*Reading for Real* Kathy Collins, 2008 Just as adults join clubs to share and talk about common interests reading clubs allow kids to immerse themselves in topics and ideas they care about whether it's turtles fairy tales a beloved author a favorite new series or the desire to get better at reading aloud to a baby brother or sister While they are reading and talking about their interests and passions students in reading clubs are also orchestrating all of the reading skills and strategies they've learned and applying them in real life ways While Kathy presents ideas for implementing reading clubs during reading workshop in a balanced literacy framework the information she provides will be helpful for any teacher who wants to foster the joy of reading by offering students support and opportunities to read for authentic purposes and to have conversations about topics that interest and engage them After all we don't just want kids to learn to read we want them to love to read
