Rideau Heritage:

World Heritage, Tourism and Identity Laurent Bourdeau, Maria Gravari-Barbas, 2016-03-09 The remarkable success of the 1972 UNESCO Convention Concerning the Protection of World Cultural and Natural Heritage is borne out by the fact that nearly 1 000 properties have now been designated as possessing Outstanding Universal Value and recognition given to the imperative for their protection However the remarkable success of the Convention is not without its challenges and a key issue for many Sites relates to the touristic legacies of inscription For many sites inscription on the World Heritage List acts as a promotional device and the management challenge is one of protection conservation and dealing with increased numbers of tourists For other sites designation has not brought anticipated expansion in tourist numbers and associated investments What is clear is that tourism is now a central concern to the wide array of stakeholders involved with World Heritage Sites Rideau Heritage Deborah Anne Gordanier, 1982 The Routledge Research Companion to Planning and Culture Greg Young, 2016-03-23 It has become increasingly evident that effective planning for sustainable communities environments and economies pivots on the ability of planners to see the possibilities for culture in comprehensive social historical and environmental terms and to more fully engage with the cultural practices processes and theorisation that comprise a social formation More broadly an approach to planning theory and practice that is itself formed through a close engagement with culture is required This Research Companion brings together leading experts from around the world to map the contours of the relationship between planning and culture and to present these inextricably linked concepts and issues together in one place By examining significant trends in varying national and international contexts the contributors scrutinise the theories and practices of both planning and culture and explore not only their interface but significant divergences and tensions In doing so this collection provides the first comprehensive overview and analysis of planning and culture interdisciplinary and international in scope It is comprised of six parts organised around the themes of global and historical contexts key dimensions of planning and cultural theory and practice and cultural and planning dynamics Each section includes a final chapter that provides a case study lens which pulls the themes of the section together with reference to a significant planning issue or initiative The Heritage Tourist Experience Dallen J. Timothy, 2017-05-15 This three volume reference series provides an authoritative and comprehensive set of volumes collecting together the most influential articles and papers on tourism heritage and culture The papers have been selected and introduced by Dallen Timothy one of the leading international scholars in tourism research The second volume The Heritage Tourist Experience focuses on the nature of the heritage experience the demand for heritage and managing visitors and their experiences Sold individually and as a set this series will prove an essential reference work for scholars and students in geography tourism and heritage studies cultural studies and beyond **Canada rv road atlas 2025 - 2026** Bill Van Cross, 2025-07-04 Discover the freedom of the open road with the RV Atlas of Canada Your Ultimate Road Companion the first travel guide designed specifically for
