Wiersma,2019-02-01 The Bible can be hard to understand To many of us it often does seem like a crazy book But according to the authors of Crazy Book the crazy book we call the Bible actually teaches us the sanity that we need The sanity that lets us know who God is who we are in light of God s love and where God s love can be found and experienced Very similar in tone and organization to Crazy Talk the authors of Crazy Book unleash their passion faith and humor This time they have their sights on the Bible and biblical terms and they don t hold back Here they ve elected to focus on major people events places books and types of literature in the Bible communicating the life giving truth of the Bible via often knock em dead humor The volume s savvy and sassy overtones are bound to leave an impression This is an accessible book almost devoid of scholarly jargon but filled with scholarly insight The revised and expanded addition includes new and expanded entries and all new images     **THE COWBOY AND THE CALENDAR GIRL** Nancy Martin,2011-07-15 Opposites Attract 100% PURE COWBOY Ever since calendar publisher Carly Cortazzo had laid eyes on handsome Hank Fowler s photograph she d been dreaming about this rugged cowboy So she finally headed out to the Black Hills of South Dakota to meet him This tall lean mysterious rancher was even better in person And after spending one too many nights held safely in his strong arms Carly knew she d found the man of her dreams Problem was Hank wasn t quite who she thought he was Unexpectedly he d fallen hard for the pretty trusting romantic But once he told her the truth how could he convince her he was still the cowboy she wanted forever Can these opposites attract     **Billy Bob's Bible** Don Claybrook Ph.D.,2020-04-27 I am amazed at the unexpected dynamic that took hold once I decided that I would deploy a methodology that would allow events to be seen in the perspective of the Scriptures first listeners I wanted to get another perspective but never dreamed I would see things that I would never have seen had I been locked in to my limited perspective one that I had learned while growing up in a Christian home one that I had continued to develop in eight straight years of seminary culminating in three advanced degrees I will be forever thankful that the Lord led me to experiment with a new method for studying Scripture I am truly blessed I hope that you will be too Cover photo credit Don Claybrook Jr Painting by Don Claybrook Sr     *The Fourth Cup* Scott Hahn,2018-02-20 From the bestselling author of The Lamb s Supper comes an illuminating work on the Catholic Eucharist and its link to the Jewish Passover meal Read this book And don t just read it Pray about it Reflect on it And share it with others Brant Pitre author of The Case for Jesus In this brilliant book part memoir part detective story and part biblical study Scott Hahn opens up new vistas on ancient landscapes while shedding light on his own enduring faith journey The Fourth Cup not only tracks the author s gradual conversion along the path of Evangelicalism to the doorsteps of the Catholic faith but also explores the often obscure and misunderstood rituals of Passover and their importance in

foreshadowing salvation in Jesus Christ Revealing the story of his formative years as an often hot headed student and earnest seeker in search of answers to great biblical mysteries Hahn shows how his ardent exploration of the Bible's Old Testament turned up intriguing clues connecting the Last Supper and Christ's death on Calvary As Hahn tells the story of his discovery of the supreme importance of the Passover in God's plan of salvation we too experience often overlooked relationships between Abel Abraham and the Hebrews liberation from slavery in Egypt Along the way Hahn reveals how the traditional fourth cup of wine used in the concluding celebration of Passover explains in astonishing ways Christ's paschal sacrifice Rooted in Scripture and ingrained with lively history The Fourth Cup delivers a fascinating view of the bridges that span old and new covenants and celebrates the importance of the Jewish faith in understanding more fully Christ's life death and resurrection
