

THE **RISE** OF **BAPTIST** **REPUBLICANISM**

ORAN P. SMITH

Rise Of Baptist Republicanism

Kevin Phillips

Rise Of Baptist Republicanism:

The Rise of Baptist Republicanism Oran P Smith, 2000-05-01 A Choice Outstanding Academic Book By championing the ideals of independence evangelism and conservatism the Southern Baptist Convention SBC has grown into the largest Protestant denomination in the country The Convention's mass democratic form of church government its influential annual meetings and its sheer size have made it a barometer for Southern political and cultural shift Its most recent shift has been starboard toward fundamentalism and Republicanism While the Convention once offered a happy home to Harry Truman Jimmy Carter and church state separationists in the past two decades the SBC has become an uncomfortable institution for Democrats progressive theologians and other moderate voices Current SBC member heroes include Senators Trent Lott and Jesse Helms Despite this seeming marginalization Southern Baptist politicians have grown from political obscurity to occupying the four highest positions in the constitutional order of succession to the presidency President Bill Clinton Vice President Al Gore Senate President pro tempore Strom Thurmond and House Speaker Newt Gingrich are all Southern Baptists In its emerging Republicanism the SBC has taken on characteristics of its more active fellow travelers in the Christian Right forging alliances with former enemies African Americans and Roman Catholics playing presidential politics establishing a Washington lobbying presence working the political grassroots and declaring war on Walt Disney Each of these missions has been accomplished with calculating political precision The Rise of Baptist Republicanism traces the Republicanization of the SBC's Republicanism in the context of the rise of the Fundamentalist Right and the emergence of a Republican majority in the South Describing the SBC's political roots Oran P Smith contrasts Baptist Republicans with the rest of the Christian Right while revealing the theological cultural and historical factors which have made Southern Baptists receptive to Republican Fundamentalist Right influences The book is a must read for anyone wishing to understand the intersection of religion and politics in America today

The Rise of Baptist Republicanism Oran P. Smith, 1997-09 In its emerging Republicanism the SBC has taken on characteristics of its more active fellow travelers in the Christian Right forging alliances with former enemies African Americans and Roman Catholics playing presidential politics establishing a Washington lobbying presence working the political grassroots and declaring war on Walt Disney Each of these missions has been accomplished with calculating political precision

God Speaks to Us, Too Susan M. Shaw, 2021-10-21 Raised as a Southern Baptist in Rome Georgia Susan M Shaw earned graduate degrees from the Southern Baptist Theological Seminary in Louisville Kentucky was ordained a Southern Baptist minister and prepared herself to lead a life of leadership and service among Southern Baptists However dramatic changes in both the makeup and the message of the Southern Baptist Convention during the 1980s and 1990s a period known among Southern Baptists as the Controversy caused Shaw and many other Southern Baptists especially women to reconsider their allegiances In God Speaks to Us Too Southern Baptist Women on Church Home and Society Shaw presents her own experiences as well as those of over 150 other current and former Southern Baptist women in

order to examine the role identity and culture of women in the largest Protestant denomination in the country The Southern Baptist Convention was established in the United States in 1845 after a schism between Northern and Southern brethren over the question of slavery Shaw sketches the history of the Southern Baptist faith from its formation through its dramatic expansion following World War II to the Controversy and its aftermath The Controversy began as a successful attempt by fundamentalists within the denomination to pack the leadership and membership of the Southern Baptist Convention the denomination's guiding body with conservative and fundamentalist believers Although no official strictures prohibit a Southern Baptist woman from occupying the primary leadership role within her congregation or her own family rhetoric emanating from the Southern Baptist Convention during the Controversy strongly discouraged such roles for its women and church leadership remains overwhelmingly male as a result Despite the vast difference between the denomination's radical beginnings and its current position among the most conservative American denominations freedom of conscience is still prized Shaw identifies soul competency or the notion of a free soul that is responsible for its own decisions as the principle by which many Southern Baptist women reconcile their personal attitudes with conservative doctrine These women are often perceived from without as submissive secondary citizens but they are actually powerful actors within their families and churches God Speaks to Us Too reveals that Southern Baptist women understand themselves as agents of their own lives even though they locate their faith within the framework of a highly patriarchal institution Shaw presents these women through their own words and concludes that they believe strongly in their ability to discern the voice of God for themselves

God's Own Party Daniel K. Williams, 2012-07-12 In *God's Own Party* Daniel K Williams presents the first comprehensive history of the Christian Right uncovering how evangelicals came to see the Republican Party as the vehicle through which they could reclaim America as a Christian nation *American Dynasty* Kevin Phillips, 2004-09-07 The Bushes are the family nobody really knows says Kevin Phillips This popular lack of acquaintance nurtured by gauzy imagery of Maine summer cottages gray haired national grandmothers July Fourth sparklers and cowboy boots has let national politics create a dynasticized presidency that would have horrified America's founding fathers They after all had led a revolution against a succession of royal Georges In this devastating book onetime Republican strategist Phillips reveals how four generations of Bushes have ascended the ladder of national power since World War One becoming entrenched within the American establishment Yale Wall Street the Senate the CIA the vice presidency and the presidency through a recurrent flair for old boy networking national security involvement and political deception By uncovering relationships and connecting facts with new clarity Phillips comes to a stunning conclusion The Bush family has systematically used its financial and social empire its aristocracy to gain the White House thereby subverting the very core of American democracy In their ambition the Bushes ultimately reinvented themselves with brilliant timing twisting and turning from silver spoon Yankees to born again evangelical Texans As America and the world holds its breath for the 2004 presidential election *American Dynasty* explains

how it happened and what it all means **The Second Coming of Paisley** Richard Lawrence Jordan, 2013-04-04 The Second Coming of Paisley is the first book to examine the relationship between the Reverend Ian Paisley and leaders of the militant wing of evangelical fundamentalism in the United States in the period immediately preceding the outbreak of the Northern Ireland Troubles in the late 1960s Jordan convincingly demonstrates that it was exposure to the ideas and principles of leaders of the Christian right such as Carl McIntire and Billy James Hargis that enabled Paisley to develop a militant brand of politicized religious fundamentalism that he used successfully to block the advance of civil rights for Northern Ireland's Catholic population This cross fertilization happened not in a historical vacuum but in the context of several centuries of interaction and exchange between Ulster and North America Drawing upon extensive archival research Jordan provides a full background analysis and establishes a framework for understanding the extraordinary force with which Reverend Paisley used a religious culture imported from the United States to affect a radical shake up of religion and politics in Northern Ireland Shedding new light on the influence of evangelical fundamentalism The Second Coming of Paisley will be indispensable for scholars interested in the influence of religion on politics *Recapturing the Oval Office* Brian Balogh, Bruce J. Schulman, 2015-09-04 Several generations of historians figuratively abandoned the Oval Office as the bastion of out of fashion stories of great men And now decades later the historical analysis of the American presidency remains on the outskirts of historical scholarship even as policy and political history have rebounded within the academy In *Recapturing the Oval Office* leading historians and social scientists forge an agenda for returning the study of the presidency to the mainstream practice of history and they chart how the study of the presidency can be integrated into historical narratives that combine rich analyses of political social and cultural history The authors demonstrate how bringing the presidency back in can deepen understanding of crucial questions regarding race relations religion and political economy The contributors illuminate the conditions that have both empowered and limited past presidents and thus show how social cultural and political contexts matter By making the history of the presidency a serious part of the scholarly agenda in the future historians have the opportunity to influence debates about the proper role of the president today Contributors Brian Balogh University of Virginia Michael A Bernstein Tulane University Kathryn Cramer Brownell Purdue University N D B Connolly The Johns Hopkins University Frank Costigliola University of Connecticut Gareth Davies University of Oxford Darren Dochuk Washington University Susan J Douglas University of Michigan Daniel J Galvin Northwestern University William I Hitchcock University of Virginia Cathie Jo Martin Boston University Alice O Connor University of California Santa Barbara Bruce J Schulman Boston University Robert O Self Brown University Stephen Skowronek Yale University *The American South* William J. Cooper, Jr., Thomas E. Terrill, 2009-01-16 In *The American South* William J Cooper Jr and Thomas E Terrill demonstrate their belief that it is impossible to divorce the history of the south from the history of the United States Each volume includes a substantial biographical essay completely updated for this edition which provides the reader with a guide

to literature on the history of the South Coverage now includes the devastation of Hurricane Katrina in 2005 up to date analysis of the persistent racial divisions in the region and the South's unanticipated role in the 2008 presidential primaries

Uneasy in Babylon Barry Hankins, 2002-04-24 As these self-professed culture warriors believe women should be submissive to their husbands Disney World should be boycotted because of its tacit support of homosexuality and multiculturalism is tolling a death knell for the American way of life **BOOK JACKET** **Cowboy Conservatism** Sean P. Cunningham, 2010-07-02 During the 1960s and 1970s Texas was rocked by a series of political transitions Despite its century long heritage of solidly Democratic politics the state became a Republican stronghold virtually overnight and by 1980 it was known as Reagan Country Ultimately Republicans dominated the Texas political landscape holding all twenty seven of its elected offices and carrying former governor George W Bush to his second term as president with more than 61 percent of the Texas vote Sean P Cunningham examines the remarkable history of Republican Texas in *Cowboy Conservatism Texas and the Rise of the Modern Right* Utilizing extensive research drawn from the archives of four presidential libraries gubernatorial papers local campaign offices and oral histories Cunningham presents a compelling narrative of the most notable regional genesis of modern conservatism Spanning the decades from Kennedy's assassination to Reagan's presidency Cunningham reveals a vivid portrait of modern conservatism in one of the nation's largest and most politically powerful states The newest title in the New Directions in Southern History series Cunningham's *Cowboy Conservatism* demonstrates Texas's distinctive and vital contributions to the transformation of postwar American politics *The Rights Turn in Conservative Christian Politics* Andrew R. Lewis, 2017-10-19 Explains how abortion politics influenced a fundamental shift in conservative Christian politics teaching conservatives to embrace rights arguments *Nut Country* Edward H. Miller, 2015-09-03 Taps the fascinating history of a surprisingly understudied place Dallas to reorient our understanding of America's Republican Right Darren Dochuk author of *Anointed with Oil* On the morning of November 22 1963 President Kennedy told Jackie as they started for Dallas We're heading into nut country today That day's events ultimately obscured and revealed just how right he was Oswald was a lone gunman but the city that surrounded him was full of people who hated Kennedy and everything he stood for led by a powerful group of ultraconservatives who would eventually remake the Republican party in their own image In *Nut Country* Edward H Miller tells the story of that transformation showing how a group of influential far right businessmen religious leaders and political operatives developed a potent mix of hardline anticommunism biblical literalism and racism to generate a violent populism and widespread power Though those figures were seen as extreme in Texas and elsewhere mainstream Republicans nonetheless found themselves forced to make alliances or tack to the right on topics like segregation As racial resentment came to fuel the national Republican party's divisive but effective Southern Strategy the power of the extreme conservatives rooted in Texas only grew Drawing direct lines from Dallas to DC Miller's captivating history offers a fresh understanding of the rise of the new Republican Party and the apocalyptic language conspiracy theories

and ideological rigidity that remain potent features of our politics today Well researched and briskly written A timely intelligent and penetrating book The New York Times Book Review A Companion to Lyndon B. Johnson Mitchell B. Lerner,2012-02-13 This companion offers an overview of Lyndon B Johnson s life presidency and legacy as well as a detailed look at the central arguments and scholarly debates from his term in office Explores the legacy of Johnson and the historical significance of his years as president Covers the full range of topics from the social and civil rights reforms of the Great Society to the increased American involvement in Vietnam Incorporates the dramatic new evidence that has come to light through the release of around 8 000 phone conversations and meetings that Johnson secretly recorded as President

Southern History on Screen Bryan M. Jack,2019-01-08 Hollywood films have been influential in the portrayal and representation of race relations in the South and how African Americans are cinematically depicted in history from *The Birth of a Nation* 1915 and *Gone with the Wind* 1939 to *The Help* 2011 and *12 Years a Slave* 2013 With an ability to reach mass audiences films represent the power to influence and shape the public s understanding of our country s past creating lasting images both real and imagined in American culture In *Southern History on Screen Race and Rights 1976 2016* editor Bryan Jack brings together essays from an international roster of scholars to provide new critical perspectives on Hollywood s relationships between historical films Southern history identity and the portrayal of Jim Crow era segregation This collection analyzes films through the lens of religion politics race sex and class building a comprehensive look at the South as seen on screen By illuminating depictions of the southern belle in *Gone with the Wind* the religious rhetoric of southern white Christians and the progressive identity of the white heroes in *A Time to Kill* 1996 and *Mississippi Burning* 1988 as well as many other archetypes found across films this book explores the intersection between film historical memory and southern identity

American Denominational History Keith Harper,2008-09-24 This book brings the rigor of scholarly assessment of the current literature to various important topics and groups in American religious history The contributors carefully examine the fruitful historiographic questions that are posed by the positions and experiences of the various groups *American Denominational History* points the way for the next decade of scholarly effort **Open Friendship in a Closed Society** Peter Slade,2009-10-09 Peter Slade examines Mission Mississippi s model of racial reconciliation which stresses one on one individual friendships among religious people of different races and considers whether it can effectively address the issue of social justice Slade argues that Mission Mississippi s goal of changing Mississippi one relationship at a time is both a pragmatic strategy and a theological statement of hope for social and economic change in Mississippi **Exiled** Carl L. Kell,2006 It has been one of the major news stories in religion and culture of the past twenty five years From 1979 to 1995 the Southern Baptist Convention SBC was rocked by assaults on its leadership by fundamentalists who used questionable tactics to gain top positions and then used their power to purge Baptist seminary presidents and professors church pastors lay leaders and women from positions of responsibility America s largest Christian non Catholic denomination

is firmly locked in a holy war to secure its churches and membership for a never ending struggle against a liberal culture Exiled Voices of the Southern Baptist Convention Holy War is a compilation of first person narratives by conservative and moderate ministers and lay leaders who were stripped of their positions and essentially became pariahs in the churches to which they had devoted their lives While other books have described the takeover in historical political and theological terms Exiled is different Individual people tell their personal stories revealing the struggle and heartache that resulted from being vilified dispossessed and exiled Kell includes a variety of perspectives from lay preachers and church members to prominent former SBC leaders such as James Dunn and Carolyn Crumpler The emotion captured on the pages sadness shock disbelief resignation and anger will make Exiled moving even to readers who know little about the Southern Baptist movement Exiled will also be of particular interest to historians sociologists philosophers of religion and rhetorical historians American Theocracy Kevin Phillips,2006-03-21 An explosive examination of the coalition of forces that threatens the nation from the bestselling author of American Dynasty In his two most recent bestselling books American Dynasty and Wealth and Democracy Kevin Phillips established himself as a powerful critic of the political and economic forces that rule and imperil the United States tracing the ever more alarming path of the emerging Republican majority s rise to power Now Phillips takes an uncompromising view of the current age of global overreach fundamentalist religion diminishing resources and ballooning debt under the GOP majority With an eye to the past and a searing vision of the future Phillips confirms what too many Americans are still unwilling to admit about the depth of our misgovernment **Phyllis Schlafly and Grassroots Conservatism** Donald T. Critchlow,2008-01-15 Based on access to Schlafly s papers and sixty other archival collections offers a look at the private life and public convictions of the arch conservative and determined opponent of the Equal Rights Amendment gay rights and reproductive freedom **The Encyclopedia of Politics and Religion** Robert Wuthnow,2013-12-04 Containing over 200 articles from prominent scholars The Encyclopedia of Politics and Religion examines ways in which politics and religion have combined to affect social attitudes spark collective action and influence policy over the last two hundred years With a focus that covers broad themes like millenarian movements and pluralism and a scope that takes in religious and political systems throughout the world the Encyclopedia is essential for its contemporary as well as historical coverage Special Features Encompasses religions individuals geographical regions institutions and events Describes the history of relations between religion and politics Longer articles contain brief bibliographies Attractively designed and produced The Encyclopedia of Politics and Religion will be invaluable for any library public and academic which serves those interested in politics sociology religious studies international affairs and history Contents include Abortion Algeria Anabaptists China Christian Democracy Ethnic Cleansing Gandhi Israel Italy Jesuits Jihad Just War Missionaries Moral Majority Muslim Brethren Temperance Movements Unification Church War Zionism

Rise Of Baptist Republicanism Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rise Of Baptist Republicanism PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal

growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Rise Of Baptist Republicanism PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Rise Of Baptist Republicanism free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Rise Of Baptist Republicanism Books

What is a Rise Of Baptist Republicanism PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Rise Of Baptist Republicanism PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rise Of Baptist Republicanism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rise Of Baptist Republicanism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rise Of Baptist Republicanism PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as:

LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
