Riot Of Our Own Night And Day On The Road With The Clash:

A Riot of Our Own Johnny Green, Garry Barker, 2019-05-02 Hugely enjoyable Green's great achievement is to recapture exactly how those moments felt but remain sufficiently detached about the whole thing to render the experience honestly MOJO Johnny Green first met the Clash in 1977 *A RIOT OF OUR OWN* is his tale of three delirious years of rock n roll madness as confidant and road manager of the Clash from the early punk days to *LONDON CALLING* and touring America Ray Lowry accompanied the band as official war artist on the second American tour and designed the *London Calling* album cover Together in words and pictures Green and Lowry give the definitive inside story on one of the most magnificent rock n roll bands ever *Passion is a Fashion* Pat Gilbert, 2011-11-01 Pat Gilbert's definitive biography of the Clash universally

acclaimed as a great book has already sold over 20 000 copies in paperback Now for the 30th anniversary of the band's classic *London Calling* album it is reissued with a stunning new cover For the book Pat Gilbert a former Mojo editor with the highest credentials talked to everyone in over 70 interviews with the key participants roadies producers friends and fans and above all the band members themselves including Joe Strummer before his death to be able to give the first real insight into what went on behind the scenes during the Clash's ten year career With the surge in interest generated by the Shea Stadium live CD and the official Clash book *Passion Is A Fashion* will attract a new sale as the only truly indispensable Clash book

Gay Men and the Left in Post-war Britain Lucy Robinson, 2013-07-19 Available in paperback for the first time his book demonstrates how the personal became political in post war Britain and argues that attention to gay activism can help us to fundamentally rethink the nature of post war politics While the Left were fighting among themselves and the reformists were struggling with the limits of law reform gay men started organising for themselves first individually within existing organisations and later rejecting formal political structures altogether Culture performance and identity took over from economics and class struggle as gay men worked to change the world through the politics of sexuality Throughout the post war years the new cult of the teenager in the 1950s CND and the counter culture of the 1960s gay liberation feminism the Punk movement and the miners strike of 1984 all helped to build a politics of identity There is an assumption among many of today's politicians that young people are apathetic and disengaged This book argues that these politicians are looking in the wrong place People now feel that they can impact the world through the way in which they live shop have sex and organise their private lives Robinson shows that gay men and their politics have been central to this change in the post war world

The Clash Alan Parker, 2003 At last a collectors book for The Clash generation written and researched with the full knowledge of Mick Jones Paul Simon Don Letts and the late Joe Strummer With 96 pages of discographies a full UK gig guide DVD books clothing posters and flyers listing plus a full tribute to Joe Strummer this will be the essential purchase for Clash fans old and new **Real Life Rock** Greil Marcus, 2015-10-20 For nearly thirty years Greil Marcus has written a remarkable column called *Real Life Rock Top Ten* It has been a laboratory where he has fearlessly explored and wittily dissected an

enormous variety of cultural artifacts from songs to books to movies to advertisements Taken together his musings reflections and sallies amount to a subtle and implicit theory of how cultural objects fall through time and circumstance and often deliver unintended consequences both in the present and in the future Real Life Rock reveals the critic in full direct erudite funny fierce vivid uninhibited and possessing an unerring instinct for art and fraud The result is an indispensable volume packed with startling arguments and casual brilliance

A Riot of Our Own Johnny Green, Garry Barker, 1999-02-12

Johnny Green was a footloose slacker who loved punk rock stumbled into being a roadie for the Sex Pistols then tripped again into a job pushing sound equipment for the Clash and driving their beat up van to performances in the mean industrial towns of England Disaffected youth anointed the Clash as their spokesmen and made the group synonymous with punk itself in the late 1970s Eventually becoming the band's road manager Green had a unique vantage point from which to witness the burgeoning punk rock movement while helping the band in their perpetual search for women booze and drugs Green was with the Clash when they conquered America bringing with them their bad behavior and great music and burning out after their third too long tour Written in a tell it as it was style and accompanied by contemporaneous drawings by Ray Lowry who tagged along with the Clash on their American tour as their official war artist A Riot of Our Own pierces the heart of the culture and music of punk rock and the people who lived it
