

An aerial photograph of a sandy beach. In the center-left, there is a large, heart-shaped sand formation. The heart is defined by a dark, slightly raised ridge of sand. The interior of the heart is a lighter shade of tan. To the right of the heart, the ocean waves are breaking, creating white foam and a darker, textured area of water. The overall tone of the image is warm and romantic, with the heart shape being the central focus.
