the famed comedic group Monty Python Charming and at times revelatory A voice of relative sanity in the eye of a comedic storm Palin paints so vivid a picture that the reader becomes a Python by proxy The New York Times Book Review Michael Palin has kept a diary since newly married in the late 1960s when he was beginning to make a name for himself as a TV scriptwriter and Monty Python was just around the corner This volume of his diaries reveals how Python emerged and triumphed how he John Cleese Graham Chapman the two Terrys Jones and Gilliam and Eric Idle came together and changed the face of British comedy But this is only part of Palin s story Here too is his growing family his home in a north London Victorian terrace his solo effort as an actor and his writing endeavors often in partnership with Terry Jones that produce Ripping Yarns and even a pantomime Meanwhile Monty Python refuses to go away his account of the making of both The Holy Grail and the Life of Brian movies are page turners and the sometimes extraordinary goings on of the many powerful personalities who coalesced to form the Python team makes for funny and riveting reading A perceptive and funny chronicle the diaries are a rich portrait of a fascinating period It is terrifically good funny astute and wonderfully written The Boston Globe Diaries 1969-1979: The Python Years Michael Palin,2008-11-11 A perceptive and funny chronicle these diaries are a rich portrait of how Monty Python emerged and triumphed Billboard ,1986-10-25 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Python beyond Python Paul N. Bentley,2009-03-03 Have you ever fallen victim to Murphy s law Sometimes bad things just happen In Why Sh t Happens esteemed British scientist Peter J Bentley takes readers on an informative and amusing tour through the least lucky most accident prone day of their lives From sleeping through the alarm clock and burning breakfast to getting caught in the rain and navigating a slippery road Bentley brilliantly explores disaster and mishap on a molecular level In the process he explains the science behind each accident arming readers with the knowledge to understand what went wrong and how they can steer clear of future harm Science is respected trusted and according to Bentley largely misunderstood Why Sh t Happens urges readers to arm themselves with the power of science in order to better understand the world around them When a car engine is damaged by the wrong gasoline or a computer is attacked by a virus science is not to blame but rather

can provide an explanation of what happened In a text that exudes charm and wit Bentley reveals the causes behind a wide spectrum of mishaps including why that razor nick won't stop bleeding why metal sparks in the microwave what makes chewing gum stick in hair and why milk tastes sour when it goes bad Shit will always happen but now readers will know exactly why Enter if you dare the world of everyday disasters Halfway to Hollywood: Diaries 1980-1988 Michael Palin, 2011-03-15 A Kirkus Reviews Best Nonfiction of 2011 title The second volume of Michael Palin's diaries covers the bulk of the 1980s a decade in which the ties binding the Pythons loosened they made their last film Monty Python's Meaning of Life in 1983 For Michael writing and acting took over much of his life culminating in his appearances in A Fish Called Wanda in which he played the hapless stuttering Ken and won a BAFTA for Best Supporting Actor Halfway to Hollywood follows Palin's torturous trail through seven movies and ends with his final preparations for the documentary that was to change his life Around the World in 80 Days During these years he co-wrote and acted in Terry Gilliam's Time Bandits as well as spearing in Gilliam's follow-up success Brazil Palin co-produced wrote and played the lead in The Missionary opposite Maggie Smith who also appeared with him in A Private Function written by Alan Bennett In television the decade was memorable for East of Ipswich inspired his links with Suffolk Such was his fame in the US he was enticed into once again hosting the enormously popular show Saturday Night Live He filmed one of the BBC's Great Railway Journeys as well as becoming chairman of the pressure group Transport 2000 His life with Helen and the family remains a constant as the children enter their teens Palin's joy of writing is evident once more in Halfway to Hollywood as he demonstrates his continuing sense of wonder at the world in which he finds himself A world of screens large and small *Mount Buggery to Nowhere Else* Eamon Evans, 2016-10-25 The stories behind Australia's many many strange inappropriate and downright hilarious place names From Dismal Swamp to Useless Loop Intercourse Island to Dead Man's Gully Mount Buggery to Nowhere Else Australia has some of the strangest funniest weirdest and most out of place names going now described and explained in one humorous and fascinating book Australia's vast spaces and irreverent larrikin history have given us some of the best place names in the world Ranging from the less than positive Linger and Die Hill NSW to the indelicate Scented Knob WA the idiotic Eggs and Bacon Bay TAS to the inappropriate and the just plain fascinating MOUNT BUGGERY TO NOWHERE ELSE is a toponymical journey through this nation of weird and wonderful places A hilarious and unusual tour of Australia and its history DAILY TELEGRAPH **The British Television Pilot Episodes Research Guide 1936-2015** Christopher Perry, 2015-12 A new idea can become an expensive flop for TV executives So from the earliest days of television the concept of a pilot episode seemed like a good idea Trying out new actors new situations and new concepts before making a series was good economical sense It was also tax deductible Sometimes these pilots were shown on television sometimes they were so awful they were hidden from sight in archives and sometimes they were excellent one-offs but a series seemed elusive and never materialised Chris Perry has always been fascinated by the pilot episode So many pilots are made annually but never seen by audiences Only a handful

appear on screen It s a hidden world of comedy variety drama and factual programming This volume attempts to lift the lid on the world of the TV pilot by revealing the many transmitted and untransmitted episodes made through the decades
