*Opera in Theory and Practice, Image and Myth* Lorenzo Bianconi, Giorgio Pestelli, 2003-11 The History of Italian Opera marks the first time a team of scholars has worked together to investigate the entire Italian operatic tradition rather than limiting its focus to major composers and their masterworks Including both musicologists and historians of other arts the contributors approach opera not only as a distinctive musical genre but also as a form of extravagant theater and a complex social phenomenon This sixth volume in the series centers on the sociological and critical aspects of opera in Italy considering the art in the context of an Italian literary and cultural canon rarely revealed in English and American studies In its six chapters contributors survey critics changing attitudes toward opera over several centuries trace the evolution of formal conventions among librettists explore the historical relationships between opera and Italian literature and examine opera's place in Italian popular and national culture In perhaps the volume's most striking contribution German scholar Carl Dahlhaus offers his most important statement on the dramaturgy of opera      **The Book of World-famous Music** James J. **The New Grove Masters of Italian Opera** Philip Gossett, Friedrich Lippmann, Andrew Porter, 1983 These five biographies provide the first complete survey of Italian opera from the early buffo operas of Rossini to Verdi's great masterpieces *Otello* and *Falstaff* and the verismo operas of Puccini Andrew Porter has been highly praised for his original and enlightening account of Verdi and Philip Gossett has received similar acclaim for his treatment of Rossini Porter Gossett William Ashbrook Julian Budden Mosco Carner and Friedrich Lippmann all acknowledged experts in the field of Italian opera combine to offer insight into the traditions and workings of one of the most fascinating periods in the history of opera Book jacket      The Bookman's Index ,1923      **Printed Opera Scores in American Libraries** ,1998      **Rigoletto** ,1995-07 An Opera score composed by Giuseppe Verdi      **Divas and Scholars** Philip Gossett, 2024-05-31 Winner of the 2007 Otto Kinkeldey Award from the American Musicological Society and the 2007 Deems Taylor Award from the American Society of Composers Authors and Publishers *Divas and Scholars* is a dazzling and beguiling account of how opera comes to the stage filled with Philip Gossett's personal experiences of triumphant and even failed performances and suffused with his towering and tonic passion for music Writing as a fan a musician and a scholar Gossett the world's leading authority on the performance of Italian opera brings colorfully to life the problems and occasionally the scandals that attend the production of some of our most favorite operas Gossett begins by tracing the social history of nineteenth century Italian theaters in order

to explain the nature of the musical scores from which performers have long worked He then illuminates the often hidden but crucial negotiations opera scholars and opera conductors and performers What does it mean to talk about performing from a critical edition How does one determine what music to perform when multiple versions of an opera exist What are the implications of omitting passages from an opera in a performance In addition to vexing questions such as these Gossett also tackles issues of ornamentation and transposition in vocal style the matters of translation and adaptation and even aspects of stage direction and set design Throughout this extensive and passionate work Gossett enlivens his history with reports from his own experiences with major opera companies at venues ranging from the Metropolitan and Santa Fe operas to the Rossini Opera Festival at Pesaro The result is a book that will enthrall both aficionados of Italian opera and newcomers seeking a reliable introduction to it in all its incomparable grandeur and timeless allure     Classified Catalogue of the Carnegie Library of Pittsburgh Carnegie Library of Pittsburgh,1913     **Classified Catalogue of the Carnegie Library of Pittsburgh. 1907-1911** Carnegie Library of Pittsburgh,1913     Verdi's Opera Rigoletto Giuseppe Verdi,1860     Giuseppe Verdi Gregory Harwood,2012-05-04 This comprehensive research guide surveys the most significant published materials relating to Giuseppe Verdi This new edition includes research since the publication of the first edition in 1998     **An Index to Music in Selected Historical Anthologies of Western Art Music, Part 2** Mara Parker,2019-01-01 An Index to Music in Selected Historical Anthologies of Western Art Music is the essential reference for music history and music theory instructors for finding specific listings and details for all the pieces included in more than 140 anthologies published between 1931 and 2016 Containing over 5 000 individual listings this concise book is an indispensable tool for teaching music history and theory Since many anthologies exist in multiple editions this Index provides instructors students and researchers with the means to locate specific compositions in both print and online anthologies This book includes listings by composer and title as well as indexes of authors titles and first lines of text for music from antiquity through the early twenty first century
