The Rise of Sinclair Lewis, 1920-1930 James Hutchisson,2005 **Small-Town Dreams** John E. Miller,2014-03-28 We live these days in a virtual nation of cities and celebrities dreaming a small town America rendered ever stranger by purveyors of nostalgia and dark visionaries from Sherwood Anderson to David Lynch And yet it is the small town that world of local character and neighborhood lore that dreamed the America we know today and the small town boy like those whose stories this book tells who made it real In these life stories beginning in 1890 with frontier historian Frederick Jackson Turner and moving up to the present with global shopkeeper Sam Walton a history of middle America unfolds as entrepreneurs and teachers like Henry Ford George Washington Carver and Walt Disney artists and entertainers like Thomas Hart Benton Grant Wood Carl Sandburg and Johnny Carson political figures like William McKinley William Jennings Bryan and Ronald Reagan and athletes like Bob Feller and John Wooden by turns engender and illustrate the extraordinary cultural shifts that have transformed the Midwest and through the Midwest the nation and the world Many of these men are familiar icons even Ford and Reagan certainly Ernie Pyle Sinclair Lewis James Dean and Lawrence Welk and others like artists Oscar Micheaux and John Steuart Curry economist Alvin Hansen and composer Meredith Willson less so But in their stories as John E Miller tells them all appear in a new light unique in their backgrounds and accomplishments united only in the way their lives reveal the persisting shaping power of place and particularly the Midwest on the cultural imagination and national consciousness In a thoroughly engaging style Miller introduces us to the small town Midwestern boys who became these all American characters privileging us with insights that pierce the public images of politicians and businessmen thinkers and entertainers alike From the smell of the farm the sounds and silences of hamlets and county seats the schoolyard athletics and classroom instruction and theatrical performance we follow these men to their moments of inspiration innovation and fame observing the workings of the small town past in their very different relationships with the larger world Their stories reveal in an intimate way how profoundly childhood experiences shape personal identity and how deeply place figures in the mapping of thought belief ambition and life s course *The Rise and Fall of Anglo-America* Eric P. KAUFMANN, Eric P Kaufmann,2009-06-30 As the 2000 census resoundingly demonstrated the Anglo Protestant ethnic core of the United States has all but dissolved In a country founded and settled by their ancestors British Protestants now make up less than a fifth of

the population This demographic shift has spawned a culture war within white America While liberals seek to diversify society toward a cosmopolitan endpoint some conservatives strive to maintain an American ethno national identity Eric Kaufmann traces the roots of this culture war from the rise of WASP America after the Revolution to its fall in the 1960s when social institutions finally began to reflect the nation s ethnic composition Kaufmann begins his account shortly after independence when white Protestants with an Anglo Saxon myth of descent established themselves as the dominant American ethnic group But from the late 1890s to the 1930s liberal and cosmopolitan ideological currents within white Anglo Saxon Protestant America mounted a powerful challenge to WASP hegemony This struggle against ethnic dominance was mounted not by subaltern immigrant groups but by Anglo Saxon reformers notably Jane Addams and John Dewey It gathered social force by the 1920s struggling against WASP dominance and achieving institutional breakthrough in the late 1960s when America truly began to integrate ethnic minorities into mainstream culture **Sinclair Lewis** Richard R.

Hollywood Studios Frederic Lombardi,2013-03-29 It could be said that the career of Canadian born film director Allan Dwan 1885 1981 began at the dawn of the American motion picture industry Originally a scriptwriter Dwan became a director purely by accident Even so his creativity and problem solving skills propelled him to the top of his profession He achieved success with numerous silent film performers most spectacularly with Douglas Fairbanks Sr and Gloria Swanson and later with such legendary stars as Shirley Temple and John Wayne Though his star waned in the sound era Dwan managed to survive through pluck and ingenuity Considering himself better off without the fame he enjoyed during the silent era he went on to do some of his best work for second echelon studios notably Republic Pictures Sands of Iwo Jima and such independent producers as Edward Small Along the way Dwan also found personal happiness in an unconventional manner Rich in detail with two columns of text in each of its nearly 400 pages and with more than 150 photographs this book presents a thorough examination of Allan Dwan and separates myth from truth in his life and films **A Theoretical**
