### **Riders To The Sea The Merrill Literary Casebook Series:**

**J. M. Synge and the Western Mind** Weldon Thornton, 1979      Assessing the Achievement of J. M. Synge Alexander G. Gonzalez, 1996-11 Though J M Synge is considered a major figure of Irish drama and an important canonical playwright he is the subject of fewer and fewer books and conference sessions In this volume chapters by expert contributors confront the possibility that Synge's reputation may not be standing the test of time The chapters reaffirm the relevance of Synge's plays to contemporary audiences and readers and invite a reassessment of his apparently declining popularity Comparisons of Synge's work to that of other authors reinforce the argument in favor of his continuing relevance J M Synge is generally considered one of the most important Irish dramatists and his standing within the larger canon of world literature usually goes unchallenged But his reputation may not be standing the test of time A relative dearth of presentations on Synge's work at major national and international conferences and even at regional Irish studies conferences suggests that he is not studied as much as he once was especially relative to other Irish authors such as Joyce Yeats O Casey and even Paul Muldoon and Eavan Boland Tolerance for some of Synge's once hailed extravagance is also lessening among students of his drama The

expert contributors of this book demonstrate that Synge's work is of continuing relevance to contemporary audiences and readers. Each of its essays illuminates the worth of Synge's dramatic canon either by some form of reassessment of individual plays or by comparison of Synge's work to that of authors whose reputation is still indisputably well established such as Yeats or to that of contemporary authors whose work is much in the public eye such as Salman Rushdie. New approaches including a feminist study of the language of Synge's heroines also help establish the continued relevance of his drama to contemporary readers.

**J. M. Synge** Edward Halim Mikhail, 2015-12-22 *A Centenary Tribute to John Millington Synge, 1871-1909: Sunshine and the Moon's Delight* John Millington Synge, 1972 *J. M. Synge: a Bibliography of Published Criticism* Paul M. Levitt, 1974 Dr Levitt has set out to provide an exhaustive and detailed bibliography of the criticism of Synge's works published up to the end of 1969 although some material for 1970-71 has also been included. In collecting and systematically organizing these references he has made a major contribution to bibliography and provided an essential tool for students of Anglo-Irish writing. Criticism in books and periodicals is listed in the first part and in the second newspaper criticism is arranged under the place of publication of the newspaper giving the title of the article arranged chronologically by date and page number. A third and essential part of the book is the index which provides further ways of approach to the citations. The author is Professor of English at the University of Colorado.
