Markham, 2023-07-07 Institutions are very precious If any idea is going to persist into the future then it needs an institution to keep it going Each of us comes to understand often only gradually over the decades how some influences from our earlier life have affected us Some will have been inspiring Some will have

given us direct models of how to behave or how not to behave Indeed it is often the case that the deeper an influence turns out to have been in the long run the less likely it is that we noticed it at the time it was happening For this reason it has become necessary to find the time to reflect on and express gratitude for the institutions that helped form who we are and the work that we do This collection of essays explores the impact of one institution on twenty five participants twenty five years after we worked together The Institution was Liverpool Hope University College and is now Liverpool Hope University By telling and reflecting on our stories we aim to encourage others to think about their own experiences and ultimately our earnest hope is that a greater awareness of this aspect of university life will help to transform our collective understanding of the nature of universities in particular and of communities institutions or societies in general But there was something special about belonging to a community called Hope **Ripples of Hope** Anne Marie Neuchterlein, 1987 Soul Dr. Samuel White III,2018-08-22 Hope For Your Soul Do you need a word of encouragement Hope For Your Soul will lift you from the valley of despair to mountain tops of hope Each meditation will strengthen your faith to pursue your dreams and move your mountains This is a must read for every soul that hungers for hope and inspiration In a time where suicide is at an all time high despair and depression abound both within and outside of the Church and the political landscape is dangerously repressive and regressive the Prophet in the person of the Dr Samuel White III stands in the ruins and says Yes there is hope Dr Genetta Y Hatcher Vice President of Administration and Student Services Director of Recruitment Ecumenical Theological Seminary One of the most difficult struggles can be the struggle to find hope Drawing from his many years of experience as pastor teacher and writer Dr Samuel White III helps us find our way to that elusive goal If youre looking for a reminder of what truly matters in our lives and a road map for how to get back there youll find it in the pages of Hope For Your Soul Dr Brandon R Grafius Assistant Professor of Biblical Studies Ecumenical Theological Seminary Dr Samuel White III encourages the reader that there is hope for the mind body and more importantly the soul Dr Edward Knox Author Gods Grace Through Catch and Release Ethan Bryan, 2014-06-10 At the intersection of the fight to end human trafficking and a love of Grief baseball stands one man For Ethan Bryan an early morning dream became an invitation into a world record setting coast to coast catch playing adventure of faith new friends serendipitous stories and raising money to fight human trafficking A portion of the proceeds from this book will go to Not For Sale Making Hope Happen Shane J. Rhoads, 2015-03-31 Words expression and relationships give me the opportunity to connect with someone I will never meet There are 1 025 109 words in the English language I have only used 80 182 of those words in 14 792 paragraphs in 22 987 lines Some rhyme and or form prose designed to put forth a different way of looking at my past situation and reflect on truth or dare in living our life Jerry L Rhoads CPA CEO All American Care of Muscatine and Washington 2002 Cedar Street Muscatine Iowa 52761 Over the years I have contemplated publishing the poems but always put it off due to a lack of time to translate from paper to digital those thoughts of thirty years past I have found not one poem dated because they reflected words spoken from my head that focuses on the ideas of times and events that never really change just mature evolve and reoccur if you are to have memories that mean anything Love religion war peace work and play all are never going to age just the mode of expression Today I still have those in 12 three ring binders on yellowing stock and use them to trigger my editing and writing skills into this book The material is overwhelming since there are about 2 500 poems Every conceivable word that I saw along the road on billboards road signs advertisements business signs or heard etc triggered a poem onto tape then onto paper Today I am to converting these to a digital format so I can capture the thoughts and evolve these rough drafts into many more books I have tried to make the organization somewhat topical focusing on the better material in my artistic opinion yours will by nature be different and that is the power of the written word My intention in triggering topics and titles is not unconventional but does challenge the reader to believe I know that much about words and very little about conventional poetry So if you like or dislike the ideas and use of the English language that kept me occupied over 1 million miles in my car so be it
