Readings in Contemporary Political Sociology Kate Nash, 2000-02-21 This Reader presents the best published writings of prominent sociologists and political theorists currently working in the field **Contemporary Political Sociology** Kate Nash, 2009-12-15 This fully revised and updated introduction to political sociology incorporates the burgeoning literature on globalization and showshow contemporary politics is linked to cultural issues socialstructure and democratizing social action New material on global governance human rights global socialmovements global media New discussion of democracy and democratization Clearly lays out what is at stake in deciding betweenalternatives of cosmopolitanism imperialism and nationalism Includes additional discussion of the importance of studyingculture to political sociology **The Wiley-Blackwell Companion to Political Sociology** Edwin Amenta, Kate Nash, Alan Scott, 2016-09-26 The Wiley Blackwell Companion to Political Sociology is a complete reference guide reflecting the scope and quality of the discipline and highlighting emerging topics in the field Global in focus offering up to date topics from an interdisciplinary international set of scholars addressing key issues concerning globalization social movements and citizenship The majority of chapters are new including those on environmental politics international terrorism security corruption and human rights Revises and updates all previously published chapters to include new themes and topics in political sociology Provides an overview of scholarship in the field with chapters working independently and collectively to examine the full range of contributions to political sociology Offers a challenging yet accessible and complete reference guide for students and scholars **The Blackwell Companion to Political Sociology** Kate Nash, Alan Scott, 2008-04-30 The Blackwell Companion to Political Sociology brings together thirty eight original essays covering the wide inter disciplinary field of political sociology Represents the most comprehensive overview available in the field of political sociology Covers traditional questions as well as emerging topics including recent debates on gender citizenship and political identity Includes detailed editorial introduction abstracts further reading lists and a consolidated bibliography **The Political Sociology of Emotions** Nicolas Demertzis, 2020-06-01 The Political Sociology of Emotions articulates the political sociology of emotions as a sub field of emotions sociology in relation to cognate disciplines and sub disciplines Far from reducing politics to affectivity the political sociology of emotions is coterminous with political sociology itself plus the emotive angle added in the investigation of its traditional and more recent areas of research The worldwide predominance of affective anti politics e g the securitization of immigration policies reactionism terrorism competitive authoritarianism nationalism and populism etc makes the political sociology of emotions increasingly necessary in making the prospects of democracy and republicanism in the twenty first century more intelligible Through a weak constructionist theoretical perspective the book shows the utility of this new sub field by addressing two central themes trauma and resentment Trauma is considered as a key cultural political phenomenon of our times evoking both negative and positive emotions resentment is a pertaining individual and collective

political emotion allied to insecurities and moral injuries In tandem they constitute fundamental experiences of late modern times The value of the political sociology of emotions is revealed in the analysis of civil wars cultural traumas the politics of pity the suffering of distant others in the media populism and national identities on both sides of the Atlantic *The Handbook of Political Sociology* Thomas Janoski,Robert R. Alford,Alexander M. Hicks,Mildred A. Schwartz,2005-05-23 This Handbook provides a complete survey of the vibrant field of political sociology Part I explores the theories of political sociology Part II focuses on the formation transitions and regime structure of the state Part III takes up various aspects of the state that respond to pressures from civil society *Power, Politics, and Society* Betty A Dobratz,2015-10-14 Power Politics Society An Introduction to Political Sociology discusses how sociologists have organized the study of politics into conceptual frameworks and how each of these frameworks foster a sociological perspective on power and politics in society This includes discussing how these frameworks can be applied to understanding current issues and other real life aspects of politics The authors connect with students by engaging them in activities where they complete their own applications of theory hypothesis testing and forms of inquiry **Culture and Politics in the Information Age** Frank Webster,2002-01-04 This volume addresses these key issues through an analysis of important theoretical debates on issues such as digital democracy cultural politics and transnational communities Featuring contributors from both sides of the Atlantic the book contains a series of case studies on new social movements including campaigns on the environment gender animal rights and human rights It combines cutting edge research with theoretical material and makes an important contribution to this highly topical and rapidly growing area This book will be invaluable reading for students in areas including Politics Communications and IT Sociology and Cultural Studies **The State and Indigenous Movements** Keri E. Iyall Smith,2007-05-07 Using the comparative historical method this book looks at the experience of indigenous peoples specifically the Native Hawaiians showing how a nation can express culture and citizenship while seeking ways to attain greater sovereignty over territory culture and politics *Regional Development: Theory and Practice* Baleshwar Thakur,H.S. Sharma,Suresh Misra,S. Chattopadhyay,Surendra Singh,2017-01-01 The Five Volume Series on Regional Development Theory and Practice is a festschrift dedicated to Professor R P Misra a distinguished scholar widely recognized as one of the pioneers who initiated and promoted Regional Planning studies in India This five volume series with over one hundred research papers on different aspects of regional development is a fitting tribute to the scholar who spent much of his life time thinking researching and writing about development in general and regional development in particular These five volumes each dealing with a specific aspect of regional development Vol 1 Concept of Regional Development Vol 2 Measuring Development Vol 3 Development Patterns and Structures Vol 4 Development Policies and Vol 5 Development Challenges Each of the five volumes begins with an introduction which is unique in the sense that this is not merely an introduction to the contributions contained in the volume but also talks of the theory of regional development contemporary development in the discipline and the contrarian

views expressed by various academics and policy makers Another significant aspect of these introductions is the global view and a comparative scenario of the developed developing and under developed economies of the world that the editors have kept in view in a debate seeking an universal theory of regional development Regions are specifics and often unique and regional development implies focusing on the assets of the territory its potential and constraints *Gendered Agency in War and Peace* Maria O'Reilly,2017-11-03 This book examines how gendered agency emerges in peacebuilding contexts It develops a feminist critique of the international peacebuilding interventions through a study of transitional justice policies and practices implemented in Bosnia Herzegovina and local activists responses to official discourses surrounding them Extending Nancy Fraser s tripartite model of justice to peacebuilding contexts the book also advances notions of recognition redistribution and representation as crucial components of gender just peace It argues that recognising women as victims and survivors of conflict achieving a gender equitable distribution of material and symbolic resources and enabling women to participate as agents of transitional justice processes are all essential for transforming the structural inequalities that enable gender violence and discrimination to materialise before during and after conflict This study establishes a new avenue of analysis for understanding responses and resistances to international peacebuilding by offering a sustained engagement with feminist social and political theory Protest, Movements, and Dissent in the Social Sciences Giovanni A.

Travaglino,2017-10-02 Drawing on a wide range of social science disciplines and approaches each chapter in this book offers a comprehensive analysis of social protest political dissent and collective action The distinguished scholars contributing to the book discuss some of the key theoretical and methodological issues in social protest research and analyse recent instances of collective dissent around the globe ranging from the 15M movement in Spain to the 2011 Salford riots in the UK to Pro Palestinian activism in Jerusalem The result of these contributions is a sophisticated and multifaceted collection that enriches our understanding of why when and how groups of people decide to act collectively in order to pursue political change The book is a timely testament to the vitality of the field This book was originally published as a special issue of Contemporary Social Science **The Cultural Politics of Austerity** R. Bramall,2013-10-31 This timely book examines

austerity s conflicted meanings from austerity chic and anti austerity protest to economic and eco austerity Bramall s compelling text explores the presence and persuasiveness of the past developing a new approach to the historical in contemporary cultural politics **Party Responses to Social Movements** Daniela R. Piccio,2019-03-11 Across the West the explosion of social movement activity since the late 1960s has constituted a participatory revolution that has posed profound challenges for formal political parties Through an analysis of new interviews institutional documents and a host of other largely unexploited sources Daniela R Piccio provides a rich and empirically grounded exploration of the wide ranging responses to these movements Focusing on Italy and the Netherlands since the 1970s Party Responses to Social Movements demonstrates how political parties have incorporated the demands of movements to a surprising extent even as both have

grappled with fundamental and inevitable tensions between their respective roles and aims **Manuel Castells: From the informational city to the information age** Frank Webster, Basil Dimitriou, 2004 These volumes bring together major critical responses to and engagement with the work of Manuel Castells Arguably the leading analyst of the current age Castells magnum opus The Information Age has been compared to the work of Karl Marx and Max Weber His concept of the network society has influenced much recent social science and his ideas have been adopted in political and policy circles The volumes provide an unparalleled guide to the work of Castells They demonstrate the roots of his thinking in Marxism and the shifts in his perspective The selection is based along two principles the chronological development of his thought and the sequence of his major publications Included here are critical engagements with Castells work on the urban question the city and grassroots Marxism the Information Age the network society power and identity the new economy and the sociology of social movements Volume 1 Marxism France and The Urban Question to The City and the Grassroots This volume addresses Castells engagement with the study of urban social movements protest in urban politics collective consumption states markets and welfare urban sociology and class Volume 2 From the Informational City to the Information Age This volume examines the theorizing of new industrial urban space the dynamics of urban change the roots of the network society the failure of social theory resisting globalization the development of global thinking globalization and identity Volume 3 The Information Age This volume addresses the character of information technologies the political economy of network society inequality and modernization in the information age the self and the net space flows and timeless space contested power grassroots environmental movements cognitions emotions and identities digital commerce and technology and cultural power
