# Reading Romantic Texts And Contexts

**Fiona Stafford**

## **Reading Romantics Texts And Contexts:**

**Reading Romantics** Peter J. Manning, 2023 A series of essays which seek to reconnect Romantic literature with the motives from which it springs and the social relations within which it exists Among the writers discussed are Wordsworth and Byron

**Romantic Texts and Contexts** Donald H. Reiman, 1987

**Reading Public Romanticism** Paul Magnuson, 2014-07-14 Reading Public Romanticism is a significant new example of the linking of esthetics and historical criticism Here Paul Magnuson locates Romantic poetry within a public discourse that combines politics and esthetics nationalism and domesticity sexuality and morality law and legitimacy Building on his well regarded previous work Magnuson practices a methodology of close historical reading by identifying precise versions of poems reading their rhetoric of allusion and quotation in the contexts of their original publication and describing their public genres such as the letter He studies the author's public signature or motto the forms and significance of address used in poems and the resonances of poetic language and tropes in the public debates According to Magnuson reading locations means reading the writing that surrounds a poem the paratext or frame of the esthetic boundary In their particular locations in the public discourse romantic poems are illocutionary speech acts that take a stand on public issues and legitimate their authors both as public characters and as writers He traces the public significance of canonical poems commonly considered as lyrics with little explicit social or political commentary including Wordsworth's Immortality Ode Coleridge's This Lime Tree Bower My Prison Frost at Midnight and The Ancient Mariner and Keats's On a Grecian Urn He also positions Byron's Dedication to Don Juan in the debates over Southey's laureateship and claims for poetic authority and legitimacy Reading Public Romanticism is a thoughtful and revealing work Originally published in 1998 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Romantic Poems, Poets, and Narrators** Joseph C. Sitterson, 2000 Students of Blake Coleridge Wordsworth and Keats should appreciate these readings of the major romantic poems The book presents a guide to the various and complex discourses formalist psychanalytic deconstructive and new historicist in which these poems have been reviewed

**Romantic Period Writings, 1798-1832** Ian Haywood, 1998 Romantic Period Writings 1798 1832 provides a valuable insight into the condition of Britain in the early part of the nineteenth century It includes original documents from a range of disciplines and discourses Each section includes a scholarly introduction select bibliography and annotations Among the material assembled in the anthology are writings by previously neglected or under represented women working class men black radicals and conservative and evangelical polemicists as well as several unfamiliar texts by canonical writers The writings are organised into sections on

Radical Journalism Political Economy Atheism Nation and State Race and Empire Gender Literary Institutions

**Romanticism and Gender** Anne K. Mellor, 2013-08-06 Taking twenty women writers of the Romantic period Romanticism and Gender explores a neglected period of the female literary tradition and for the first time gives a broad overview of Romantic literature from a feminist perspective **Deep Distresses** Richard E. Matlak, 2003 Deep Distresses is a study of the intersecting family and professional vicissitudes that afflicted Wordsworth during the period of his greatest poetic productivity The negative national publicity over his mariner brother's death at sea is the focus of the family tragedy hostile reception to Poems in Two Volumes 1807 is the focus of professional duress Both topics become related through the intercession of the poet's patron Sir George Beaumont who attempts to ameliorate the family tragedy with money and his painting of Peck Castle in a Storm while hoping to groom Wordsworth for a place among the cultural elite of London In its attention to nineteenth century culture and business this study offers an entirely new context for reading and re interpreting many of Wordsworth's major works from Michael through the major lyrics of Poems in Two Volumes and the latter books of The Prelude Richard E Matlak is a Professor of English and Director of the Center for Interdisciplinary and Special Studies at the College of the Holy Cross **Encyclopedia of the Romantic Era, 1760-1850** Christopher John Murray, 2013-05-13 In 850 analytical articles this two volume set explores the developments that influenced the profound changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century The Encyclopedia provides readers with a clear detailed and accurate reference source on the literature thought music and art of the period demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised by the very concepts of Romantic and Romanticism **Romanticism** Simon Bainbridge, 2018-03-24 A wide ranging collection of the key contextual documents which inform the Romantic period It includes material on fiercely debated areas such as the French Revolution women the slave trade science and religion Documents are supported by substantial editorial material drawing connections to the major Romantic texts **William Wordsworth in Context** Andrew Bennett, 2015-02-12 William Wordsworth's poetry responded to the enormous literary political cultural technological and social changes that the poet lived through during his lifetime 1770 1850 and to his own transformation from young radical inspired by the French Revolution to Poet Laureate and supporter of the establishment The poet of the egotistical sublime who wrote the pioneering autobiographical masterpiece The Prelude and whose work is remarkable for its investigation of personal impressions memories and experiences is also the poet who is critically engaged with the cultural and political developments of his era William Wordsworth in Context presents thirty five concise chapters on contexts crucial for an understanding and appreciation of this leading Romantic poet It focuses on his life circle and composition on his reception and influence on the significance of late eighteenth and early nineteenth century literary contexts and on the historical political scientific and philosophical issues that helped to shape Wordsworth's poetry and prose **Byron, Poetics and History** Jane

Stabler,2002-12-05 Jane Stabler offers the first full scale examination of Byron s poetic form in relation to historical debates of his time Responding to recent studies of publishing and audiences in the Romantic period Stabler argues that Byron s poetics developed in response to contemporary cultural history and his reception by the English reading public Drawing on extensive new archive research into Byron s correspondence and reading Stabler traces the complexity of the intertextual dialogues that run through his work For example Stabler analyses Don Juan alongside Galignani s Messenger Byron s principal source of news about British politics while in Italy and refers to hitherto unpublished letters between Byron s publishers and his friends to reveal a powerful impulse among his contemporaries to direct his controversial poetic style to their own conflicting political ends This fascinating study will be of interest to Byronists and more broadly to scholars of Romanticism in general

Reading Romantic Poetry Fiona Stafford,2014-02-03 Reading Romantic Poetry introduces the major themes and preoccupations and the key poems and players of a period convulsed by revolution prolonged warfare and political crisis Provides a clear lively introduction to Romantic Poetry backed by academic research and marked by its accessibility to students with little prior experience of poetry Introduces many of the major topics of the age from politics to publishing from slavery to sociability from Milton to the mind of man Encourages direct responses to poems by opening up different aspects of the literature and fresh approaches to reading Discusses the poets own reading and experience of being read as well as analysis of the sounds of key poems and the look of the poem on the page Deepens understanding of poems through awareness of their literary historical political and personal contexts Includes the major poets of the period Blake Wordsworth Coleridge Byron Shelley Keats Burns and Clare as well as a host of less familiar writers including women

*Plagiarism and Literary Property in the Romantic Period* Tilar J. Mazzeo,2013-04-23 In a series of articles published in Tait s Magazine in 1834 Thomas DeQuincey catalogued four potential instances of plagiarism in the work of his friend and literary competitor Samuel Taylor Coleridge DeQuincey s charges and the controversy they ignited have shaped readers responses to the work of such writers as Coleridge Lord Byron William Wordsworth and John Clare ever since But what did plagiarism mean some two hundred years ago in Britain What was at stake when early nineteenth century authors levied such charges against each other How would matters change if we were to evaluate these writers by the standards of their own national moment And what does our moral investment in plagiarism tell us about ourselves and about our relationship to the Romantic myth of authorship In *Plagiarism and Literary Property in the Romantic Period* Tilar Mazzeo historicizes the discussion of late eighteenth and early nineteenth century plagiarism and demonstrates that it had little in common with our current understanding of the term The book offers a major reassessment of the role of borrowing textual appropriation and narrative mastery in British Romantic literature and provides a new picture of the period and its central aesthetic contests Above all Mazzeo challenges the almost exclusive modern association of Romanticism with originality and takes a fresh look at some of the most familiar writings of the period and the controversies surrounding them

**Wordsworth, Dialogics and**

**the Practice of Criticism** Don H. Bialostosky, 1992-02-28 Wordsworth's poetry has been a focus for many of the theoretical schools of criticism that comprise modern literary studies Don Bialostosky here proposes to adjudicate the diverse claims of these numerous schools and to trace their implications for teaching Bialostosky draws on the work of Bakhtin and his followers to create a dialogic critical synthesis of what Wordsworth's readers from Coleridge to de Man have made of his poetry He reveals Wordsworth's poetry as itself dialogically responding to its various contexts and opens up fruitful possibilities for criticism and teaching of Wordsworth This challenging book uses the case of Wordsworth studies to make a far reaching survey of modern literary theory and its implications for the practice of criticism and teaching today

**Romantic Aversions** J. Douglas Kneale, 1999 Romanticism is often regarded as a turning point in literary history the time when writers such as Wordsworth and Coleridge renounced the common legacy of poets and sought to create a new literature Yet despite their emphasis on originality genius and spontaneity the first generation Romantics manifest a highly intertextual style that while repressing certain classical and neoclassical literary conventions reveals a deep dependence on those same rhetorical practices Repression results in the symptoms of originality but it inevitably leads to the return of tradition in a different form Romantic Poetry Karl Kroeber, Gene W. Ruoff, 1993 This anthology fills the need for a comprehensive up to date collection of the most important contemporary writings on the English romantic poets During the 1980s many theoretical innovations in literary study swept academic criticism Many of these approaches from deconstructive new historicist and feminist perspectives used romantic texts as primary examples and altered radically the ways in which we read Other major changes have occurred in textual studies dramatically transforming the works of these poets The world of English romantic poetry has certainly changed and Romantic Poetry keeps pace with those changes Karl Kroeber and Gene W Ruoff have organized the book by poet Blake Wordsworth Coleridge Byron Shelly and Keats and have included essays representative of key critical approaches to each poet's work In addition to their excellent general introduction the editors have provided brief helpful forewords to each essay showing how it reflects current approaches to its subject The book also has an extensive bibliography sure to serve as an important research aid Students on all levels will find this book invaluable

**The Romantic Dream** Douglas B. Wilson, 1993-01-01 Although criticism on the medieval and Renaissance dream abounds a strange lacuna exists in the critical literature of dream in the English Romantics Every major Romantic poet relied frequently and explicitly on dream imagery and Romantic poems conduct a long discussion about the meaning power value and provenance of dreams Douglas B Wilson's book traces the wide web of connections that the Romantics wove between dreams and other expressions of consciousness sensation emotions illusions creativity personality and memory Situating his study of the Wordsworthian dream between ancient interpretation and Freudian interpretation Wilson gains a new perspective on the oneiric moment of Romanticism while liberating it from a narrowly psychoanalytic reading Wordsworth embodies virtually all of the dream theory of his time thus making him the perfect object of Wilson's multiple approaches to

dream activity as poetic creation Back cover      *Figures of the Imagination* Roger Hansford, 2017-03-16 This new study of the intersection of romance novels with vocal music records a society on the cusp of modernisation with a printing industry emerging to serve people's growing appetites for entertainment amidst their changing views of religion and the occult. No mere diversion, fiction was integral to musical culture and together both art forms reveal key intellectual currents that circulated in the early nineteenth-century British home and were shared by many consumers. Roger Hansford explores relationships between music produced in the early 1800s for domestic consumption and the fictional genre of romance, offering a new view of romanticism in British print culture. He surveys romance novels by Ann Radcliffe, Matthew Lewis, Sir Walter Scott, James Hogg, Edward Bulwer, and Charles Kingsley in the period 1790-1850, interrogating the ways that music served to create mood and atmosphere, enlivened social scenes, and contributed to plot developments. He explores the connections between musical scenes in romance fiction and the domestic song literature, treating both types of source and their intersection as examples of material culture. Hansford's intersectional reading revolves around a series of imaginative figures, including the minstrel, fairies, mermaids, ghosts, and witches, and Christians engaged both in virtue and vice, the identities of which remained consistent as influence passed between the art forms. While romance authors quoted song lyrics and included musical descriptions and characters, their novels recorded and modelled the performance of songs by the middle and upper classes, influencing the work of composers and the actions of performers who read romance fiction.

**Napoleon and English Romanticism** Simon Bainbridge, 1995-11-24 Napoleon Bonaparte occupied a central place in the consciousness of many British writers of the Romantic period. He was a profound shaping influence on their thinking and writing, and a powerful symbolic and mythic figure whom they used to legitimize and discredit a wide range of political and aesthetic positions. In this first ever full-length study of Romantic writers' obsession with Napoleon, Simon Bainbridge focuses on the writings of the Lake poets Wordsworth, Coleridge, and Southey, and of Byron and Hazlitt. Combining detailed analyses of specific texts with broader historical and theoretical approaches, and illustrating his argument with the visual evidence of contemporary cartoons, Bainbridge shows how Romantic writers constructed, appropriated, and contested different Napoleons as a crucial part of their sustained and partisan engagement in the political and cultural debates of the day.      **Romantic**

**Writings** Stephen Bygrave, 2017-09-29 *Romantic Writings* is an ideal introduction to the cultural phenomenon of Romanticism, one of the most important European literary movements and the cradle of Modern culture. Here you will find an accessible introduction to the well-known male Romantic writers: Blake, Wordsworth, Coleridge, Byron, Shelley, and Keats. Alongside are chapters dealing with poems by Charlotte Smith, Mary Robinson, Ann Barbauld, Elizabeth Barrett Browning, which challenge the idea that these men are the only Romantic writers. As a further counterpoint, the book also includes discussion of two German Romantic short stories by Kleist and Hoffman. Throughout, close reading of texts is matched by an insistence on reading them in their historical context. *Romantic Writings* offers invaluable discussions of issues such as the

notion of the Romantic artist colonialism and the exotic and the particular situation of women writers and readers

The book delves into Reading Romanticism Texts And Contexts. Reading Romanticism Texts And Contexts is an essential topic that must be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Reading Romanticism Texts And Contexts, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
  - Chapter 1: Introduction to Reading Romanticism Texts And Contexts
  - Chapter 2: Essential Elements of Reading Romanticism Texts And Contexts
  - Chapter 3: Reading Romanticism Texts And Contexts in Everyday Life
  - Chapter 4: Reading Romanticism Texts And Contexts in Specific Contexts
  - Chapter 5: Conclusion
2. In chapter 1, the author will provide an overview of Reading Romanticism Texts And Contexts. The first chapter will explore what Reading Romanticism Texts And Contexts is, why Reading Romanticism Texts And Contexts is vital, and how to effectively learn about Reading Romanticism Texts And Contexts.
3. In chapter 2, this book will delve into the foundational concepts of Reading Romanticism Texts And Contexts. This chapter will elucidate the essential principles that need to be understood to grasp Reading Romanticism Texts And Contexts in its entirety.
4. In chapter 3, this book will examine the practical applications of Reading Romanticism Texts And Contexts in daily life. The third chapter will showcase real-world examples of how Reading Romanticism Texts And Contexts can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Reading Romanticism Texts And Contexts in specific contexts. The fourth chapter will explore how Reading Romanticism Texts And Contexts is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about Reading Romanticism Texts And Contexts. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Reading Romanticism Texts And Contexts.

### Reading Romanticism Texts And Contexts Introduction

Reading Romanticism Texts And Contexts Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Reading Romanticism Texts And Contexts Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Reading Romanticism Texts And Contexts : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a

popular resource for finding various publications. Internet Archive for Reading Romanticism Texts And Contexts : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Reading Romanticism Texts And Contexts Offers a diverse range of free eBooks across various genres. Reading Romanticism Texts And Contexts Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Reading Romanticism Texts And Contexts Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Reading Romanticism Texts And Contexts, especially related to Reading Romanticism Texts And Contexts, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Reading Romanticism Texts And Contexts, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Reading Romanticism Texts And Contexts books or magazines might include. Look for these in online stores or libraries. Remember that while Reading Romanticism Texts And Contexts, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Reading Romanticism Texts And Contexts eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Reading Romanticism Texts And Contexts full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Reading Romanticism Texts And Contexts eBooks, including some popular titles.

### FAQs About Reading Romanticism Texts And Contexts Books

1. Where can I buy Reading Romanticism Texts And Contexts books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
