a helpful guide to your exploration      *Rapture and Revelation* Lynn Baber, 2012-07 It's time to be honest Are you completely confident and serene when you open your eyes each morning and behold what the world has become Before drifting off to sleep are you unwaveringly fearless and maybe even looking forward to shedding mortality for immortality Most people harbor doubts particularly the kind they're afraid to speak aloud lest others realize they aren't as certain of their beliefs as they appear This is short study of God's Word offered in the context of real world events social conflict systemic false teaching and the internal struggles every man woman boy and girl face in a world that denies Truth The author doesn't tell anyone what to believe She poses questions and directs the reader to God's Word for guidance on finding his or her personal answer Yes or No Do you know why you believe what you do Plenty of folks aren't sure what they believe Even if your beliefs are solid and immovable do you know how you arrived at them Did you adopt your family's faith The doctrine of a denomination The creed of an independent church Not all creeds doctrines and family traditions are rooted in truth If all stood on the same truth there would be perfect agreement in the world Every system of beliefs insists it is founded on truth Is there one truth or more Have you done the required due diligence to know with certainty that your truth is The Truth There are surprisingly few universal agreements in Christianity Do you know how many Bibles and how many different personalities named Jesus serve Christians today How can you know that the Bible you read and the Jesus you worship is the right one Rapture and Revelation challenges readers to answer questions permitting no response other than yes or no The gray areas and relativism found in most books and studies about faith promote doubt because they insist every answer lies somewhere in the middle between yea or nay If your ears tend to itch because you only want to read what agrees with you then gear up for battle before opening this book How much are you willing to invest in your eternity      *Biblical Studies on the Prophecies of the Rapture and Revelation* Phil Russell, 2012-06 Biblical Studies on the Prophecies of the Rapture and Revelation presents an introduction to and exploration of the Bible's teachings about the Return of Jesus Christ The study distinguishes the Rapture from the Revelation It is an affirmation of the Premillennial Pre Tribulation Rapture Dispensational view of the Second Coming Explored are various theological positions of the Return of Christ Biblical history insights from key Scripture passages and the author's theological journey on the subject Russell writes for inquiring members of the laity clergy and seminarian His work provides edification inspiration and a wealth of Biblical knowledge By working together strands of history theology Biblical studies statistics and even humor Biblical Studies on the Prophecies of the Rapture and Revelation offers a broad approach to its subject Consistent approaches to hermeneutics are presented The book addresses the Unconditional Covenant God has made with Israel kindly refutes Replacement Theology as well as the Amil and Post mil views defines Daniel's 70th Week considers the future Tribulation and Millennial Kingdom reminds of God's Sovereignty and Providence warns of sensationalism and date setting presents the signs of the times and touches on Apostasy Admonishments for practical Christian living are interwoven as the reader is encouraged to seek paths of holy living The book is a

Rapture Revelations Volume II Bill

Vincent,2012-04-01 This is Volume two of Rapture Revelations It is time for us to know what the scripture say concerning the end times Study and confirm the scriptures yourself to get your own revelation Much has been written and taught about the coming of Christ for His Church Unfortunately most of our modern day teachings on this most important doctrine are misleading to say the very least A careful study of the Scriptures will reveal the truth about the second coming of Christ which we generally refer to as the rapture In this book I have set out to correct the most obvious errors of the pre tribulation doctrine and to establish the basic foundation for understanding the truth of the matter Great care is taken to follow the guidelines of Scripture and the Biblical basis of doctrinal interpretation precept upon precept and line upon line This is the only method of interpretation used in the pages of this book Since God Himself revealed His method of understanding doctrine it is believed by the author to be the best method to use Therefore with Bible in hand follow along with the Scriptures quoted in this book and see if you don t find truth within its pages If you are a lover of truth I believe you will enjoy this very basic presentation of Biblical facts concerning the doctrine of the gathering together of Christ s saints unto Himself If the truth be known most Christians have a wrong revelation about the coming events referred to as end times I have set out to use the truth of God s Word to steer all who read this to the truths of this powerful subject We need revelation about end times to make us ready and open our eyes to see the events that proceed the rapture     *The Rapture and Revelation* Ray H.
