Elemental Brian Aldiss, 2006-05-16 The entire collection constitutes thought provoking entertainment for a good cause with all publisher and author profits earmarked for the Save the Children Tsunami Relief Fund Booklist In the winter of 2005 after the horrifying natural disaster of the tsunami in Southeast Asia Steve Savile and Alethea Kontis joined forces to raise money to help the distressed survivors and have created Elemental They solicited SF and fantasy stories all new and never published elsewhere from many of the top writers in the genres today and received immediate responses in the form of the excellent stories here in this book Elemental has an introduction by Arthur C Clarke and more than twenty stories by Jacqueline Carey Martha Wells Larry Niven Sherrilyn Kenyon writing as Kinley MacGregor

and a Dune story by Brian Herbert Kevin J Anderson and many others They created in Elemental one of the most important genre anthologies of the year but more than that in giving real value for the purchase price everyone who sells this book can be proud and everyone who buys it will be richly rewarded for supporting the tsunami relief effort **Scatterbrain** Larry Niven,2004-07-11 Another dazzling collection of fact fiction and wit from the Hugo and Nebula Award winning master of hard science fiction Larry Niven is the New York Times bestselling author of such classic science fiction novels as Ringworld and Destiny s Road His previous collection N Space was lauded by the Houston Post as outstanding hours of entertainment while Publishers Weekly called it a must for science fiction fans A follow up volume Playgrounds of the Mind was similarly praised by Kirkus Reviews An abundance of Niven s curious yet disciplined inventiveness and his fun filled knack for turning seemingly absurd notions into credible absorbing fiction Grand entertainment Now ten years later Scatterbrain collects an equally engaging assortment of Niven s latest work all in one captivating volume Here are choice excerpts from several of his most recent novels including his upcoming Ringworld s Child and Rainbow Mars as well as numerous short stories nonfiction articles interviews editorials collaborations and correspondence True to its title Scatterbrain roams all over a wide variety of fascinating topics featuring Niven s singular insights into everything from space stations to convention etiquette So give yourself a treat and feel free to pick the brain or Scatterbrain of one of modern science fiction s most fascinating thinkers

Scores John Clute,2016-11-24 For more than 50 years John Clute has been reviewing science fiction and fantasy As Scores demonstrates his devotion to the task of understanding the central literatures of our era has not slackened There are jokes in Scores and curses and tirades and apologies and riffs but every word of every review in the end is about how we understand the stories we tell about the world Following on from his two previous books of collected reviews Strokes and Look at the Evidence this book collects reviews from a wide variety of sources but mostly from Interzone the New York Review of Science Fiction and Science Fiction Weekly Where it has seemed possible to do so without distorting contemporary responses to books these reviews have been revised sometimes extensively 125 review articles over 200 books reviewed in more than 214 000 words **Burning Tower** Larry Niven,Jerry Pournelle,2006-12-01 Return to the vivid and unusual Kirkus Reviews world of Larry Niven and Jerry Pournelle s The Burning City where the fire god has retreated into myth leaving the residents of Tep s Town unprotected for the first time in their history Unfortunately a fiery fate isn t the only danger the town is facing From out of the desert come monsters great birds with blades instead of wings driven by some unknown force Although they can be killed the threat these terror birds pose is worse than death Danger on the roads means no trade No trade means that Tep s Town will be no more Sent by the Lords of Lordshills to discover the source of the terror birds Lord Sandry and his beloved Burning Tower must travel into a world where magic is still strong and where someone or something waits to destroy them Filled with the sweeping adventure memorable characters and imaginative world building that have defined the novels of Larry Niven and Jerry Pournelle Burning Tower is another triumph **The Burning City** Jerry

Pournelle, Larry Niven, 2010-12-14 Set in the world of Larry Niven's popular *The Magic Goes Away* *The Burning City* transports readers to an enchanted ancient city bearing a provocative resemblance to our own modern society Here Yagen Atep the volatile and voracious god of fire alternately protects and destroys the city's denizens In Tep's Town nothing can burn indoors and no fire can start except when the Burning comes upon the city Then the people possessed by Yagen Atep set their own town ablaze in a riotous orgy of destruction that often comes without warning Whandall Placehold has lived with the Burning all his life Fighting his way to adulthood in the mean but magical streets of the city's most blighted neighborhoods Whandall dreams of escaping the god's wrath to find a new and better life But his best hope for freedom may lie with Morth of Atlantis the enigmatic sorcerer who killed his father *Science Fiction Literature through History* Gary Westfahl, 2021-07-19 This book provides students and other interested readers with a comprehensive survey of science fiction history and numerous essays addressing major science fiction topics authors works and subgenres written by a distinguished scholar This encyclopedia deals with written science fiction in all of its forms not only novels and short stories but also mediums often ignored in other reference books such as plays poems comic books and graphic novels Some science fiction films television programs and video games are also mentioned particularly when they are relevant to written texts Its focus is on science fiction in the English language though due attention is given to international authors whose works have been frequently translated into English Since science fiction became a recognized genre and greatly expanded in the 20th century works published in the 20th and 21st centuries are most frequently discussed though important earlier works are not neglected The texts are designed to be helpful to numerous readers ranging from students first encountering science fiction to experienced scholars in the field *The Magic Goes Away Collection* Larry Niven, 2005-02 A collection of three novels
