Rider Of Ruby Hills:

The Rider of the Ruby Hills Louis L'Amour, 2005-07-26 A WORD FROM LOUIS L AMOUR Almost four decades ago when my fiction was being published exclusively in pulp western magazines I wrote a number of novel length stories known back then as magazine novels In creating them I lived with my characters so closely that their lives were still as much a part of me as I was of them long after the issues in which they appeared went out of print Proud as I was of how I presented the characters and their adventures in the pages of the magazines I wanted to tell the reader more about my people and why they did what they did So over the years I revised and expanded these magazine works into novels that I published as full length paperbacks under different titles These particular early magazine versions of my books have long been a source of considerable speculation and curiosity among many of my readers so much so of late that now I ve decided to bring four of my magazine novels back into print in this latest volume of my short fiction I hope you enjoy them FEATURING Showdown Trail A Man Called Trent The Trail to Peach Meadow Canyon The Rider of the Ruby Hills
