## **Riding The Tide Of Change Preparing For Personal Planetary Transformation:**

*Riding the Tide of Change* Martin F. Luthke, 2013-02 *Riding the Tide of Change* is a unique book as it covers both the metaphysical and physical aspects of preparing for the events often referred to as Earth changes. Unlike many of the metaphysically oriented books on Earth changes, *Riding the Tide of Change* avoids grand theories, sensationalism, or far out speculations. And unlike most of the disaster preparedness and survival books, it explains clearly that hoarding of food and survival gear is a futile endeavor if you neglect the inner work of opening, healing, and releasing. Based on a view of humans as above all spiritual beings, the author explains clearly and succinctly the metaphysical laws underlying the process of manifestation and healing. He outlines the role we play as co-creators and why the healing of ourselves and the planet are intricately interwoven. Dr. Luthke explains the stages of the transformation process and gives the reader tools to advance the inner work needed in preparation for a New Millennium. For those who wish to take practical steps towards preparing for the Earth changes, the appendix offers a comprehensive list of preparedness items and where to get them. Accessible yet profound, *Riding the Tide of Change* offers a message of hope and empowerment.
