Jenkins, 2011-04-01 In the updated and expanded edition of this classic title noted scholar Dr Tim LaHaye gives reasons for believing that the Rapture and the Tribulation could occur during our generation Ours is the first generation that has the technology and opportunity to fulfill many of the prophecies of Revelation Understanding prophecy can be difficult and confusing This book takes away all of the mystery and the intimidation It is user friendly for the layperson yet remarkably complete for the scholar **Why Did Yahweh and His Son Yahshuah Say What They Said?** Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation

bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions [The Fathers on the Future: A 2nd-Century Eschatology for the 21st-Century Church](#) Michael J. Svigel,2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with The Fathers on the Future as you unpack key truths untangle misunderstandings and get a deeper understanding of this balanced and biblically sound end times framework Many today with an interest in the end times face a problem they have forgotten the past Knowing the history of eschatology is key to understanding its importance how we interpret our faith and our outlook on God and humanity So why do so many overlook it and what can we do to correct this The Fathers on the Future uses a thorough exegetical and theological analysis to defend the foundation and structure of the second century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers It makes a case for a contemporary Irenaean premillennial eschatology arguing that it is a reliable framework for a biblically defensible theologically balanced and historically informed eschatology The Fathers on the Future includes these key features Restores historical perspective Recovers the forgotten roots of early Christian eschatology emphasizing the teachings of Irenaeus of Lyons and other church fathers Biblically grounded framework Offers a well supported case for a biblically defensible premillennial eschatology balancing theology and history Clarifies and corrects Clarifies complex aspects of early eschatology strengthens key theological points and corrects missteps Fresh yet ancient approach Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions The Fathers on the Future begins with the belief that Irenaeus and other early church fathers represented a widespread and well developed eschatology inherited from those who were close associates of the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective [The Book of Revelation Made Clear](#) Douglas Connelly,2018-01-30 Gain an in depth understanding of a book that has confused millions Getting a glimpse into the future is always intriguing especially when that glimpse comes from God s Word But let s face it the book of Revelation has some pretty weird stuff in it seven headed beasts locusts with gold crowns a city coming down from the sky What does it all mean and how does it help you in your Christian faith This lighthearted yet accurate guide to the last book of the Bible will help you overcome the confusion Engaging and

Morgan,2006 The New Brother s Grimm examines the twelve volumes of the very popular Left Behind series by Tim LaHaye and Jerry B Jenkins relating the story and the theological arguments of each book and then challenging those arguments One of the centerpieces of their interpretation of the Bible is that the church of Christ will be raptured to be with Christ for seven years During that time people who have been left behind will have an opportunity to accept Christ as savior but they will have to pass through the tribulation a time of unimaginable horror with Satan ruling the world At its end Christ will appear with his heavenly army and defeat the forces of Antichrist in the battle of Armageddon After that Christ will establish an earthly kingdom lasting exactly 1000 years during which Satan will be bound in the bottomless pit Ultimately the author suggests that the theological premises set forth in the series are at best dubious and at worst theological snake oil

The Christian Satanic Vade Mecum Adam Jeremy Capps,2013-02-15 I have tested the practice of both Judeo Christianity and Satanism and have determined that Judeo Christianity is greater I have also found that without one the other is not fully appreciated Even more that one may enhance the other I have heard those inside the Churches and online to find that there are more Christianists than there are Christians and more Satanishes than there are Satanists Catholic Baptist Latter Day Saints and Messianic Jews are all under a mindset of their title The words of Christ are worth more than all of the Earth s gold but is wrought with violence by the Christianists I have found that Satanism is greater than Christianity because Christianity is plagued with Christianity True and full Christianity is absent where there is Christianity Christian Satanism is a religion of choices It is a duality and only are the two combined as the result of life in those choices With as many Satanic

Bible knock offs there are and as much as the Christian Bible cannot be changed I had decided to create something that stood apart I didn't set out to create another Satan's bible I didn't set out to change Christianity I did set out to change Satanism and Christianity I wanted something that stood apart and couldn't be ignored I had looked to my youth and was honest enough to create in a book the two major influences of my life I also recalled that I wasn't allowed to be a United States Marine because I brought The Satanic Bible to training Christians will reject the Christian Satanic Bible Christians will not Human nature demands proportion It is not until you are without something that you want it Then there is the law of the forbidden Without good there cannot be evil so the old story goes But here I'll tell you a secret By following only one you are blind to the other until you see it as everything you are not as an evil and the only way it may be known is outside the self Christianity therefore is selfish Hence the Christianist I am not a Christian and I am not a Satanist I am a Christian Satanist

The All-Encompassing Return of Christ Michael Carpenter, 2024-07-16 The All Encompassing Return of Christ brings fresh perspective to age old debates surrounding Christ's return The return of Christ is a topic of fervent debate within the Christian Church Although orthodox Christians agree Christ will return the specifics are confusing and laden with controversy These divergences can be attributed to differences in biblical presuppositions and interpretative principles One pivotal point of contention is the interpretation of the millennium in Revelation chapter 20 The All Encompassing Return of Christ presents the amillennialism view as the proper understanding of that chapter asserting that end times are a singular event While there are multiple events associated with Christ's return they all occur around the time of His second coming This work provides an insightful introduction to amillennialism addressing prevalent objections particularly those arising from the dispensational perspective **END TIME WARNINGS , END TIME WARNINGS BY PROPHET VINCENT SELVAKUMAAR**
