□ **Past and Present** Friedrich Ungerer,2000-12-04 This book is among the first to combine a historical view of media texts with a critical look at their textual diversity today The thirteen chapters cover corpora of early news papers and pamphlets present day news stories and commentaries TV talk shows and commercials as well as internet presentations The studies focus on the wide range of text types in 18th century newspapers and the interpersonal strategies of pamphlets they pursue the development of the persuasive potential of headlines and advertisements right down to the sophisticated postmodernist and multilingual examples of today Other topics are the definition and structure of news stories and commentaries the interpersonal and multi modal aspects of talkshows and more radically the questioning of the journalist s role in the age of the internet Generally the stress is on the attention getting side of media texts rather than on the manipulative qualities investigated by critical discourse analysis

What Would the Spice Girls Do? Lauren Bravo,2018-10-18 The perfect gift for the Spice Girls fan in your life Lauren Bravo is one of my very favourite writers Dolly Alderton A joyous and energetic celebration of girlhood friendship and pop culture If you have ever sung into the lid of a can of Impulse body spray you need to read this Daisy Buchanan The words girl power conjure vivid memories of short skirts and platform boots But it wasn t just about the look it was about feminism The Spice Girls gave a generation their first glimpse of the power of friendship of staying true to yourself of sheer bloody mindedness And the girl power generation went on to kick start a new conversation around gender equality We may have grown up asking What Would the Spice Girls Do but their particular brand of feminism is as relevant today as it was twenty years ago we still need that fun and fearlessness we still need accessible and all embracing equality we still need a zig a zag ah The Spice Girls arrival on the pop scene marked the gateway to a modern form of feminism all dressed up as a riotously good time Stylist As featured in Elle magazine s Best Feminist Gift Books

*Screening Generation X* Christina Lee,2016-04-01 *Screening Generation X* The Politics and Popular Memory of Youth in Contemporary Cinema examines popular representations of Generation X in American and British film In arguing that the various constructions of youth are marked by major cultural shifts and societal inequalities it analyzes the iconic Gen X figures ranging from the slacker the teenage time traveller and third wave feminists to the oeuvre of Molly Ringwald and Richard Linklater This book explores the important cultural work performed by films that mediate the experiences of Generation X and critiques the ongoing marginalization of the youth who struggle to find their identity and a voice in increasingly unstable times Specific analyses of such films as Pump Up the Volume The Breakfast Club Heathers Donnie Darko and Waking Life are used to illustrate the research

ultimate expression of global media fame in the Nineties      MY COLLECTION MAYBE YOURS! WHY WE MUST HAVE IT ALL Terry Wayne Brownlee,2019-05-15 What Do You Collect That depends on what demographic you belong to If you grew up in the 1960s and 1970s you are either a Trekkie or a Star Wars fan Or maybe you re more into Marvel or DC Universe Either way you know you were hooked into reliving the adventure For me I was there in the beginning as a baby boomer with all that was on TV music and movies It was all a good place to bring you back to all the thrill of your heroes and how one day you too can ride off into the sunset For me I did one better I got to act out a role just like my hero and do the very things they did With what you collect you buy movies music toys and anything connected with these treasured moments I am very sure what I collect is what people stored in their closets So sad I thought they should be sure what they collect to their friends and to the world For what your collect and are attracted to is part of a million no trillion dollar industry that grabs your attraction Here it begins my search on how we as baby boomers and generations beyond get caught up once in a never ending spend cycle that must be met as each decade unfolds as each generation get sucked into being duped and persuaded This would be the beginning of your spending habits You are very much targeted Many do not care I too get caught up in this friendship Difference is I care and dare to ask why Why do we need to collect so much So says I your friendly neighborhood self appointed baby boomer consumer advocate      **Listen to Pop!** James E.
