Readings in Gender Communication Phillip A. Backlund, Mary Rose Williams, 2003-08 Readings in Gender Communication Phil Backlund, Mary Rose Williams, 2004 READINGS IN GENDER COMMUNICATION is a compilation of studies stories analyses and personal testimonies contributed by communication gender psychology and sociology scholars and students The reader is designed as a supplemental text for a gender communication course with primary emphasis given to demonstrating how gender theory is applicable to students lives Communication Catalog 2005 Neil Thomson, 2004-09

Classic Readings in Cultural Anthropology Gary P. Ferraro, 2004 This accessible reader has been edited by the author of the original texts Gary Ferraro to include articles and excerpts from works that have been pivotal to the field of anthropology and that have displayed enduring relevance *Making Connections* Kathleen M. Galvin, 2006 The Fourth Edition has been updated expanded and reorganized to reflect the changing field of relational communication New essays address emerging topics such as anti comforting messages friendship in urban tribes and discourse dependent families The new edition also contains a new section on the dark side of communication with articles on topics such as lying and irresolvable conflicts Three out of four of the essays in the technology section are new reflecting current thinking in Internet based interpersonal relationships communication norms in an online support group and how student use of technology challenges existent communication theories A complete subject index has been added The book also features a new accompanying Instructor s Manual between basic communication competencies and relationships feature a developmental approach in terms of initiating sustaining and ending relationships and reflect direct applications of relational issues within contexts of family friendship and technology explore issues relating to computer mediated communication and new technologies in everyday life The editors Galvin and Cooper maintain a similar framework as featured in previous editions using gender family and culture as lenses through which to view and make sense of relational communication **Power, Postcolonialism and International Relations** Chowdhry Geeta, Sheila Nair, 2013-10-15 Chowdhry and Nair along with the authors of this volume make a timely vital and deeply necessary intervention in international relations one that informs theoretically enriches our knowledge of the world through its narratives and forces us to confront the differentiated wholeness of our humanity Readers will want to emulate the skills and sensibilities they offer Naeem Inayatullah Ithaca College This work uses postcolonial theory to examine the implications of race class and gender relations for the structuring or world politics It addresses further themes central to postcolonial theory such as the impact of representation on power relations the relationship between global capital and power and the space for resistance and agency in the context of global power asymmetries Psychology Applied to Modern Life Wayne Weiten, Margaret Ann Lloyd, 2003 Edition after edition this comprehensive text for the adjustment course has enjoyed best seller status in a crowded field While professors cite the book for its academic credibility and the authors ability to stay current with hot topics students say it s one text they just don t

want to stop reading Its relevant examples spark students interest in psychology and its engaging applications that show students how psychology helps them understand themselves and their world Students and instructors alike find the text and associated workbooks to be a highly readable engaging visually appealing package that provide a wealth of personal applications Irm Among Cultures Hall,2004-07 The Psychology of Women Margaret W. Matlin,2004 Appropriate for students from a wide variety of backgrounds this comprehensive text captures women s own experiences through direct quotations and an emphasis on empirical research *Men and Masculinity* Theodore F. Cohen,2000 Illustrating how men s experiences are shaped by cultural notions of masculinity and structural realities of gender this text includes articles from academic journals books interviews and personal narratives **Psychology Catalog 2005** Neil Thomson,2004-09

Management and Organizational Behavior Jon Lepley Pierce,Donald G. Gardner,Randall B. Dunham,2001 Management and Organizational Behavior An Integrated Perspective blends the traditional management and organizational behavior topics by presenting the technical aspects of management and managerial practice as well as its social psychological and behavior consequences The authors present an integrative model that positions Management philosophy as a force which shapes the practice of management and organization design both of which impact and explain organizational behavior The text emphasizes that to be a strategic manager there must be an understanding of the organization management process individuals as members and the deep interrelationship between all these areas Sample Copy Writing Paragraphs and Essays Wingersky,1999 **Forthcoming Books** Rose Arny,2004 Psychology James S. Nairne,2002-07 The new edition of James Nairne s highly respected text offers all the content pedagogy and visual appeal that professors and students have come to expect from a successful introductory psychology text The third edition offers a comprehensive look at how psychology works in our everyday lives This practical motivating text presents the standard subjects covered in an introductory course but connects them in a way that adds meaning and consistency to students study of psychology How does he do this By introducing students to the adaptive mind a theme based on the fact that our thoughts and actions stem from our need to adapt to our surroundings This unique framework supports practical applications and helps students understand how we use psychology to deal with everyday challenges Nairne emphasizes the ways particular behaviors thought processes and emotions help us solve problems from memorizing a telephone number to ducking under cover as a building begins to shake to producing a quick physical response in the face of traffic hazards Beneath the innovative approach you ll find ample coverage of all the traditional topics around which you build your course Sociology Rodney Stark,2001 **Sociology** Jean Stockard,2000 SOCIOLOGY DISCOVERING SOCIETY 2nd provides comprehensive coverage of sociology in an affordable paperback format With research studies in every chapter and boxes that portray sociologists at work it will especially appeal to sociology professors who value a quantitative research methodology oriented approach Instead of presenting every possible theory for each issue Stockard s streamlined approach pulls in theories only when they

appropriately relate to the issue at hand This integrated approach produces a text that reads more smoothly than the overly encyclopedic heavily interrupted narratives of other texts Psychology Charles R. Grah,Nairne,1999-09 *Sociology :*
Your Compass for a New World Robert J. Brym,2003 **Current Perspectives** Janell L. Carroll,2005-02 The selections in this reader have been carefully culled from InfoTrac College Edition an online university library of more than 5 000 academic and popular magazines newspapers and journals
