Down the Dark Streets William W. Johnstone, J.A. Johnstone, 2022-04-26 From bestselling authors William W and J A Johnstone comes an all too plausible narrative of how far greed can go as a shocking wave of mass evictions triggers a national crisis a media meltdown and all out war THIS IS NOT THE AMERICA WE LOVE From coast to coast American families are losing their homes Evicted with little notice and tossed into the streets by predatory bankers landlords and real estate developers these once proud homeowners have invested their lives in the American Dream only to see it turn into a nightmare But one tightknit community is fighting back They've decided to stand their ground defend their homes and fight the power with firepower THIS IS WAR Enter Joseph Knox a military veteran whose parents have been targeted in an illegal scheme to turn their quiet but slightly rundown neighborhood into luxury condos The man behind the project has the backing of greedy investors sleazy lawyers and a corrupt police force But the Knox family has backing too a makeshift army of real Americans who refuse to surrender With some last minute training from Joe Knox and his brother John and a small arsenal of weapons this ragtag team of senior citizens will do whatever it takes to save their homes Even kill if they have to *Serial Vigilantes of Paperback Fiction* Bradley Mengel, 2009-10-21 Rough justice has often been served in the pages of serial novels notably beginning with Don Pendleton's *The Executioner* in 1969 This is the first overview of the serial vigilante genre which featured such hard boiled protagonists as Nick Carter Mark Stone Jake Brand and Able Team among the 130 series that followed Pendleton's novel Serial vigilantes repeatedly take the law into their own hands establishing and imposing their own moral standards usually by force The book examines the connections between the serial vigilante and the pulp hero that preceded him and how the serial vigilante has influenced a variety of tough guys private eyes spies and cops in different media A complete bibliography for each series is featured **Books Out Loud** ,2004 **Words on Cassette**, 2002 R R

to a time when the P rus practiced sacred rituals engaging in sacrifices imbued with deep spirituality At the heart of these ceremonies an intoxicating drink made from an entheogenic plant weaved a sacred link between the material and the divine This mystical potion consumed during these rituals opened the doors to immortality allowing initiates to explore the celestial dimensions of existence Thus the Rig Veda becomes not only the guardian of the ancestral stories of the P rus but also a window open to transcendence where the boundaries between the earthly and the celestial fade in the timeless quest of the human soul These ancient texts rich in metaphor and symbolism reveal the timeless beauty that resides in spiritual seeking a beauty that transcends time and continues to illuminate our understanding of the divine and immortality **Magill's**
