Wallace,2012 A fresh and moving portrait of Jesus as a

model for how to live more authentic honest and meaningful lives by fully experiencing our emotions in the love of God Many depictions of Jesus show him as a character who coolly and calmly floats above the grit and grime of human existence He doesn't hurt he doesn't fear he doesn't laugh and most tragically he doesn't love very passionately He seems not to feel at all But a closer look at the Bible reveals something surprisingly different In this eye opening spiritual study Peter Wallace examines Jesus's actions rather than just his teachings to uncover a passionate figure who was involved present connected honest and direct with others He was one who was deeply moved as the writer of John's gospel put it one who knew and embodied the emotions he felt and expressed them in honest clear and life giving ways Through Wallace's deeply personal insights and compelling stories and examples you will be encouraged to model this passionate Jesus by building personal authenticity in every area of your own life particularly in your self acceptance and self expression your relationships with others and above all your relationship with God

Jesus Christ: His Times, Life, and Work Edmond Déhault de Pressensé, 1868

Jesus Christ: his life and work, tr. [from Vie de Jésus-Christ, an abridged ed. of Jésus-Christ, son temps, sa vie, son œuvre] by A. Harwood Edmond Dehault de Pressensé, 1871

**Passionate Deification** Henry L. Novello, 2019-11-01 In the past the passions were regarded as sicknesses of the soul due to Adam's sin As the Redeemer Christ shares in our humanity and experiences the passions but given his divine status he quickly overcomes the passions by his superior reason as the Word In effect Christ is displayed as a Stoic sage who is unperturbed by the passions The book is critical of this traditional perspective for its inability to think of the Incarnation as the Word's real participation in our humanity Christ is not a Stoic sage who displays an uninvolved holiness but the Word become flesh who displays an astonishing breadth and intensity of emotional life which reveals what it means for the fullness of divinity to dwell bodily in him Reformed theology moved beyond the traditional perspective in affirming the strong emotions of Christ as proof of his humanity but Christ's divinity was given insufficient attention The book proposes a complex view of Christ's emotions which are regarded not merely as proof of his humanity but reveal the personal attributes of divinity communicated to his humanity To observe Christ's emotions is to witness the mutual interaction of humanity and divinity in his person which accomplishes our salvation deification To imitate Christ then means that Christ's emotions become the emotions of his followers so that by seeing as God sees and feeling as God feels they go forth in obedience to Christ's commandment to love

one another as he has loved us which is to live the way of the cross for the sake of the ongoing embodiment of God in the world

Warren Shipton draws from the imagery and teachings of Hebrews Revelation and other New Testament passages with help from scholarly sources and history to shed light on the sanctuary as depicted in the books of Moses the prophets and the Psalms His aim is to assist the reader in better understanding and appreciating God's means of dealing with the sin problem through Jesus sacrifice on earth and ministry as High Priest in heaven revealing God's character of love mercy and justice and the spiritual connections between the teachings of the sanctuary the concept of the great controversy and other major biblical teachings The book is a primer for the newcomer to the topic of the sanctuary as well as a resource for the seasoned student If you want to know more about Jesus and how the Old Testament sanctuary points forward to what He did for humankind in dying on the cross and what He continues to do for us in heaven as our High Priest this book is for you
