Campbell,2009 **The Little Book of Real Estate Investing in Canada** Don R. Campbell,2013-01-16 Canada's bestselling author on real estate draws back the curtain on real estate investing Investing in real estate has often been viewed as the poor second cousin to the stock and bond markets The misperception that investing in real estate is somehow difficult has cost Canadians the opportunity to increase both the quality of and income from their investment portfolio To help provide a new perspective to Canadian investors Canada's bestselling real estate author speaks about his relationship with real estate as the asset that has consistently delivered value for himself and the Real Estate Investment Network community across the country Author Don R Campbell is Canada's most recognizable face in media on matters to do with real estate Offers readers a unique glimpse into Don R Campbell's views on real estate as an asset class the opportunities and challenges and the essential characteristics of a successful real estate investor People want to learn from the best Investors have no better role model than Don R Campbell either to be introduced to the world of real estate or to take away lessons that will embolden success Secrets of the Canadian Real Estate Cycle Don R. Campbell,Kieran Trass,Greg Head,2012-01-04 Canadian real estate investors often hear about real estate cycles yet very few people can describe what they are and how to actually use them to one's advantage The Canadian Investor's Guide to Secrets of the Real Estate Cycle will show Canadian investors the ins and outs of the various phases of the real estate cycle such as boom slump and recovery in order to equip them with the knowledge to make practical and informed decisions about their portfolios Written by Canada's top selling real estate investor and author Don Campbell and Kieran Trass a leading expert on real estate cycles the book will drill down into the various causes that affect real estate trends such as local and global economics population migration employment levels affordability of rental housing real estate listings and other factors to provide a scientific basis for assessing current trends and where those trends are heading Complete with charts checklists and real life stories The Canadian Investor's Guide to Secrets of the Real Estate Cycle will be an indispensable guide for all investors *The Real Estate Retirement Plan* Calum Ross,2017-02-25 Leveraging equity in a principal residence and using it wisely to purchase rental property is the solution to a safe secure retirement for millions of Canadians With examples and a detailed discussion of the principles and mechanics this book will demystify and make an irrefutable case for borrowing to invest Investing in Condominiums Brian Persaud,Randy Ramadhin,2011-11-08

A lot of information has been published for those who wish to buy a condo as a principal residence but not for investors who want to expand into the condominium market. Investing in condominiums is not about being caught up in the mass hysteria of lining up to buy a pre construction unit in a hot neighbourhood and hopefully flipping it at a profit when it's built. On the contrary, investing in condos can be a very good way to generate solid returns when done according to the proven strategies outlined in the book *Investing in Condominiums* will show readers the ins and outs of profitable condo investing by sticking to investing fundamentals, carrying out proper due diligence and having an exit plan. Pre construction condominiums especially in Toronto and Vancouver are sought after by both Canadian and international investors. The stable economy, low interest rate environment and appreciating values are a recipe for investor success. *Investing in Condominiums* gives Canadian investors the nuts and bolts of undertaking such an investment based on real life examples and expert knowledge. By reading this book the investor can proceed with full confidence knowing that they are asking the right questions, doing the math and assembling the right team of experts that will help them realize their investment goals.

81 Financial and Tax Tips for the Canadian Real Estate Investor Don R. Campbell, Navaz Murji, George Dube, 2010-05-18. Keeping your books in order and your taxes minimized are crucial elements for profitable real estate investing and it's vital for real estate investors to take an active role in their administration. *81 Financial and Tax Tips for the Canadian Real Estate Investor* offers clear direction and applicable examples to unravel these often complex issues that are key to maximizing your revenue and reducing your taxes. This isn't a guide to tax evasion or dodgy accounting. This is a guide to understanding the limitations, requirements and benefits of the Canadian system and making sure that they work for you, the investor and not against you. Different forms of property ownership and property type bring with them variations in how they must be accounted for in your books and the taxation rules associated with them. These differences are not the responsibility of your accountant or lawyer; they're yours.

81 Financial and Tax Tips for the Canadian Real Estate Investor is an accessible guide to tax and accounting and how these concerns intersect with your real estate investments. If you're serious about your real estate investments, *81 Financial and Tax Tips for the Canadian Real Estate Investor* is a vital resource that will help you maximize your revenue and keep more of that money in your bank account.

When the Bubble Bursts Hilliard MacBeth, 2015-03-21. Starting in 2008, investors upset by the stock market collapse started to see real estate as a safe haven investment. While talking with numerous clients, investment manager Hilliard MacBeth realized that Canadians have far too much of their investment capital and savings tied up in expensive real estate when better opportunities are about to appear in other asset classes. He argues that Canada is in the midst of a real estate bubble and there will soon be a crash in house prices. What can Canadians do to be prepared financially for retirement and to take advantage of the once in a lifetime buying opportunity that will follow the bubble bursting? All these answers can be found in *When the Bubble Bursts*.
