Bruce Wells,2007-03-16 Finally there s a book that uses sound rightly divided doctrine and wisdom to answer all your tithing questions No longer will you have to rely on opinions clich s wishful thinking passed down deceptions legalism or plain ole foolishness just to know what is required of you and where you stand with God The Bible is very clear for those who want to know All of your questions are thoroughly answered in THE GREAT TITHING DEBATE The huge list of tithing questions compiled over years of waiting for tithing to finally work hinges on an exhaustive knowledge or lack thereof concerning exactly what Jesus fully accomplished at the cross When the reality of redemption is properly understood most questions disappear and the once shaky believer finds that not only is he now standing on solid rock but has actually become part of that rock When redemption is fully understood one realizes that the act of tithing to open heaven or provide anything that Jesus freely gave at the cross is actually an insult to the suffering He endured at the cross Yes tithing worked in the Old Covenant as a part of the total Law but has absolutely no place in the New Covenant that provides everything Romans 8 32 through the blood of Christ Peter counted such teaching as tempting the Holy Spirit in Acts 15 Paul obviously had the same opinion in most of his writings for those who will read them without wearing their tithing glasses We may call it an act of faith obedience doing the Word good stewardship or what ever we want but at the end of the day it is nothing more than an obsolete Old Testament ordinance that will only frustrate the grace of God as Paul taught in Galatians As circumcision became nothing under the NT likewise tithing is no longer obligatory Wouldn t it be wonderful to actually have your prayers easily answered because of Jesus finished work and the Name He gave us to use Would you like to know that God is going to say yes to His promises without you having to wonder if all your church ducks are in a row And finally wouldn t it be nice to have a royal ring put on your finger a kingly robe put on

your back and a big hug of approval without having to sleep in the bunk house as a servant until it's decided that you can be trusted. So this is a book about salvation, something that the church seems to know little about. Beyond forgiveness of sins, today's church seems to be unaware and uninterested in understanding redemption. This vacuum has left us open to a myriad of opinions, questionable doctrines, and even deception. This book endeavors to fill some of that vacuum. You should get a copy and explore the possibilities of the complete redemption that God intended for us to enjoy. Examine the free preview below and taste and see that the Lord is good, even much better than we've been taught. Hopefully, pride, a rampant byproduct of legalism and performance, won't keep you from hearing. Maybe you're still teachable and open to God's leading, even if you're already pretty sure you have a good understanding of the duties required of a genuine Christian. **DO YOU KNOW THAT Malachi was**

Real estate investing has long been an investment alternative for many people over the years. But most people don't know how to get started in real estate. Everything you ever wanted to know to stop foreclosure.....but were afraid to ask, *Rules of the Lending Game* Stuart Wemyss, 2022-01-01 Investing in property is the largest single financial transaction anyone will make. Property buyers usually concentrate their research on online search engines, looking at glossy photos of beautifully staged homes. Instead, they would be better off working out how much they will need to borrow, how they should structure their loan, and who would be the best lender. Author and personal finance expert Stuart Wemyss admits that finding the right loan is a bit like a game of snakes and ladders. You run up the ladder when you think you've found the lowest interest rate, only to slide down the snake when you realise the fees are high and conditions are stringent. Interest is the single largest lifetime expense for investors, says Stuart. The amount of borrowings investors carry affects their net worth and their cash flow, and can make or break their retirement goals. Getting their borrowing right and structuring their investments correctly can save a considerable amount of money, often thousands of dollars per year. To make sure you get your borrowing right, Stuart explains the Rules of the Lending Game in this fascinating book. It contains invaluable information on choosing the right loan products, calculating how much to borrow, and how to reduce the overall cost. Structuring loans to manage cash flow and create wealth, making the most of your equity. *Real Estate Development Strategy for Investors* Ron Forlee, 2022-07-05 In an ultra-competitive real estate market, what differentiates the truly successful real estate developers
