Riding the Wave Inside Out Anita Allison, 2006-09 Life is a complicated process It begins with having to completely rely on and trust in another s beliefs ideas and decisions By the time we first wonder for ourselves we may find that we are already bound by someone else s expectations desires and dreams which in itself may lead us to live lives of compromise and unfulfilled hopes The lives we live the roads we travel and the way our paths unfold are for us to shape and direct in our experiences and in the dreams we choose to pursue Author Anita Allison offers insight and support through the teachings in riding the wave inside out to help us realize what we need to understand and do to ensure that the paths we choose and the choices we make will enable us to create the best life possible The ideas and thoughts she shares in riding the wave inside out serve as reminders of all the simple truths in life These concepts act as guides to living in the moment with joy appreciation and a sound purpose

these top competitors share giving readers the rare opportunity to see how even the best of the best are human too The way riders develop confidence in their equestrian lives is transferable to everything they do a confident rider can be a confident business person confident worker confident spouse confident parent and confident friend In this way Ride Big instills a skill of worth and promise that extends far beyond the show ring
