The High-Performing Real Estate Team Brian Icenhower, 2021-09-21 Transform your real estate business into a sales powerhouse In The High Performing Real Estate Team experienced real estate coach Brian Icenhower shares the systems and secrets of top real estate agents and brokerages The book offers actionable systems and processes that can be immediately implemented to take you your fellow agents and your team or brokerage to the next level Focusing on the 20% of activities that drive expansion this book shows you how to create renewed enthusiasm productivity engagement and exponential growth at your real estate team With this book you will Discover how to create a viral goal that spreads throughout your team and drives change Learn to focus on core activities

that result in the majority of your growth and productivity Cultivate personal responsibility with public accountability and accelerate growth with a custom team dashboard that measures metrics for success Written for real estate agents teams brokerages and franchise owners The High Performing Real Estate Team is an indispensable resource that will guide you toward growth while providing you with the resources and downloadable materials to reach your goals faster **On Track to Success in 30 Days** Carla Cross,1996 This book will provide seasoned agents with the tools and training they need to achieve maximum productivity Develop a personal winning style For any agent who wants to improve and make more money Dozens of worksheets exercises and self assessments identify weaknesses to eliminate This set is a book of 192 pages plus two audio tapes *Mastering Real Estate Principles* Gerald R. Cortesi,2001 Looking for a concise easy to read text on real estate principles You've found it Mastering Real Estate Principles now in its Third Edition offers you a unique interactive way to learn and really master real estate concepts *The Everything Guide To Being A Real Estate Agent* Shahri Masters,2006-04-17 If you're one of the millions of people considering a career in the potentially lucrative world of real estate The Everything Guide to Being a Real Estate Agent is the book you need to make it happen Seasoned real estate professional Shahri Masters shows you what it really takes to succeed in this competitive business including how to manage time clients and a business network for a fruitful career This how to guide covers it all from deciding to become a real estate agent to getting licensed to opening an agency Expert advice and real world examples provide the boost you need to hit the ground running Use this informative accessible guide to learn Whether selling real estate is the right career for you What you need to get started important information about training and licensing Ideas for marketing yourself and perfecting sales skills How to manage your finances and expand your business The Everything Guide to Being a Real Estate Agent will give you the professional edge you need to stand out in this exciting and growing field *Up and Running in 30 Days* Carla Cross,2001 The history of development is one marked by insecurities violence and persistent conflict It is not surprising therefore that development is now thought of as one of the central challenges of world politics However its complexities are often overlooked in scholarly analysis and among policy practitioners who tend to adopt a technocratic approach to the crisis of development and violence This book brings together a wide range of contributions aimed at investigating different aspects of the history of development and violence and its implications for contemporary efforts to consolidate the development security nexus From environmental concerns through vigilante citizenship to the legacies of armed conflicts during and after decolonization the different chapters reconstruct the contradictory history of development and critically engage contemporary responses and their implications for social and political analyses In examining violence and insecurity in relation to core organising principles of world politics the contributors engage the problems associated with the nation state and the inter state system and underlying assumptions of the promises of progress The book offers a range of perspectives on the contradictions of development and on how domination violence and resistance have been conceived At the same time it

exemplifies the relevance of alternative methodological and conceptual approaches to contemporary challenges of development This book was published as a special issue of Third World Quarterly

Business Plan Handbook Arthur Lämmle, 2020-05-08 The Business Plan Handbook serves as a guide to create a holistic and professional business plan The manual describes basic requirements on a business plan and guides the reader step by step during the elaboration The requirements are oriented around scientifically recognized methods dominant approaches in practice and the legislator As a result of the elaboration one receives a detailed assessment of the feasibility of a particular project
