**Deception: Spies, Lies and Forgeries**, 2019-07-22 This volume was first published by Inter Disciplinary Press in 2016 We have entered a post truth era in which Daniel J Boorstin notes believability has become an acceptable substitute for truth and manifold deceptions of our culture are difficult to separate from its few enduring truths In this era communities and individuals may feel routinely duped cheated or betrayed Though truth may be considered intrinsically valuable deception may sometimes be useful or necessary Sometimes there is pleasure in the spectacle of deception The essays in this volume address a variety of areas coming from different disciplines and methodological approaches what unites them is the notion of deception Deception is not just one thing it can be used for personal liberation and expression it can be used as a tool of state oppression and sometimes it is purely entertainment We encounter deception every day of our lives these essays explore some the ways in which we do

**The Rapture 2028: America's Countdown to Apocalypse!** David Netherton, 2015-01-02 A Shocking Bible Discovery found in the Dead Sea Scrolls After forty years of research in the Biblical text this book came about while studying Biblical manuscripts in their original Greek I was given a project by my Greek professor to research the Dead Sea Scrolls This research changed my life my belief about time and the books of the Bible While researching the Dead Sea Scrolls I found two historical books that were in the Bible during Jesus time on this Earth So I ask this question Why did man remove these books The deeper I studied I discovered that our Bible should have seventy books instead of sixty six Six is the number of man and a number representing incompleteness Sixty six doubles its meaning and the number 666 needs no explanations Men do resist God's will today 2 Peter 3:9 While researching the subject I encountered extreme opposition The books of the Bible should be divisible by seven So we are missing one New Testament book and three Old Testament books to make a seventy book Bible Have we been deceived by our religious leaders and science community Does all time truly consist in a 7 007 year window This book is written from the complete seventy book Bible which was revealed in the Dead Sea Scrolls Do the scrolls reveal angels mating with the daughters of Adam Where did the giant human originate Have we all been lied to about Genesis 6 and the events during the days of Noah Are angels and demons masquerading as aliens and UFOs in a great end of time deception Will the dollar collapse by 2022 Will the U S be destroyed in one day by 2028 However when He the Spirit of truth has come He will guide you into all truth for He will not speak on His own authority but whatever He hears He will speak and He will tell you things to come John 16:13-14

**Exposing the Fallacies of the Pre-Tribulation Rapture** Billy Broadwater, 2014-06-20 The Pretribulation Rapture theory has had a foothold on many Christians in America for over a hundred years This teaching is not allowed to be challenged in many Christian circles Exposing the Fallacies of the Pretribulation Rapture takes the building blocks of this theory and dismantles them one by one in a serious thought provoking analogy of this doctrine Is the seven

year tribulation really a biblical term Is the church literally raptured in Revelation chapter 4 Are there signs that precede the return of Christ Is the rapture really an invisible event Are Christians exempt from tribulation Where did the true roots of the pretribulation rapture come from What does the day of the Lord have to do with the rapture These questions and many more are answered in *Exposing the Fallacies of the Pre Tribulation Rapture* Not only is there a thorough examination of the rapture but also a detailed account is given of the numerous discrepancies among leading pretribulation teachers over Bible passages on the second coming Billy Broadwaters in depth Bible based research for over twenty years brings home the truth about the rapture

*Before the Rapture* Eleanor Schultz, 2011-02-28 Author Eleanor Schultz removes the mystery of scenes described by Bible prophets Logical and clear explanation with a touch of humor calms fears about the times that we are destined to experience before the Rapture The rise of the Antichrist and his crusade to conquer the world is unsettling at best The surfacing of the Ark and Israel's encounter with God makes for exciting reading The Middle East emerges as the seat of world political religious and economic power Peace arrives and prosperity follows The deception and lure of resulting pleasures can be deadly if we fall for the deceptive tactics of evil in the end times Surveying all things we realize we are not alone and evil is not in charge God's plan of redemption is the controlling factor for end time events and Satan does not have veto rights God is still in control
