The Lady of Rapture Sarah Raughley, 2025-04-29 Penny Dreadful meets The Gilded Wolves in this breathtaking finale to the young adult historical fantasy Bones of Ruin trilogy For years the elite secret society called the Enlightenment Committee has waited for the apocalyptic force known as Hiva to destroy the world as it has so many times before What the Committee didn't know however was that Hiva wasn't an event it was a person Iris Marlow An African tightrope dancer with no memories of her past A girl who cannot die At least she couldn't die Until her own friends discovered her one weakness and murdered her once and for all The world ending threat she posed should be gone too but there's one more Hiva out there and unlike Iris this one has no love for humanity In her absence this Hiva has taken it upon himself to judge if humanity deserves

to live But when it comes to Hivas the judgment is always the same The ending is always total destruction And while Iris is dead she s not gone and after the betrayal that ended her life as Iris she is now out for revenge The world s days are numbered The Cataclysm has begun The Bringer of Rapture Cissy Hassell,2005-06 Desires of the heart get in the way of family honor on the road paved with sweet revenge when Sara s father is brutally murdered and she finds herself obligated to the man she holds responsible But Sara is determined to follow through with her plan to bring him down for if she falters her heart will be his next victim **Rapture's Slave** Becky Lee Weyrich,2014-07-22 An emperor s concubine and a courageous gladiator succumb to forbidden passion in a historical romance from the author of Captive of Desire When the virile young Nero first spots the exquisite Acte illegitimate daughter of Emperor Claudius and a royal household slave he knows he must have her But even as Acte finds her deepest desires awakened by the magnificent Nero she fears his sadistic nature Though she has been fated to serve as Nero s carnal playmate when he becomes emperor of Rome Acte finds the true love she dreams of in Sergio a handsome gladiator But in a loveless world where lust and power rule side by side her secret obsession with Sergio might cost Acte her heart and both of their lives One of the finest and most gifted writers A master storyteller Romantic Times **Visions of the Rapture and Unseen Realm** Glenda Dumas,2016-11-30 The Lord shall descend from heaven with the voice of the archangel The angel that I saw may be Michael Michael and Gabriel are the only archangels that are mentioned in the Bible Michael appears to have a key role in the end time plan of God Therefore it may be a strong guess that Michael is the angel that I saw and communicated with about the Rapture I also have a special message for gang members drug abusers adults teenagers and the youth I wrote my visions down for you to know what is out there waiting for you on the other side of the veil I peeped over and saw some things that were good and witnessed a horror that was beyond my wildest dreams Most of you have not read the Bible and a number of you who have act as though you have forgotten what is in it I often encounter people old and young who say that they cant understand the Bible Therefore I use a number of verses that are taken directly from the Bible to support the visions that I have seen I am doing this purposely to acquaint you with a book that you all know but very seldom pick up to read Hopefully it will be a reminder that the Bible is inclusive of everything from the beginning of time to the end Most of these Bible verses are self explanatory **Rapture** Werner Johansson,2013-12-20 The coolest kind of disability That was how you had to consider magic At least it made it bearable in this time and age All the devices and such were just not for the average wizard as it were It was even worse if you up until the beginning of the summer had planned on working with computers It was almost as bad as to move to Alpena whose biggest claim to fame was the snow that didnt arrive in time for Die Hard 2 What could possibly happen in a sleepy town like that Life is complicated enough with a twin divorced parents and once again a new city The best thing to do is to be stealthy Avoid attention with friends who have the same agenda If everything just would be simple that would make for two easy years Getting a job some education and then leave for some real education learn about the other side of your life magic That

and the rest of the world that no one talks of its the big secret after all But if things were simple and straightforward it wouldnt be life Whom do you love Magic On paper it was powerful mysterious and possibly cool In reality it was about much of a problem as a pissed off twin sister The reality of it had dawned on Morgan the moment he sat down and thought about it Never mind moving to a new town and high school New friends dont grow on trees so any is good especially if they want to escape the town as badly as you do Rose the cute Ice Queen seems like the perfect partner until her past surfaces Who knew the troubles you can get into by a kiss you werent prepared for

The Rapture of God William Lloyd Newell,2020-07-02 This is a book offering Balthasar s theological oeuvre as a kerygma of Christ s love proclaimed theologically as Christ s esthetics of glory in his mission to reinvent himself the world and us as beauty and glory Balthasar s hypothesis is that there is true theology and there is false theology For him theology is the unique science across the methods of which the decision of faith cuts and divides it into two halves that cannot be united to each other a genuine theology which presupposes faith and does its thinking within the nexus of Christ and the Church and a false theology which rejects faith as methodologically dubious and irresponsible and subsumes the truth of the phenomenon which discloses itself under an anthropological truth however this may be understood In William Newell s book he deeply reflects on the radical thinking being done in Catholic theology since the 1940s in Europe and now in the United States Each chapter each excursus each elision ushers the reader towards consolations without previous causes the essence of mysticism in its first stages The book as with true theology is a come and see beckoning the reader to an endless furtherance of the archetypal experience of Christ
