## **Rising From History:**

The rise and fall of empires: lessons from history's great civilizations George Wilton, 2024-04-10 Discover the rise and fall of empires lessons from history's great civilizations **Atlantis Rising Magazine Issue 135 PDF download - SEEKING THE "LOST" EQUATOR** atlantisrising.com, In This 88 page edition ANCIENT MYSTERIES SEEKING THE LOST EQUATOR Ice Age Era Artifact of a Destroyed Civilization BY JONATHAN A PERRIN THE PARANORMAL TUNNELING THROUGH TIME Could Visitors from the Past the Future Be Here After All BY MARTIN RUGGLES THE UNEXPLAINED VANISHING ACTS Tracking the Strange Disappearances of People Animals Worldwide BY WILLIAM B STOECKER UFOs U S FORCES VS UFOS BEFORE ROSWELL Could Forgotten Accounts Force a Look at Evidence Once Considered Taboo BY FRANK JOSEPH THE UNEXPLAINED GIANTS IN THE PAPERS Lost Details of the Senora Skeleton Finds BY JAMES VIERA HUGH NEWMAN CONSCIOUSNESS CHURCH ENERGY What Mystic Science Were the Builders Practicing BY CHARLES SHAHAR THE OTHER SIDE THE WAY OF ST JAMES Was It Sacred or a Cover for the Profane BY STEVEN SORA ANCIENT WISDOM QUEST FOR A GOLDEN AGE Have We Been Here Before BY GEOFFREY ASHE THE OTHER SIDE THE DIMENSIONS OF INSPIRATION The Strange Case of Victor Hugo Yet Unsolved BY JOHN CHAMBERS ALTERNATIVE SCIENCE REALITY Fundamentally Speaking What Is It Anyway BY ROBERT M SCHOCH Ph D THE FORBIDDEN ARCHAEOLOGIST FORBIDDEN ARCHAEOLOGY AND CONSCIOUSNESS BY MICHAEL A CREMO ASTROLOGY SNOW WHITE THE GOBLIN FAROUT And Other Denizens of the Outer Solar System BY JULIE LOAR PUBLISHER S LETTER THE SUN A CRYSTAL IN THE MAKING BY J DOUGLAS KENYON **The Irish-American Experience in New Jersey and Metropolitan New York** Maura Grace Harrington, Marta Deyrup, 2013-11-29 This book is a collection of nine essays exploring the Irish American experience in the New Jersey and New York metropolitan area both historically and today The essays place the local Irish American experience in the wider context of immigration studies assimilation and historical theory Using case studies interviews scholarly research in primary historical documents and theory and first hand experience the authors delve into what it has meant and means to be Irish American in the New Jersey and New York area projecting what this ethnic identity will signify in years to come Representing a variety of scholarly and professional disciplines from archivists to historians to lawyers to scholars of literature and theology the authors share their own unique perspectives on the significance of the contributions of Irish Americans to American life in various arenas Each chapter is interdisciplinary revealing the interconnections among cultural history biography contemporary events and literary appreciation It is through these intersections of disciplines of past and present of individual and community that we can best analyze and appreciate the ways that Irish Americans have shaped life in the New Jersey New York area over the past two centuries **The Rising (New Edition)** Fearghal McGarry, 2016-01-21 The Easter Rising of 1916 not only destroyed much of the centre of Dublin it changed the course of Irish history But why did it happen What was the role of ordinary people in this extraordinary event What motivated them and what were their aims

These basic questions continue to divide historians of modern Ireland. The Rising is the story of Easter 1916 from the perspective of those who made it, focusing on the experiences of rank and file revolutionaries. Fearghal McGarry makes use of a unique source that has only recently seen the light of day: a collection of over 1,700 eye witness statements detailing the political activities of members of Sinn Féin and militant groups such as the Irish Republican Brotherhood. This collection represents one of the richest and most comprehensive oral history archives devoted to any modern revolution, providing new insights on almost every aspect of this seminal period. The Rising shows how people from ordinary backgrounds became politicized and involved in the struggle for Irish independence. McGarry illuminates their motives, concerns and aspirations, highlighting the importance of the Great War as a catalyst for the uprising. He concludes by exploring the Rising's revolutionary aftermath, which in time saw the creation of the independent state we see today. This edition includes a new preface which reflects on the continuing importance of the Easter Rising as a symbol of Irish nationhood and which looks at the 2016 centenary commemorations in both Ireland and the UK within the wider context of the Decade of Centenaries.

**The Rise and Fall of Civic Education** Michael Learn, 2024-09-16. Social studies is a field in crisis. The crisis stems from failure to establish the very foundation of social studies: purpose in public education. Civic education, social studies advocates have never put forth a coherent method for teaching civic education because policymakers and the public have been unable to agree upon a general definition of civic education. This issue has disrupted the field since the early days. As educators sought to include civic education within public schools as a dedicated field, social studies evolved into a blending of history, social sciences and civic education. Social studies' evolution never resolved the differences between the three, with each discipline striving to control the narrative. Instead of creating a unified field, the disciplines devalued social studies and thus any discipline associated with it. *The Rise and Fall of Civic Education: The Battle for Social Studies in a Shifting Historical Landscape* investigates the changing definitions and purposes ascribed to social studies in the United States through time. This result is viewed through the rising tensions from culture wars as America's divisive politics fight to control the narrative of the disciplines within social studies. Richard B. Cheney and the Rise of the Imperial Vice Presidency Bruce P. Montgomery, 2009-02-01. On taking office in 2001, Dick Cheney crowned himself the first imperial vice president in the nation's history, transforming a traditionally inconsequential office into a de facto fourth branch of government. Taking a less journalistic and personal approach to Cheney than previous biographers, this critical new biography shows exactly how Cheney engineered his arrogation of vast executive powers and the dire consequences his power grab has had and will long continue to have for the office of the vice presidency, the balance of powers, the Constitution, geopolitics and America's security, strength and prestige. Taking advantage of the administration's global war on terrorism, a president inexperienced in matters of war and peace and a Republican Congress that rated party power above institutional prerogatives, Vice President Cheney moved with astonishing speed and energy to assume a dominant role on the national and international stage as the

effective president in proxy of the United States Cheney asserted that all constitutional checks and balances and all individual liberties under the Bill of Rights are subservient to the president's powers as commander in chief in confronting international terrorism Although former administrations had made power grabs in the past in times of national crisis no president and certainly no vice president has ever exerted such sweeping claims of executive power on so many fronts in violation of the bedrock principles of the Constitution

**Decoding the Rise of China** Tse-Kang Leng, Rumi Aoyama, 2018-05-17 This edited collection provides a synthetic analysis of the rise of contemporary China and its impact on the current global system from a range of Asian and Western perspectives Highlighting Taiwanese and Japanese viewpoints the book considers a macro integrated vision of the rise of China and examines the vital cultural factors which link domestic politics and foreign policy in the Sino Japanese relationship The book addresses key policy matters such as the internationalization of the Chinese currency and Arctic diplomacy and provides a key reference on contemporary Chinese foreign policy and the Sino Japanese relationship for students academics experts and policy makers in the field of Area Studies History and International Relations

**The Rise of Western Christendom** Peter Brown, 2013-02-04 This tenth anniversary revised edition of the authoritative text on Christianity's first thousand years of history features a new preface additional color images and an updated bibliography The essential general survey of medieval European Christendom Brown's vivid prose charts the compelling and tumultuous rise of an institution that came to wield enormous religious and secular power Clear and vivid history of Christianity's rise and its pivotal role in the making of Europe Written by the celebrated Princeton scholar who originated the field of study known as late antiquity Includes a fully updated bibliography and index

**The Rise and Decline of Small Firms (Routledge Revivals)** Jonathan Boswell, 2014-06-27 First published in 1973 this title examines the development patterns of small businesses It considers why people found firms the factors that contribute to entrepreneurial success problems of management succession and inheritance the strengths and weaknesses of family firms the reasons why small firms are taken over and the social economic and managerial context of their growth decline and revival Based on a survey of sixty four firms each employing fewer than five hundred people in engineering hosiery and knitwear and on the records of 370 similar organisations a striking gap in performance and management attitudes emerges as between dynamic mostly founder run firms and stagnant mostly inherited ones Where many books are either minutely specialised or highly abstract and over generalised Jonathan Boswell's work is practical and diagnostic probing the inner recesses of the small firm sector With particular relevance to the difficulties faced by entrepreneurs in today's economic environment this title advances selective measures to deal with old firms and inheritance and a wide range of policies to encourage new entrepreneurship

A World of Disorderly Notions Aaron R. Hanlon, 2019-05-30 Shortlist Oscar Kenshur Book Prize From Jonathan Swift to Washington Irving those looking to propose and justify exceptions to social and political norms turned to Cervantes's notoriously mad comic hero as a model A World of Disorderly Notions examines the literary and

political effects of Don Quixote arguing that what makes this iconic character so influential across oceans and cultures is not his madness but his logic Aaron Hanlon contends that the logic of quixotism is in fact exceptionalism the strategy of rendering oneself an exception to everyone else's rules As British and American societies of the Enlightenment developed the need to question the acceptance of various forms of imperialism and social contract theory and to explain both the virtues and limitations of revolutions past and ongoing it was Quixote's exceptionalism not his madness that captured the imaginations of so many writers and statesmen As a consequence the eighteenth century witnessed an explosion of imitations of Quixote in fiction and polemical writing by writers such as Jonathan Swift Charlotte Lennox Henry Fielding and Washington Irving among others Combining literary history and political theory Hanlon clarifies an ongoing and immediately relevant history of exceptionalism of how states from Golden Age Spain to imperial Britain to the formative United States rendered themselves exceptions so they could act with impunity In so doing he tells the story of how Quixote became exceptional

**The Rise of Market Society in England, 1066-1800** Christiane Eisenberg, 2013-12-01 Focusing on England this study reconstructs the centuries long process of commercialization that gave birth to the modern market society It shows how certain types of markets e.g. those for real estate labor capital and culture came into being and how the social relations mediated by markets were formed The book deals with the creation of institutions like the Bank of England the Stock Exchange and Lloyd's of London as well as the way the English dealt with the uncertainty and the risks involved in market transactions Christiane Eisenberg shows that the creation of a market society and modern capitalism in England occurred under circumstances that were utterly different from those on the European continent In addition she demonstrates that as a process the commercialization of business society and culture in England did not lead directly to an industrial society as has previously been suggested but rather to a service economy

**Library of Congress Subject Headings**  
Library of Congress, Library of Congress. Office for Subject Cataloging Policy, 2004 [The Rise of Gönpö Namgyel in Kham](#)  
Yudru Tsomu, 2014-12-11 This book examines the ascendancy of a minor nineteenth century Tibetan chieftain Gönpö Namgyel who hailed from Eastern Kham a frontier region situated between the power centers of Central Tibet and Qing China For most of the nineteenth century Gönpö Namgyel dominated the politics of Kham and posed a serious challenge to both the Qing and Lhasa regimes The study explores the dynamics of local and national politics as well as the tensions over power and authority between the two power centers Drawing upon both Tibetan and Chinese primary sources the study sheds new light on the governance and polity of the Kham region enhancing our understanding of Sino-Tibetan conflicts regarding Kham from the nineteenth century up to the mid-twentieth century The book focuses on local events rather than seeing history as shaped solely by the power centers The rise of Gönpö Namgyel is situated within the context of the local politics of Kham while taking into consideration its relations with mid-nineteenth century Qing and Central Tibet It further explores the social cultural milieu that gave rise to this charismatic and controversial chief A series of questions emerge concerning traditional

historiographical practice including the historical practices of Chinese and Tibetan scholars as well as approaches to the history of China and Tibet by Western scholars Probing into history from a local perspective adds a new dimension to the study of nineteenth century Sino Tibetan relations This research reveals that there is no single force determining history nor are persons in the periphery mere passive observers of national events The kings governors and chieftains in Kham were active in shaping their own regional identity and asserting their own terms in relation to the two power centers demonstrating that the peripheries are equal partners in central periphery relations rather than passive recipients as has commonly been represented in earlier historical narratives

**America's Rise to Greatness Under God's Covenant** Miles Huntley Hodges, 2020-04-26 This book is part of a three part series on America as a Covenant Nation This volume covers from the rise of America's industrial revolution in the late 1800s to America's taking the position in the Cold War 1950s as the leader of the Free World It is a typical social political economic and military history of America untypical however in how it connects the intellectual moral and spiritual character of America with those same social events It takes the reader through the days of Western imperialism World War One the Roaring Twenties the Great Depression World War Two the beginning of the Cold War and finally the age of Middle America's grand success the 1950s It focuses heavily on the leaders most frequently the country's presidents and how their own personal spirituality shaped their times and the way the Christian community in particular responded to both the social challenges facing it and the spiritual leadership attempting to inspire and guide it It seeks to give the Christian reader or Secular reader if he or she is willing to be challenged a highly detailed knowledge of the historical path social and spiritual that has brought us to today's world and its enormous challenges

**Performing Memories** Gabriele Biotti, 2021-04-26 What is memory today How can it be approached Why does the contemporary world seem to be more and more haunted by different types of memories still asking for elaboration Which artistic experiences have explored and defined memory in meaningful ways How do technologies and the media have changed it These are just some of the questions developed in this collection of essays analysing memory and memory shapes which explores the different ways in which past time and its elaboration have been and still are elaborated discussed written or filmed and contested but also shared By gathering together scholars from different fields of investigation this book explores the cultural social and artistic tensions in representing the past and the present in understanding our legacies and in approaching historical time and experience Through the analysis of different representations of memory and the investigation of literature anthropology myth and storytelling a space of theories and discourses about the symbolic and cultural spaces of memory representation is developed

**Rise to Command** Isaac W. Hampton II, 2025-07-15 *Rise to Command* is a social history told in the words of twenty Black military officers who grew up in the Jim Crow era and served in the US military The officers speak candidly about their careers and struggles and the important lessons they learned from their communities which helped them succeed Black Americans in the armed forces fought on two fronts one against America

s external adversaries on the battlefield and the other against racial discrimination and segregation within military culture and American society The officers discuss living through segregation the civil rights movement and the Black Power movement These torchbearers speak frankly about the racially biased officer evaluation system gender discrimination and how they survived and thrived despite systemic obstacles Rise to Command examines the evolution of policies and cultural dynamics within the US military with a critical focus on the complexities of racial integration and equity It not only traces the history of change but also underscores the persistent challenges that continue to shape the experiences of service members Through the memories of Black officers Rise to Command provides a vital perspective on the struggle for inclusivity and justice within one of America's most enduring institutions The many perspectives from across the wars of the twentieth century highlight the progress these soldiers fought for from total segregation during World War II to the deployment of America's first racially integrated military force during the Vietnam War Although these officers may not have known it they were blazing the trail for the next generation of Black Americans in and out of military service

*Contemporary Irish Documentary Theatre* Mary Raftery, Colin Murphy, Jimmy Murphy, Martin Lynch, Domingos Nunez, Grace Dyas, 2020-05-14 Contemporary Irish Documentary Theatre is the first anthology of Irish documentary drama It features five challenging plays by Irish writers and one by an international author interrogating and commenting on crucial events of Irish history and of the diaspora with introductory essays by established academics Together these plays represent the most innovative development in contemporary Irish theatre and illuminate the social and political realities of contemporary Ireland The first two plays of 2010 and 2013 deal with scandals of clerical and institutional abuse and use as source material the Ryan Report of 2009 and the documents from the 2008 Irish Bank Guarantee The next two of 2014 and 2013 concern interpretations of the most iconic moment of Irish history the Easter Rising The first of these is based on published statements of participants in the event and the second on the lived experiences of those in the contemporary Republic whose founding ideals have not been realized The last two plays of 2015 and 2016 widen the view to the history of the Irish in the diaspora one retelling the history of emigration to England based on published research material and the other tracing Roger Casement's experiences in the Amazon and his subsequent participation in the Easter Rising using extracts from his diaries and other writings The plays included and discussed are No Escape by Mary Raftery Guaranteed by Colin Murphy Of This Brave Time by Jimmy Murphy History by Grace Dyas My English Tongue My Irish Heart by Martin Lynch The Two Deaths of Roger Casement by Domingos Nunez

The Rise and Fall of Meter Meredith Martin, 2012-05-06 Why do we often teach English poetic meter by the Greek terms iamb and trochee How is our understanding of English meter influenced by the history of England's sense of itself in the nineteenth century Not an old fashioned approach to poetry but a dynamic contested and inherently nontraditional field English meter concerned issues of personal and national identity class education patriotism militarism and the development of English literature as a discipline The Rise and Fall of Meter tells the unknown story of English meter from the late

eighteenth century until just after World War I Uncovering a vast and unexplored archive in the history of poetics Meredith Martin shows that the history of prosody is tied to the ways Victorian England argued about its national identity Gerard Manley Hopkins Coventry Patmore and Robert Bridges used meter to negotiate their relationship to England and the English language George Saintsbury Matthew Arnold and Henry Newbolt worried about the rise of one metrical model among multiple competitors The pressure to conform to a stable model however produced reactionary misunderstandings of English meter and the culture it stood for This unstable relationship to poetic form influenced the prose and poems of Robert Graves Siegfried Sassoon Wilfred Owen W B Yeats Ezra Pound and Alice Meynell A significant intervention in literary history this book argues that our contemporary understanding of the rise of modernist poetic form was crucially bound to narratives of English national culture

**Why Nations Rise** Manjari Chatterjee Miller, 2021-01-22 What are rising powers Do they challenge the international order Why do some countries but not others become rising powers In *Why Nations Rise* Manjari Chatterjee Miller answers these questions and shows that some countries rise not just because they develop the military and economic power to do so but because they develop particular narratives about how to become a great power in the style of the great power du jour These active rising powers accept the prevalent norms of the international order in order to become great powers On the other hand countries which have military and economic power but not these narratives do not rise enough to become great powers they stay reticent powers An examination of the narratives in historical the United States the Netherlands Meiji Japan and contemporary Cold War Japan post Cold War China and India cases *Why Nations Rise* shows patterns of active and reticent rising powers and presents lessons for how to understand the rising powers of China and India today

*The Rise of the Midwestern Meat Packing Industry* Margaret Walsh, 2021-09-15 The history of the meat packing industry of the Midwest offers an excellent illustration of the growth and development of the economy of that major industrial region In the course of one generation meat packing matured from a small scale part time activity to a specialized manufacturing operation Margaret Walsh's pioneering study traces the course of that development shedding light on an unexamined aspect of America's economic history As the Midwest emerged from the frontier period during the 1840s and 1850s the growing urban demand for meat products led to the development of a seasonal industry conducted by general merchants during the winter months In this early stage the activity was widely dispersed but centered mainly along rivers which provided ready transportation to markets The growth of the railroads in the 1850s coupled with the westward expansion of population created sharp changes in the shape and structure of the industry The distinct advantages of good rail connections led to the concentration of the industry primarily in Chicago but also in St Louis and Milwaukee The closing of the Mississippi River during the Civil War insured the final dominance of rail transport and spelled the relative decline of such formerly important packing points as Cincinnati and Louisville By the 1870s large and efficient centralized stockyards were being developed in the major centers and improved technology particularly ice packing favored those who had the

capital resources to invest in expansion and modernization By 1880 the use of the refrigerated car made way for the chilled beef trade and the foundations of the giant meat packing industry of today had been firmly established Margaret Walsh has located an impressive array of primary materials to document the rise of this important early industry the predecessor and in many ways the precursor of the great industrial complex that still dominates today s midwestern economy

Thank you very much for reading **Rising From History**. As you may know, people have search hundreds times for their favorite books like this Rising From History, but end up in harmful downloads. Rather than enjoying a good book with a cup of tea in the afternoon, instead they are facing with some infectious virus inside their desktop computer.

Rising From History is available in our digital library an online access to it is set as public so you can get it instantly. Our digital library saves in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

Kindly say, the Rising From History is universally compatible with any devices to read

### **Rising From History Introduction**

In today's digital age, the availability of Rising From History books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rising From History books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rising From History books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rising From History versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rising From History books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rising From History books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rising From History books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rising From History books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rising From History books and manuals for download and embark on your journey of knowledge?

### **FAQs About Rising From History Books**

1. Where can I buy Rising From History books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Rising From History book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Rising From History books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Rising From History audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Rising From History books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
