

A Peek at 3rd Grade

READING

ASSESSMENTS

Name: _____

The Tortoise and the Hare

1. There once was a speedy Hare who loved to boast about how fast he could run. Hare loved to brag to the other animals in the forest. He would walk around the forest knocking down other animals if they got in his way. Hare would chant, "I'm the fastest creature in the forest! See it all when I run, for no one could keep up with me!"

2. The forest animals grew tired of Hare's constant chanting and boasting. So one day, Wise Owl asked Hare to slow down and be careful of the other forest creatures. Hare laughed, "I'll only slow down if someone beats me. I'd rather win!" Wise Owl shook his head.

3. Word of Hare's challenge spread quickly through the forest. Who would be fast enough to beat Hare? Who would be brave enough to accept Hare's challenge? Most of the animals were too scared to run a race against the speedy Hare, but Tortoise wasn't scared. He knew that something had to be done to make Hare be more careful in the forest. An animal could get hurt, maybe Tortoise could help. Tortoise accepted the challenge.

4. On the day of the race, all the forest animals gathered at the starting line. Hare was ready to begin the race, but where was Tortoise? Slowly but surely, Tortoise plodded along the old path to the starting line. Hare smirked when he saw how slow Tortoise walked. This was no fair race! He was sure to win.

5. At the starting line, Wise Owl explained the rules of the race. The first animal to cross the finish line was the winner. If Hare won, he would be free to go around the forest as fast as he wanted. If Tortoise won, then Hare would have to be more careful. The stakes were high, but both races agreed to the plan.

6. When Owl whistled for the race to start, Hare dashed down the road. He was as fast as a cheetah! Tortoise began his slow trek down the path. Tortoise knew he wasn't fast, but he had to try. All the other forest animals were counting on him!

7. After a while, Hare looked back. He was getting tired from running so quickly. Tortoise was nowhere in sight. On the side of the path was a lush patch of grass. It looked like a comfortable place to rest.

Hare stretched himself out in the field. "There is plenty of time to relax," thought Hare. Then he fell asleep.

But, as Hare slept, Tortoise kept on walking. Slow and steady, he marched up the race path. Suddenly, he saw the finish line up ahead. He was sure he would lose. Hare already standing there waiting for him to win to his surprise. He only saw the other forest animals.

The forest animals cheered loudly when they saw Tortoise crossing up the path. But, they cheered so loud, that it woke Hare up. Hare awoke. Hare stood up. Tortoise was about to cross the finish line. Hare ran fast towards the finish line, but he wasn't fast enough. Tortoise had won the race. Hare hung his head. He was disappointed. Maybe being fast wasn't so great after all.

From that day on, Hare was more careful. He was always on the lookout. He didn't boast anymore. He was always on the lookout. He didn't boast anymore. He was always on the lookout. He didn't boast anymore. He was always on the lookout.

Directions: Use the questions.

1. Why does Hare boast?

a. He is fast.
b. He is slow.
c. He is proud.
d. He is happy.

2. According to the story, Hare was sure to win the race.

a. He was fast.
b. He was slow.
c. He was proud.
d. He was happy.

Part A

3. Read the story. What does Hare learn?

a. He should be more careful.
b. He should be more proud.
c. He should be more fast.
d. He should be more slow.
