**Reading on the Run** J. Robert Clinton, Fuller Theological Seminary, 1987 Leadership Beef Jerky Dr. Gregory W. Bourgon, 2018-05-24 Leadership competencies may be the tools of leadership but biblically informed character is the power of leadership The exercise of leadership involves character competence and congruence Who you are as a leader your character and how your wiring plays a role in your practice of leadership your congruence will determine the effectiveness of your leadership practices The competencies you leverage will produce exponential results In Leadership Beef Jerky author Dr Gregory W Bourgon presents principles and practices that help organize how you think about leadership and what will and should inform your understanding and practice He introduces you to a calibration of the soul guarding your heart because it will bring forth good or bad what is stored within Based on his personal experiences Bourgon offers processes procedures methodologies tactics and strategies to help you become a more effective leader regardless of the number of people you lead He demonstrates when the head and the heart align the beingness of your leadership then the hand produces God honoring results Leadership Beef Jerky discusses the idea that effective godly leadership is developed during a lifetime is exercised through your God given passion and giftedness finds its source and authority in God is built on biblical principles and values and is practiced in culturally sensitive ways The principles and practices described in this guide help you become a leader after God s heart

The Leader'S Palette Ralph E. Enlow Jr., 2013-02-08 No Not another book on leadership That was my first reaction as I received the manuscript of this book Upon careful reading I came to realize that Dr Enlow has artistically captured the essence of leading by influence and has presented it in a clear and colorful way As a veteran leader Dr Enlow speaks from vast experience but it is not merely subjective anecdotal experience The book is firmly rooted in serious and current research As I meet leaders from all over the globe I am no longer hesitant what to recommend them to read Riad Kassis director of Lanhams Scholars Ministry international director of the International Council for Evangelical Theological Education This book under promises and over delivers with a powerful palette of leadership wisdom But drop everything right now and read the warning in the last chapter on doxological leadership I am recommending this book to all my clients and I will likely reread this gem once a year Its that important John Pearson consultant [www.johnpearsonassociates.com](http://www.johnpearsonassociates.com) and author of Mastering the Management Buckets

**A True Leader C.A.R.E.S** Dr. Wain, 2009-01-15 Do you have a desire or calling to lead and no idea where to begin or where you are headed Do you feel you must have a title or position to be a leader Have you been a pastor for years but not effective in developing your leadership team If any of this is true X this book is for you This book was not written exclusively for church leadership It will examine

leadership principles that are pertinent in every area of life Step by step it will guide you through the process of personal leadership development It is guaranteed to give everyone who is serious about leadership useful tools and incentives to transform lives In Part I it will introduce and define a new term with an old flavorXLeadership Christianity Within its pages you will see how creating change and making good sound decisions are essential in your life as a leader Part II includes a detailed examination and application of the five most important characteristics of a leader who C A R E S Character Attitude Relationships Effective Communications Self Discipline The final chapters of Part III are geared toward action Showing you the leader how these principles can be utilized in your everyday life at home in your church and in your community Rev Wayne P Bowman DMin

*Language Anxiety* Richard L. Sparks,2025-07-11 This book traces and summarizes theoretical insights and empirical findings on the topic of whether or not anxiety for language learning could be a causal variable for individual differences in language learning The author brings together three decades of research to show that first language L1 skills and second language L2 aptitude are confounding variables in studies of language anxiety and that learners levels of anxiety for L2 learning are strongly related to their levels of language achievement These findings have suggested that language anxiety instruments reflect students accurate self perceptions of their language skills and their levels of L1 achievement and L2 aptitude The research presented in this book holds the potential to change the ways in which L2 educators and researchers think about language anxiety how language anxiety is assessed how investigations into language anxiety are conducted and how L2 teachers respond to anxiety in the classroom

**Reading for Pleasure** Kenny Pieper,2016-12-01 In *Reading for Pleasure* Kenny Pieper has gathered a range of tried and tested strategies to get kids reading and enjoying it We hear too often that kids don t read any more Kenny thinks it should be every teacher s mission to prove this isn t true In a squeezed curriculum it can be tempting to accept pupils lack of reading and make excuses that there is not enough time to give to the luxury of personal reading Teachers do this at our peril Reading is the essential building block of further literacy development as well as a skill hobby and habit that we can take with us forever Kenny Pieper takes the act of reading for granted as many but sadly not all adults do You re reading this right now However this isn t the case for everyone Kenny teaches kids whose lives are terrifying obstacle courses of reading related problems They know they struggle with reading so they try to avoid reading at all costs They leave school not merely unaffected by this strange reading thing but saddled with a great deal of emotional baggage about being an outsider even more entrenched in a belief that reading is for others more intelligent than them Then there are the children who can read perfectly well but chose not to unconvinced of the importance of reading in their lives What difference does it make to them We have to answer that question in school We have a duty to put an end to illiteracy and aliteracy Kids need reading role models and as a teacher that role model is you You may be the only adult who that reluctant reader will ever see reading Teachers are critical in giving all children the gift of being able to read well and to value reading Topics covered include the author s personal reading journey how reading enabled him to become the first person in his family to go to university and convinced him that fostering a love of reading is his moral duty as an educator illiteracy and aliteracy reluctant readers book reviews prioritising personal reading by devoting ten minutes each lesson to it habitual reading the reading environment interest inventories technology e readers Accelerated Reader programmes recommended reading building a class library bookmarks book tweets book speed dating libraries librarians literacy and class inequality parental involvement podcasting reading records reading dialogue journals the rights of the reader reading

aloud silent reading and literacy and gender amongst others The benefits we can all reap when kids become confident readers who read for pleasure are obvious Discover strategies which will get kids talking about books get them thinking about books get them reading books encourage independent reading develop literacy skills and establish a classroom culture where reading is expected and celebrated Suitable for primary and secondary teachers leaders and SENCOs or just anyone with an interest in or responsibility for getting kids to read
