Review 3 The Tribulation Story vividly details the horrors of the coming Tribulation period It is not only based on the Book of Revelation but also makes extensive use of Old and New Testament Scriptures including those of many prophets who foresaw this coming time Jesus challenged Christians to be wise worthy watching faithful and ready at all times for His return This book encourages us to learn to more persistently overcome our smaller tribulations with God s grace in order to be ready to be raptured away to heaven and thereby avoid the Tribulation Dr Ernst Lutz Ph D Switzerland Book Review 4 While The Tribulation Story does not purport to identify precisely the when of Christ s return it does affirm that the events described in the Book of Revelation are an impending awesome reality for our generation Hence The Tribulation Story is not written to explain prophecy for some distant future but for our present time The poignant description of coming events lends assurance to the faithful that God is both sovereign and merciful while beseeching the unfaithful to bow their knee only to the Lord Jesus as the ultimate Victor and King This book is a call for preparation in the here and now Dr Ran Whitley D Min Ph D Professor Alma Dark Howard Chair of Church Music Campbell University      **Rapture's Witness** Tim LaHaye, Jerry B.
