Readings In Modern Western Civilization Fourth Edition:

Readings for a History of Anthropological Theory, Fourth Edition Paul A. Erickson, Liam D. Murphy, 2013-04-21

This comprehensive anthology offers over 40 readings that are critical to the understanding of anthropological theory and the development of anthropology as an academic discipline. The fourth edition maintains a strong focus on the four field roots of the discipline in North America but has been reorganized with a new section on twenty first century theory including coverage of postcolonial and public anthropology. New key terms and introductions accompany each reading and a revamped glossary makes the book more student friendly. Used on its own or together with the overview text *A History of Anthropological Theory* Fourth Edition this anthology offers a flexible and unrivaled introduction to anthropological theory that reflects not only the history but also the changing nature of the discipline today.
