Life with God Richard J. Foster, 2008-04-22 The author of the million copy plus seller *A Celebration of Discipline* shows the intimate connection between Scripture and spirituality revealing the secrets to the with God life **Reading God's Word Today** George Martin, 2009-09 In the most extensive revision yet of his best selling classic *Reading God's Word Today* this edition brings Scripture to life for everyone from beginners to seasoned veterans of Bible study for a fuller relationship with God **Contemplative Bible Reading** Richard Peace, 2015-06-22 A new way to read the Bible Spiritual disciplines are simply ways to open ourselves to God They help us become aware of the many ways God speaks to us and provide us with ways to respond to God This book explores and explains how the historical disciplines and perspectives of the Christian faith can deepen both our walk with God and our community with others Reading the Bible is something that most of us are familiar with Some even do it regularly But do we really think about how we read and respond to Scripture How deeply do we allow ourselves to be impacted by it Contemplative Bible reading or *lectio divina* as it is often called is an ancient method of approaching Scripture Consisting of four parts this method begins with the selected biblical passage and moves to meditating praying and contemplating what God is revealing through the Bible Many of us tend to think of meditation as something done individually but reflecting on Scripture in a small group invites us to act and encourages us to share with others how God is calling us to respond Contemplative Bible Reading examines this spiritual discipline and invites your small group to approach Scripture in a new and challenging way By exploring different passages and learning to hear God's voice in them this guide will help you meditate and act on the truth of the Bible Reading God's Word Today George Martin, 2009-12-01 With persuasive instruction and personal examples George Martin shows you how to read and understand Scripture in ways that help us hear what God is saying to us and that draw us nearer to him in prayer In the most extensive revision yet of his best selling classic *Reading Scripture as the Word of God* this edition brings God's Word to life for beginners through seasoned veterans of Bible study How can I get more out of reading Scripture What can I do to understand Scripture more clearly How can I hear what God is saying to me through Scripture How should I apply the messages of the Bible to my life Thus the Bible becomes a window to God so He can speak to our hearts as well as our heads The book begins with practical suggestions for reading Scripture in order to understand both the context and the purpose for which it was written It goes on to discuss how God reveals himself through the words of Scripture and the role of the Holy Spirit as He speaks directly to you through the text Study guides at the end of each chapter interesting sidebars and directions to internet resources will stimulate personal reflection and also provide the basis for small group discussion of this eminently practical yet heart centered approach to understanding the Scriptures *Reading God's Story* George H. Guthrie, 2011-11-01 Stories are basic to life Everybody loves a good story We have been reading listening to or watching stories all of our lives so we intuitively know a lot about how they work Yet more and more Christians are unfamiliar with the stories of the Bible and how the grand narrative of God
