Rise Of The Gunbelt The Military Remapping Of Industrial America:

The Rise of the Gunbelt Ann R. Markusen, 1991 Index and bibliographical references included *The Rise of the Gunbelt* Ann Markusen, 2023 This monograph argues that America's economic landscape has undergone a profound transformation since 1945 as a result of the rise of the military industrial complex and the formation of a new industry based on defence spending

The Rise of the Rustbelt Philip Cooke, 1995 First Published in 1995 Routledge is an imprint of Taylor Francis an informa company

The Presidio Lisa Benton-Short, 1998 The story of the Presidio's conversion from military post to national park

Abolition Geography Ruth Wilson Gilmore, 2022-05-10 The first collection of writings from one of the foremost contemporary critical thinkers on racism geography and incarceration Gathering together Ruth Wilson Gilmore's work from over three decades *Abolition Geography* presents her singular contribution to the politics of abolition as theorist researcher and organizer offering scholars and activists ways of seeing and doing to help navigate our turbulent present *Abolition Geography* moves us away from explanations of mass incarceration and racist violence focused on uninterrupted histories of prejudice or the dull compulsion of neoliberal economics Instead Gilmore offers a geographical grasp of how contemporary racial capitalism operates through an anti state state that answers crises with the organized abandonment of people and environments deemed surplus to requirement Gilmore escapes one dimensional conceptions of what liberation demands who demands liberation or what indeed is to be abolished Drawing on the lessons of grassroots organizing and internationalist imaginaries *Abolition Geography* undoes the identification of abolition with mere decarceration and reminds us that freedom is not a mere principle but a place Edited with an introduction by Brenna Bhandar and Alberto Toscano

From Bible Belt to Sunbelt: Plain-Folk Religion, Grassroots Politics, and the Rise of Evangelical Conservatism Darren Dochuk, 2010-12-13 A prize winning five decade history of the evangelical movement in Southern California that explains a sweeping realignment of American politics *From Bible Belt to Sun Belt* tells the dramatic and largely unknown story of plain folk religious migrants hardworking men and women from Oklahoma Texas and Arkansas who fled the Depression and came to California for military jobs during World War II Investigating this fiercely pious community at a grassroots level Darren Dochuk uses the stories of religious leaders including Billy Graham as well as many colorful lesser known figures to explain how evangelicals organized a powerful political machine This machine made its mark with Barry Goldwater inspired Richard Nixon's Southern Solution and achieved its greatest triumph with the victories of Ronald Reagan Based on entirely new research the manuscript has already won the prestigious Allan Nevins Prize from the Society of American Historians The judges wrote Dochuk offers a rich and multidimensional perspective on the origins of one of the most far ranging developments of the second half of the twentieth century the rise of the New Right and modern conservatism

The British Economy in Transition Royce Logan Turner, 1995 An examination of attempts at economic regeneration in areas that have experienced decline in traditional industry Coal steel defence textiles and the motor industry

are discussed by an expert in the area

Understanding the Firm Michael Taylor, Päivi Oinas, 2006-12-21 Firms are at the very heart of modern day life They come in a seemingly infinite variety from transnationals to small firm from corporations to branch plants to subsidiaries and joint ventures from subcontractors to franchisees from sole proprietorships to partnerships from manufacturers to service providers and retailers For the most part we view them as the creators destroyers and repositories of jobs the creators and destroyers of people s livelihoods lives and dreams But deciding just what a firm is is neither a simple nor a straightforward task Against a background of the dynamic complexity and plurality that business forms and firms can assume there is a constant search within academic research for the processes that create and maintain both enterprise and enterprises in capitalist societies a search for a theory of the firm This book addresses some of the gaps in the current state of the theory of the firm from an economic geography perspective issues around the boundaries of the firm the collective agency of the firm the political firm financial markets and the state and the firm in place *American Corporate Economy* William Lazonick, 2002

The Myth of Southern Exceptionalism Matthew D. Lassiter, Joseph Crespino, 2010 The Myth of Southern Exceptionalism dismantles clichés about regional distinctiveness and rewrites modern American history through a national focus on topics such as the civil rights movement conservative backlash and liberal reform the rise of the Religious Right the emergence of the Sunbelt and the increasing diversity of the suburbs

Militarization and the American Century David Fitzgerald, 2022-01-13 Taking American mobilization in WWII as its departure point this book offers a concise but comprehensive introduction to the history of militarization in the United States since 1940 Exploring the ways in which war and the preparation for war have shaped and affected the United States during The American Century Fitzgerald demonstrates how militarization has moulded relations between the US and the rest of the world Providing a timely synthesis of key scholarship in a rapidly developing field this book shows how national security concerns have affected issues as diverse as the development of the welfare state infrastructure spending gender relations and notions of citizenship It also examines the way in which war is treated in the American imagination how it has been depicted throughout this era why its consequences have been made largely invisible and how Americans have often considered themselves to be reluctant warriors In integrating domestic histories with international and transnational topics such as the American empire of bases and the experience of American service personnel overseas the author outlines the ways in which American militarization had and still has global consequences Of interest to scholars researchers and students of military history war studies US foreign relations and policy this book addresses a burgeoning and dynamic field from which parallels and comparisons can be drawn for the modern day
