributions to this book were provided by Earl's life-long friend Mark Winheld. **Death Becomes Her and Other Short Stories** Toshani Tamhane, 2023-05-25 Have you ever wanted to finish off a life really badly, whether be it your own or someone you hate or worse still someone you love dearly? Have you ever been to a funeral and wondered what it must feel like to be the centre of attraction just like the deceased if such a thing were possible? Have you ever been excited by listening to

the thrilling lives of people whose death is imminent be they famous criminals adventure seekers or people living close to the edge What would excite you more their upcoming death or the roller coaster of their lives Have you ever felt that you are actually dead but no one has buried you yet Has the drudgery of life overpowered you so much that the alternative seemed better at one point Are you lost with today s technological advances that you feel someone else or something controls your life and maybe just maybe you are actually dead Do you feel something similar to being trapped in the Matrix If your answer to any of the above questions is YES then this collection of short stories might be for you **No Man's Land** Neil

Lewis,2016-09-15 Reluctant and disillusioned Estate Agent Jeff Edwards has had a bad day at the office He thinks he s waiting for a bus to take him back home Back to his solitary life of TV a take away a few beers and perhaps a sleeping pill before it all starts over again back then to that life of lonely sad habit which he considers his lot in life But the best laid and familiar plans of daily routine are sometimes precisely those that life confounds with a damming and seemingly random carelessness So it is at the whim of a quixotic wind of fate that Jeff s humdrum life is unexpectedly blown far off course Rudderless adrift and bewildered then he stumbles through this magical mystery tour of discovery instruction and some adventure As a moral allegory The Bus explores the old tired and rusted ideas such as what is morality where does conscience live and if shit just keeps happening should we keep on using more and more air freshener or must we eventually just acknowledge that awful smell and it s source It also explores the role of the mind body and senses and their connections to other forces and worlds through consciousness His Knight Charity Parkerson,2022-04-15 Tragedy brought them together Love will forge them like steel The last thing Benny expected was to find himself in the middle of an active shooter event on campus Canyondale University isn t the type of place he imagined becoming the center of such brutality After getting shot in the thigh he would ve been dead if not for the SWAT member who rushed to his aid at the moment one of the gunmen was bent on finishing the job An explosion of violence is a typical day for Wyatt It s his job to charge headfirst into the worst situations This time is different Downed by several bullets and left for dead he might not have made it out alive if not for an unlikely hero a young college student named Benny Now Wyatt can t stay away from Benny The man s dry wit and courageous heart has him mesmerized Unfortunately Wyatt s near death experience has his ex seeing the light and wanting him back Relationships built under such stressful circumstances aren t known to last especially when meddling exes are involved Thankfully for Wyatt Benny isn t easily budged and he s not giving up his knight without a fight *Poems & Things* John King,2018-05-24 My best poems a few other matters I wished to share which includes a tribute to Daisy someone who attended a church I pastored and who in a new way revealed God to me Many of my poems are recently written but some date during my college years I also included a concern to my book on The Cross which was not included in that work It fits here because it is a personal thought on a most cherished event Jesus crucifixion Caleb, the Degenerate Joseph Seamon Cotter,1901
