the Lavender Susan Kiernan-Lewis,2021-01-09 Evil doesn't always have a bad smell In fact sometimes it's downright heavenly When a young homeless girl is found dead in the lavender field she was hired to harvest a friend of Laurent's is arrested for her murder In spite of her personal misgivings Maggie promises her husband to work with the local authorities to either clear Rochelle or find the real killer When Maggie begins to look more closely into the business of lavender production it soon becomes clear that much more sinister forces are at play than drawer sachets and soap Will Maggie listen to the facts or what her gut is telling her about the crime And when a well guarded secret threatens to bring down everything she and Laurent have built in France will she make the right choice even if it goes against everything she believes in
