**My FBI** Louis J. Freeh, 2007-04-01 A spectacular New York Times and Washington Post bestseller My FBI is the definitive account of American law enforcement during the Clinton years and in the run up to September 11. Louis Freeh is clear-eyed, frank, the ultimate realist and he offers resolute vision for the struggles ahead. Bill Clinton called Freeh a law enforcement legend when he nominated him as the Federal Bureau of Investigation Director. The good feelings would not last. Going toe to toe with his boss during the scandal-plagued 90s, Freeh fought hard to defend his agency from political interference and to protect America from the growing threat of international terrorism. When Clinton later called that appointment the worst one he had made as president, Freeh considered it a badge of honor. This is Freeh's entire story from his Catholic upbringing in New Jersey to law school, the FBI training academy, his career as a US District attorney and as a federal judge, and finally his eight years as the nation's top cop. This is the definitive account of American law enforcement in the run up to September 11. Freeh is clear-eyed, frank, the ultimate realist and he offers resolute vision for the struggles ahead. Freeh comes off as the real deal: an honorable, hard-working man, a devoted public servant and father, a gifted lawyer and onetime federal prosecutor. The New York Times

**Room for Love** Andrea Meyer, 2013-11-12 In Room for Love by Andrea Meyer, Jacquie Stuart has just turned thirty-two and she wants to do a major rewrite on her life. Her salary at a snarky film magazine barely covers her mortgage; her bratty sister has staked permanent claim to her couch; her best friend is in an obscenely happy marriage and the only guy who really gets her is gay. Worst of all, she keeps falling for broke, self-involved commitment phobes. Needing moonlighting money, Jacquie gets the idea of investigating a new dating trend: looking for Mr. Right in the Roommate Wanted ads. After a bunch of colorful near misses that bring her into the slums of the East Village, the brownstones of Brooklyn, and the dingier digs of the Upper East Side, Jacquie thinks she's finally found the man she's been looking for and stuns her friends by moving out of her beloved apartment and into his. Complications ensue when her life in love reveals some alarming imperfections: the irresistible artist who dumped her wants her back and what is up with the mystery man living in the charming one-bedroom she left behind? Jacquie has been looking for love in other people's homes all over town, but could the key to her happiness lie right under her very own roof?
