Transparency Johnathan Horsley, 2022-08-19 I did not write this book to magnify any racial agenda Rather the purpose of my penmanship was to find a way to mend us These invisible barriers have left us divided and conflicted but my actions are

truly altruistic Because of my orientation I can write about the experiences of a Black man And this club is full of spades We ve been dealt a Black hand But my heart is that diamond in the rough that will speak up to say Enough is enough Not just speaking out against systemic oppression but boldly praying for mutual progression I want love to conquer every battlefield known to man I don t care who s down in front of me I will gladly extend my hand And if I m ever called to duty I want to embrace the war zone with the same love that created the earth the same love that granted my Savior s birth the same love that gave life to a barren womb the same love that walked out that tomb the same love dangled on that cross and the same love that found me when I was lost I can only dream to love like that That s a love that doesn t lack That s a love that isn t Black or White or any of those colors in between No that love is not green or greener on the other side That love is clear and unconditional right where you reside It only requires that you open your eyes and put all those differences aside See it s only one image that we were created in There is not much difference about us Save the skin Like a Lycan of the underworld I will metaphorically tear away this flesh I will break down these walls till there s not a single brick left I will continue my pursuit of happiness as I search for the locksmith that can remove these seven pounds of chains from each extremity We ve got it all wrong there s only one enemy This battle of flesh and blood and the damage it does is all for naught Walking around with a cold shoulder just to end up somewhere hot I pray to see a smile on every face that I am blessed to come in contact with no matter the color it may be We are all one and the same and that s something I hope this book will help you see 52      **Inside**

**Adolf Hitler - European Tour** Ian Tinny, Dead Writers Club, Micky Barnett, Rex Curry, Adolf Hitler's European tour started with small gigs in German beer halls. It grew to sold out crowds of worshipful fans raising their arms and chanting in adulation. They came for his hypnotic voice and signature mustache, outrageous costumes, rituals and symbols. From there Hitler's band took Europe by storm with a swift series of top hits. This book exposes the dark side of Hitler. His plagiarism from earlier inspirations far beyond Germany, some deep inside the USA. The USA was the origin of Nazi salutes and Fascist behavior through the work of an American socialist, Francis Bellamy, author of the USA's Pledge of Allegiance to the Flag. The American Nazi salute was often performed by public officials in the USA from 1892 through 1942. What happened to old photographs and films of the American Nazi salute performed by federal, state, county and local officials? Those photos and films are rare because people don't want to know the truth about the government's past. American youth groups, Scouting, adopted Bellamy's American Nazi salute AND saluted swastika badges worn by fellow scouts. Many Americans were accustomed to Nazi salutes for swastikas long before German socialism adopted similar behavior under Hitler. That helps to explain another shocking revelation: swastikas were worn by American soldiers before Hitler did it. There are photos in the book. The military salute was the origin of Nazi salutes via the USA's flag pledge in government schools. Public officials in the USA who preceded the German socialist Hitler and the Italian socialist Mussolini were sources for the stiff armed salute and brainwashed chanting in those countries and other foreign countries, influencing the worst reprobates, including these other socialists: Joseph Stalin, Vladimir Lenin, Mao Zedong, Adolf Hitler, Pol Pot, Kim Il sung, Ho Chi Minh, Karl Marx, Leon Trotsky, Kim Jong il, Benito Mussolini, Kim Jong un, Fidel Castro, Che Guevara and more. They showed that killing socialists is trademark socialism. Millions died. Yet the world's worst killers escaped justice and many continue to be glorified as great leaders. Bernie Sanders self-identifies the same as Hitler. SOCIALIST Alexandria Ocasio Cortez self-identifies the same as Hitler. SOCIALIST. So do their fans. Hitler and his supporters did not call themselves Nazi nor Fascist. Socialism was touted by the very word in voluminous speeches and writings by the socialists: Hitler, Stalin, Mao, Pol Pot, the Kim thugs etc. Soviet socialism joined German socialism to launch the socialist war WWII, invading Poland etc. It led to socialism's many genocides. Who was worst: Stalin, Mao or Hitler? Stalin shares guilt for genocides of Mao, Hitler himself and Pol Pot and the Kim thugs and other socialists. German socialism and Soviet socialism joined to launch the socialist war WWII, invading Poland and going onward. Stalin assisted Mao. It led to genocide under many other socialists. The importance of this book cannot be overstated. It is a microcosm of the amorality of what remains of world socialism. It shines a floodlight on the ethical vacuum that is collectivism and its overlords. America is following them into that hell. Author Ian Tinny provides eye-popping revelations from the

**The Silence of Swastika** Swastika Singh, Dead Writers Club, Lin Xun, The swastika is silent But it has so much to say The symbol s many secrets were revealed by the world renowned historian Dr Rex Curry referenced inside Dr Curry s work is endorsed in The Silence of Swastika a video documentary produced by AKTK in India The lead reporter confirmed Dr Curry s discovery stating It is also claimed that one of the reasons for choosing this symbol was the S in Hitler s party name National Socialist which is not unreasonable it is in Hitler s own book at 30 30 The documentarians learned about the swastika from educational outreach programs about Dr Curry s academic achievements They learned that Hitler didn t call his symbol a swastika He called it a Hakenkreuz hooked cross because it was a type of cross from the Christian religion The documentary is a massive adoption and rehashing

of Dr Curry s earlier work The video documentary was produced before Dr Curry s latest jaw dropping revelation and that is unfortunate In 2022 Dr Curry discovered the reason why Hitler renamed his political party the DAP to NSDAP National Socialist German Workers Party REASON because Hitler needed the word SOCIALIST in his party s name so that Hitler could use swastikas as S letter shaped logos for SOCIALIST as the party s emblem It is important to note that Hitler didn t rename his party the National Christian German Workers Party nor the Christian Socialist German Workers Party Here are some of the many secrets revealed about the swastika 1 NEW SWASTIKA DISCOVERY The swastika is the reason why Hitler renamed his political party from DAP to NSDAP National Socialist German Workers Party because he needed the word Socialist in his party s name so that Hitler could use swastikas as S letter shaped logos for SOCIALIST as the party s emblem The party s name had to fit in Hitler s socialist branding campaign that used the swastika and many other similar alphabetical symbols including the SS and SA and NSV and VW etc He was selling socialism by selling flags and related merchandise It resembled the advertising campaign of the American socialist Francis Bellamy The new discovery part includes the fact that the public doesn t know that Hitler s use of the swastika as alphabetical symbolism is a reason why he changed the name of the party adding the word socialist The new discovery is also that it is additional proof that Hitler employed the swastika as alphabetical symbolism of S letter shapes for his socialism The discoveries are from the historian Dr Rex Curry s work 2 NEW LENIN S SWASTIKA REVELATION Vladimir Lenin s swastika is exposed herein The impact of Lenin s swastikas was reinforced at that time with additional swastikas on ruble money paper currency The swastika became a symbol of socialism under Lenin It s influence upon Adolf Hitler is explained in this book 3 Hitler altered his own signature to reflect his S shapes for socialism logo branding 4 Hitler never used the word swastika in his life The term swastika never appears in the original Mein Kampf 5 Hitler and his supporters self identified as socialists by the very word in voluminous speeches and writings The term Socialist appears throughout Hitler s book Mein Kampf as a self description by Hitler 6 Hitler never called himself a Nazi There was no Nazi Germany There was no Nazi Party Those terms are slang to hide how Hitler and his comrades self identified SOCIALIST 7 Hitler never called himself a Fascist That term is misused to hide how Hitler and his comrades self identified SOCIALIST 8 The term Nazi isn t in Mein Kampf nor in Triumph of the Will 9 The term Fascist never appears in Mein Kampf as a self description by Hitler 10 Soviet socialists and German socialists partnered for International Socialism in 1939 They launched WWII invading Poland together and continued onward from there killing millions Soviet socialism had signed on for Hitler s Holocaust 11 After Hitler s death Stalin continued the plan he had made with Hitler for Global Socialism Stalin took over the same areas that Hitler had captured He used the same facilities that Hitler had used Hitler s Holocaust never ended Stalin replaced Hitler 12 Nazi salutes and Nazi behavior originated in the USA from the Pledge of Allegiance to the Flag The pledge was written by an American National Socialist named Francis Bellamy Francis Bellamy was the cousin of Edward Bellamy another infamous American National Socialist They worked together to promote their dogma in

the USA 13 The classic military salute to the brow also contributed to the creation of the Nazi salute with the right arm extended stiffly 14 The Bellamy cousins promoted socialist schools that imposed segregation by law and taught racism as official policy 15 Mussolini was a long time socialist leader with a socialist background raised by socialists to be a socialist and he joined socialists known as fascio fasci and fascisti 16 Fascism came from a socialist e g Mussolini Communism came from a socialist e g Marx Fascism and Communism came from socialists      *Extraordinary Popular Delusions and the Madness of Crowds* Ian Tinny, Micky Barnetti, Pointer Institute, Dead Writers Club, Rex Curry, 2017-12-22 Delusions are exposed to reveal the following The Nazi salute was performed by public officials in the USA from 1892 through 1942 What happened to old photographs and films of the American Nazi salute performed by federal state county and local officials Those photos and films are rare because people don't want to know the truth about the government's past Public officials in the USA who preceded the German socialist Hitler and the Italian socialist Mussolini were sources for the stiff armed salute and robotic chanting in those countries and other foreign countries Explore how the ancient Roman salute myth originated from the city of Rome in the state of New York not Italy Francis Bellamy's hometown Learn about Mussolini's strange gift to the city of Rome NY a statue of two human male infants suckling on a female wolf That statue remains on display in Rome NY See how Boy Scouts and Girl Scouts helped spread the Nazi salute and the swastika to Germany and elsewhere Discover how Stalin was forced to involuntarily join the allies during WWII Learn how the word fascist is related to the word faggot Discover how the military salute was the origin of the Nazi salute Read why the Pledge of Allegiance would not be performed by anyone today other than kooks if the truth were taught in school Find out who you are what you are and how you got to be that way Also learn who you should blame your teacher and the government's schools Debunk myths about Adolf Hitler Joseph Stalin Vladimir Lenin Mao Zedong Francis Bellamy and his cousin Edward Bellamy Fascism Unionism Socialism genocide swastikas the Pledge of Allegiance to the flag the cliché under God Christianity modern crusades ancient Rome military socialism Sovietology crony socialism and the military socialism complex *Extraordinary Popular Delusions and the Madness of Crowds* Today is long awaited There is an inferior book from 1841 by author Charles Mackay that is outdated Mackay's book contains nothing on the 20th century nor the 21st century nor the last half of the 19th century This book provides the latest information The author Ian Tinny brings the newest delusions and madness that are here for you today So let your freak flag fly The Pointer Institute proudly presents another news breaking volume from Ian Tinny and the Dead Writers Club DWC Much of the madness is illuminated from the work of the historian Dr Rex Curry Tinny is a philologist and a forensic fraud analyst Tinny's work led to the arrest trial conviction and imprisonment of America's Dumbest Criminals and the foreclosure of their homes along with victim restitution liens and criminal forfeiture judgments in amounts totaling millions of dollars Tinny collaborates with the legendary Dead Writer's Club DWC an author's group and assists the Pointer Institute for Media Studies to provide remedial education to journalists about history economics and government

*HITLER'S SOCIALIST SYMBOLS - NSV, SA, SS, VW & Swastikas & Bellamy Salutes from USA Socialists \ Dr. Rex Curry*

Victorious Jake Chambers, Karl Grosskreutz, Soviet Writers Union, Hitler socialist artist and the top graphic designer of all time His flag symbol represented S shapes for SOCIALISM That is one of many amazing discoveries by Professor Rex Curry This book reveals Dr Curry s surprises about Adolf Hitler s socialist symbolism including 1 Hitler s socialist salute from USA socialists and their flag Pledge 2 Hitler s socialist vocabulary 3 logos for NSV SA SS VW Hitler s flag and his other socialist emblems As socialism s top ad man the creative genius pioneered public relations In his German version of Mad Men Hitler revealed how to sell socialism and sell himself Other historians were unable to discover Hitler s socialist symbolism and branding This book exposes many other examples of ongoing American Brainwashing and Global Brainwashing that is maintained by Web Search Engines Artificial Intelligence AI the MSM historians and by socialist schools government schools and universities Modern political debates often describe only two opposing alternatives as Nazis versus Communists The description is a hoax the words Nazis and Communist divert attention from the larger shared problem of Socialism Most scholars believed mistakenly that Hitler called his group Nazis and Fascists they were ignorant of how Hitler self identified SOCIALIST They hid in their ivory towers of Babel Scholars suffered the fate of Echo in Greek mythology forever forced to repeat the falsehoods they heard Ignorant of Hitler s diction they spoke the language of lies Then historians learned about Dr Curry s academic breakthroughs For years Dr Curry was a modern day Cassandra He uttered prophetic truths that were ignored by professional liars in academia and media The famed linguist was the only scholar who eschewed popular linguistic misnomers e g Nazi Fascist Third Reich swastika etc He taught accurate terminology e g SOCIALISM and SOCIALIST and Hooked Cross or Hakenkreuz Dr Curry inspired the academic battle to bring honesty and linguistic accuracy to the field of history Please join the fight against anti semantic teachers Educational Outreach Programs EOPs energized by Dr Curry s successes are the only services that school modern scholars that Hitler self identified as Socialist He did not self identify as Nazi nor as Fascist The re education resources are unique If you ever see a sentence like the following one then you know it was from EOPs for Dr Curry s philosemantic scholarship Hitler didn t call himself Nazi or Fascist he called himself socialist Today Dr Curry is a trailblazer in linguistics and about Hitler s nomenclature The watchdog historian brought revolutionary changes to the English language He is rewiring brains He is opening eyes to old lies about German socialism s true lexicon More and more commentators and educators are following Dr Curry s lead Linguistic EOPs above led to many amazing historical discoveries including revelations about Sophie Scholl s White Rose group Anne Frank s Diary Joseph Goebbels Der Nazi Sozi Adolf Hitler s Mein Kampf Martin Niemoller s verse First They Came For the Socialists the swastika symbol the hexagram Star of David the etymological history of Roman Salute planetary brainwashing how Web Search Engines and Artificial Intelligence AI spew lies about socialism Marx Mein Kampf and Hitler and much more Except for the American Linguist Laureate Dr Rex Curry every other historian did not see how the USA s Pledge of Allegiance led to Nazi salutes and

Christina Antioch, Etienne de la Boetie<sup>2</sup>, Libertarian Book Club, Almost everyone including every scholar refers to Hitler as Nazi or Fascist and not Socialist Educational Outreach Programs EOPs inspired by Dr Rex Curry's work are the only services that inform ignorant scholars that Hitler self-identified as Socialist He did not self-identify as Nazi nor as Fascist No one else provides this vital public awareness So if you ever see a sentence like the following one then you know it was from EOPs for Dr Curry's work Hitler didn't call himself Nazi or Fascist he called himself socialist The linguistic EOPs above led to many amazing historical discoveries including revelations about Anne Frank's Diary Adolf Hitler's Mein Kampf Sophie Scholl's White Rose group Joseph Goebbels Der Nazi Sozi Martin Niemöller's verse First They Came For the Socialists the swastika symbol the hexagram Star of David and much more Except for the American Historian Laureate Dr Rex Curry every other historian did not see how the USA's Pledge of Allegiance led to Nazi salutes and Nazi behavior and how the original pledge's use of the military salute led to the Nazi salute Also historians did not see the similar symbolism of Adolf Hitler's NSV SA and SS logos as compared with the logo of Hitler's party the National Socialist German Workers Party Even today only exceptional scholars with extraordinary skills e.g. Dr Curry are able to discern the S letter shape of the NSV logo The National Socialist People's Welfare in German Nationalsozialistische Volkswohlfahrt The S symbolism is almost as difficult to perceive as in Hitler's Hakenkreuz hooked cross It is as undetectable as in the symbols for the SS and SA Schutzstaffel and Sturmabteilung All historians did not see other than Dr Curry how Hitler used his party's symbol to represent S letter shapes for SOCIALIST Do you not see Professor Curry transformed the culture of India along with Hinduism and Buddhism Before Dr Curry's discoveries Buddhists and Hindus published complaints that Hitler stole their swastika symbol and ruined it and they want to restore respect for their ancient symbol Educational Outreach Programs EOP about Dr Curry's work taught India's commentators that Hitler's symbol was not a swastika and that Hitler never called it a
