**Rings Close to Regular** A.A. Tuganbaev, 2013-03-09 Preface All rings are assumed to be associative and except for nilrings and some stipulated cases to have nonzero identity elements A ring  $A$  is said to be regular if for every element  $a \in A$  there exists an element  $b \in A$  with  $aba = a$  Regular rings are well studied For example 163 and 350 are devoted to regular rings A ring  $A$  is said to be  $tr$  regular if for every element  $a \in A$  there is an element  $n \in A$  such that  $anba = a$  for some positive integer  $n$  A ring  $A$  is said to be strongly  $tr$  regular if for every  $a \in A$  there is a positive integer  $n$  with  $n \geq 1$  and  $a^n \in Aa$  It is proved in 128 that  $A$  is a strongly  $tr$  regular ring if and only if for every element  $a \in A$  there is a positive integer  $m$  with  $m \geq 1$  and  $a^m \in Aa$  Every strongly  $tr$  regular ring is  $tr$  regular 38 If  $F$  is a division ring and  $M$  is a right vector space with infinite basis  $e_i$  then  $End\ M$  is a regular and  $tr$  regular ring that is not strongly  $tr$  regular The factor ring of the ring of integers with respect to the ideal generated by the integer 4 is a strongly  $tr$  regular ring that is not regular *The Key to the Self* Marianne Meister, 2022-07-22 Our fate is NOT written in the stars as the popular form of interpreting horoscopes would like us to believe Instead a serious approach to astrology describes an individual's special dispositions and developmental possibilities that can be lived out in entirely different ways The experienced Jungian analyst and astrologist Marianne Meister connects this reputable astrological approach with the theories of C G Jung's Analytical Psychology In her Depth Psychological Astrology she works out the various basic patterns of the personality and makes it possible for readers to discover their own inclinations needs and potential This book shows that the experiential knowledge from astrology and depth psychology can be used like a roadmap as important help in orientation on the path of life **A Catalogue of Books Consisting of English Literature and Miscellanea** Elihu Dwight Church, 1909 **The Publishers Weekly**, 1905

**Petroleum Facts and Figures** American Petroleum Institute, 1941 **Publishers' circular and booksellers' record**, 1889 *The Good Life Chronicles* D. J.
