Halpern, Susan

Note: This is not the actual book cover

# Rape Helping The Victim

**Joel Epstein, Stacia Langenbahn**

## **Rape Helping The Victim:**

**Rape** Susan Halpern,1978 *Victims of Rape* United States. Congress. House. Select Committee on Children, Youth, and Families,1990 **Rape Work** Patricia Yancey Martin,2013-01-11 Despite the proliferation of rape crisis centers and other improvements in the treatment of rape victims over the past 20 years many victims still find themselves the victims of what has been called a second rape by doctors lawyers judges police and administrators that process them This book takes a critical look at the organizations and officials that process rape victims to see how the structure of their respective organizations often prevent them from providing responsive care Helping Victims of Violent Crime Diane L. Green,Albert R. Roberts,2008-06-23 Over the past two decades violent crime has become one of the most serious domestic problems in the United States Approximately 13 million people nearly 5% of the U S population are victims of crime every year and of that approximately one and a half million are victims of violent crime Ensuring quality of life for victims of crime is therefore a major challenge facing policy makers and mental health providers *Helping Victims of Violent Crime* grounds victim assistance treatments in a victim centered and strengths perspective The book explores victim assistance through systems theory the holistic notion of examining the client in his her environment and a key theoretical underpinning of social work practice The basic assumption of systems theory is homeostasis A crime event causes a change in homeostasis and often results in disequilibrium The victim's focus at this point is to regain equilibrium Under the systems metatheory coping crisis and attribution theories provide a good framework for victim centered intervention Stress and coping theories posit that three factors determine the state of balance perception of the event available situational support and coping mechanisms Crisis theory offers a framework to understand a victim's response to a crime The basic assumption of crisis theory asserts that when a crisis occurs people respond with a fairly predictable physical and emotional pattern The intensity and manifestation of this pattern may vary from individual to individual Finally attribution theory asserts that individuals make cognitive appraisals of a stressful situation in both positive and negative ways These appraisals are based on the individual's assertion that they can understand predict and control circumstances and result in the victim's assignment of responsibility for solving or helping with problems that have arisen from the crime event In summary these four theories can delineate a definitive model for approach to the victimization process It is from this theoretical framework that *Treating Victims of Violent Crime* offers assessments and interventions with a fuller understanding of the victimization recovery process The book includes analysis of victims of family violence child abuse elder abuse partner violence as well as stranger violence sexual assault homicide and terrorism **Rape, Victims, and Investigations** Shana Maier,2014-06-13 Despite changes to laws and attitudes rape continues at epidemic levels worldwide As gatekeepers to the criminal justice system law enforcement officers are important to the processing of rape cases and their interactions with victims can potentially affect the victim's reaction to and recovery from rape In order to better understand rape and the processing of cases through the

criminal justice and legal systems Rape Victims and Investigations explores the unique perceptions and experiences of detectives who respond to rape victims and investigate rape cases The detective s investigation is the foundation of the prosecution s case the book considers factors that contribute to the challenging nature of rape investigations such as lack of evidence or a clear credible victim statement Detectives perceptions of victims revictimization by the criminal justice and legal systems are also explored The book also looks at specific causes of police stress and burnout related to working rape cases financial struggles faced by departments and ways to meet these challenges By integrating previous research within the context of rich interview data Rape Victims and Investigations provides deep insight for readers and will contribute to the continued improvement of treatment of victims by the criminal justice system The book will be essential reading for academics students law enforcement officers those who provide services to sexual assault victims and victims themselves

Routledge Handbook on Victims' Issues in Criminal Justice Cliff Roberson, 2017-04-21 The Routledge Handbook on Victims Issues in Criminal Justice is a comprehensive and authoritative handbook on current issues with a distinctive emphasis on the delivery of suitable and effective services The editor provides an introduction and conclusion to the handbook synthesizing original contributions from current leaders in the field surveying victims rights in the United States victim participation in the criminal justice system victims welfare and needs and most notably the services that have been developed in response A section on special populations in the United States brings focus to current and emerging issues faced within the country while a section covering international and transnational victimization explores globalization and the implications of other legal traditions and systems This handbook addresses the crucial and complex topic of victims issues examining both societal and governmental reactions to victims concerns and acquainting readers with the issues that discord may cause and how they affect the provision of services This book will serve as an essential reference for academics and practitioners working with crime victims as well as for students taking courses in victimology criminology sociology and related subjects **Military Law Review , Mental Health and Psychiatric Nursing** Janet L. Davies, Ellen Hastings

Janosik, 1991 The Criminal Justice and Community Response to Rape Joel Epstein, Stacia Langenbahn, 1994 Describes recent reforms adopted in some jurisdictions such as protecting the anonymity of the victim allowing complainants to report sexual assault even when the victim chooses not to press charges Law enforcement officials district attorneys have worked to support compensation for victims also have created victim witness advocate positions to help victims navigate the criminal justice process speed their recovery Contains a glossary resources tables The Crime of Rape Patsy A. Klaus, 1985 **The Cult of True Victimhood** Alyson Manda Cole, 2007 Demonstrates how the campaign against victim politics and the victim mentality has profoundly altered Americans understanding of victimhood and investigates the consequences of this change in politics law culture and the war against terror **Criminal Victims and the Criminal Justice System**, 1986 **Science, the Departments of State, Justice, and Commerce, and Related Agencies Appropriations for 2007** United States.

Congress. House. Committee on Appropriations. Subcommittee on Science, State, Justice, and Commerce, and Related Agencies, 2006

**Revealing Rape's Many Voices** Jennifer Brown, Yvonne Shell, Terri Cole, 2023-05-22 By extending the cast list of roles implicated in rape's hidden sphere of harm this book attentively listens to experiential voices of complainant witnesses suspect accused police lawyers judges and jurors therapists advocates partners parents family and friends during the criminal justice journey Highlighting good and bad practices it proposes a paradigm shift for inculcating policy reform arguing the case for implementation science as a framework for embedding change The book will be of interest to those involved in the policy practice and delivery of criminal justice the support and voluntary sector as well as giving valuable insight to students of forensic and investigative psychology criminology law social policy gender studies the new policing apprenticeship degree programmes

**Reviewing Crime Psychology** David Canter, Donna Youngs, 2020-12-18 The recent explosion of research and practice relating to offending and the related investigative and legal processes makes it extremely difficult for anyone to master these emerging areas of research This book will help readers to navigate through this rapidly expanding area of scholarship and practice by bringing together a number of recent reviews on key topics by leading experts in the field Contributions to the volume discuss developments in the study of interviewing and the detection of deception together with explorations of victims and offenders The psychological background and consequences of school bullying child sexual abuse and male rape are also explored as are the challenges of collecting information about crimes as varied as burglary and serial killing This book will be a valuable resource for criminologists crime and forensic psychologists students of socio legal processes and all those involved in legal and investigative activities The chapters in this book were originally published as review articles in Crime Psychology Review

**Handbook of Emergency Psychiatry** Hani R. Khouzam, Doris Tiu Tan, Tirath S. Gill, 2007-03-01 This user friendly resource presents a patient centered approach to managing the growing incidence of major psychiatric emergencies in the outpatient setting Abundant illustrations tables and algorithms guide you through the wide range of disorders discussed and a color coded outline format facilitates rapid access to essential information necessary for making a proper diagnosis for optimal management outcomes Organizes information by patient presentation to help you distinguish among conditions that present with similar symptoms Discusses medical conditions presenting with psychiatric symptoms where appropriate Highlights critical information in Hazard Signs boxes for quick at a glance review Uses acronyms and memory aids to enhance recall of information in moments of crisis Features a chapter discussing the psychiatric effects of bioterrorism Offers an Improved Suicide Risk Scale with criteria on impulsivity plan and lethal level of attempt Provides valuable tips on interviewing and interacting with patients in various situations as techniques will vary from depressed suicidal patients to manic and potentially assaultive individuals Includes appendixes that discuss common psychiatric medications used and important lab values in the ER

**Violence Against Women** Claire M. Renzetti, Raquel Kennedy Bergen, 2005 This is an edited volume of 12 articles previously published in Social Problems that

may be considered among the most influential in the development of the sociological study of violence against women

**Psychology and Crime** Kevin Brewer, 2000 Part of a series of textbooks which have been written to support A levels in psychology The books use real life applications to help teach students what they need to know Readers are encouraged to use aims methods results and conclusions of the key studies to support their own arguments Domestic Violence and Public Health United States. Congress. Senate. Committee on Labor and Human Resources. Subcommittee on Children, Family, Drugs and Alcoholism, 1986

## Adopting the Tune of Appearance: An Emotional Symphony within **Rape Helping The Victim**

In a world taken by monitors and the ceaseless chatter of quick transmission, the melodic splendor and psychological symphony produced by the written term often fade into the background, eclipsed by the persistent sound and distractions that permeate our lives. Nevertheless, set within the pages of **Rape Helping The Victim** an enchanting literary prize brimming with raw thoughts, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, this charming masterpiece conducts readers on an emotional journey, skillfully unraveling the concealed melodies and profound affect resonating within each carefully crafted phrase. Within the depths with this touching examination, we can explore the book is central harmonies, analyze its enthralling publishing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
