Rites Of First Blood:

Nyae Nyae !Kung Beliefs and Rites Lorna Marshall, 1999 Marshall leads the reader through the intricacies ambiguities and silences of Kung beliefs Based on fieldwork among the Bushmen of the Kalahari in the early 1950s she presents the culture beliefs and spirituality of one of the last true hunting and gathering peoples by focusing on members of different bands as they reveal their own views

Jailbreaking the Goddess Lasara Firefox Allen, 2025-08-05 Jailbreaking the Goddess is a revolutionary revisioning of the feminine divine Where the maiden mother crone archetypal system is tied to female biology and physical stages of life the fivefold model liberates the female experience from the shackles of the reproductive model In a woman's lifetime she will go through several different cycles of beginnings potential creation mastery and wisdom This fivefold model is not an adaption of the threefold It is a new system that embraces the powerful fluid nature of the lived experience of women today Join Lasara Firefox Allen as she explores the nature of the five archetypes gives examples of what areas of life each might preside over lists goddesses that fit within each archetype suggests ways to begin building relationship with the different archetypes and provides simple rituals for recognition transition and invocation Praise Jailbreaking the Goddess is an important contribution to the writings on Goddess tradition and feminist spirituality I love her political savvy her sensitivity around issues of diversity and cultural awareness and appropriation and her unabashed celebration of pleasure sensuality and life Starhawk This fiercely inspired body of work is art theory and passion Genius Rosa De Anda from her foreword Lasara Firefox Allen delves deep into the ways in which colonialist language has shaped our experience of the divine feminine This is an innovative work that has the potential to change the face of modern feminist spirituality Suzanne Sterling founder of Voice of Change

Manifesta Jennifer Baumgardner,Amy Richards,2000-10-04 In contrast they show the vibrance with which the movement has evolved detail important political goals that still need to be achieved and spell out what a world with true equality would look like BOOK JACKET Introduction to New and Alternative Religions in America William M. Ashcraft,Eugene V.

Gallagher,2006-10-30 Most new or alternative religious are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more mis understanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context Determining what actually constitutes a new or alternative religion is a subject of constant debate Questions arise as to a new faith s legitimacy

beliefs methods of conversion and other facets of a religious movement's viability and place in a given culture How a religion gains recognition by the mainstream which often labels such new movements as cults is fraught with difficulty tension and fear Here experts delineate the boundaries and examine the various groups beliefs movements and other issues related to new faiths and alternative beliefs Readers will come away with a fuller understanding of the religious landscape in America today Volume 1 History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved Volume 2 Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths Groups such as the Shakers the People's Temple the Branch Davidians Jehovah's Witnesses and others are examined Volume 3 Metaphysical New Age and Neopagan Movements looks at Shamanism Spiritualism Wicca and Paganism among other movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood Volume 4 Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha'i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of groups practicing and worshiping in the U S today Volume 5 African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam alongside traditions that are truly American incarnations like Scientology UFO religions and Heaven's Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital Hare Krishna Soka Gakkai and many more **Providential Decree**

C. O. T. Appiah, 2024-12-24 After Attorney Kwame Agyei Poku wins the heart of a beautiful young British woman they marry and have a daughter together With his position in the Ministry of Justice Kwame and his family live in a large manor with servants a far cry from his childhood living conditions a life he has kept well hidden from his wife and daughter He has never introduce them to his family In fact he has not seen his father in thirty years since that fateful evening that changed everything He was eleven when he ran away from his father's home after being accused of something he did not do The ordeal caused him such anxiety heartache and loneliness that he never told his wife the true reason he did not want to return to his childhood village Moreover from an experience he witnessed as a child he knows that marrying a foreigner is considered taboo in his father's house and he is worried about how they might receive her But after years of pressure from his wife and daughter and with no excuses left Kwame agrees to take them to meet his long lost family As they take the long and arduous journey to his childhood village and spend time there Kwame must face not only his father and his father's family once again but also the past that haunts him And never would the family of three have imagined all the surprises they would discover on their trip ones that would shape their lives forever New Testament Theology and Its Quest for Relevance Thomas Hatina, 2013-03-14 This guide to structuring and creating a New Testament theology shows students how

to examine ancient texts in the modern world *Ritual, Media, and Conflict* Ronald L. Grimes,Ute Husken,Udo Simon,Eric Venbrux,2011-03-23 Rituals can provoke or escalate conflict but they can also mediate it and although conflict is a normal aspect of human life mass media technologies are changing the dynamics of conflict and shaping strategies for deploying rituals This collection of essays emerged from a two year project based on collaboration between the Faculty of Religious Studies at Radboud University Nijmegen in the Netherlands and the Ritual Dynamics Collaborative Research Center at the University of Heidelberg in Germany An interdisciplinary team of twenty four scholars locates describes and explores cases in which media driven rituals or ritually saturated media instigate disseminate or escalate conflict Each multi authored chapter is built around global and local examples of ritualized mediatized conflict The book s central question is When ritual and media interact either by the mediatizing of ritual or by the ritualizing of media how do the patterns of conflict change

Women's Rites of Passage Abigail Brenner,2007 Women s Rites of Passage grew out of Abigail Brenner s desire to answer some fundamental questions about the role of rites of passage in contemporary women s lives Relying on a research study involving over 50 women Brenner shows how women today understand the need to take responsibility for their lives and for directing their own paths and are beginning to do so by creating their own very personal rites of passage **Roles and Rituals for Hindu Women** Julia Leslie,1992 The considerable interest currently being expressed in women and religion has thrown down an important challenge the need to see women not merely as the passive victims of an oppressive ideology but also perhaps primarily as the active agents of their own positive constructs This book therefore aims to fill a notable gap in the literature Twelve contributors study the role of women in Hindu religion by examining textual studies of the part played by women in a variety of religion rituals both past and present by exploring the socio religious context of their various communities and by using specialist material to draw on cross cultural conclusions **The Gifted Passage** Stephen D. Houston,2018-01-01 In this thought provoking book preeminent scholar Stephen Houston turns his attention to the crucial role of young males in Classic Maya society drawing on evidence from art writing and material culture The Gifted Passage establishes that adolescent men in Maya art were the subjects and makers of hieroglyphics painted ceramics and murals in works that helped to shape and reflect masculinity in Maya civilization The political volatility of the Classic Maya period gave male adolescents valuable status as potential heirs and many of the most precious surviving ceramics likely celebrated their coming of age rituals The ardent hope was that youths would grow into effective kings and noblemen capable of leadership in battle and service in royal courts Aiming to shift mainstream conceptions of the Maya Houston argues that adolescent men were not simply present in images and texts but central to both **Ariadne's Thread** Laura Perry,2013-08-30 The Minoan world comes alive through seasonal rituals and rites of passage honoring Ariadne and her Labyrinth **Routledge Handbook of Gender, Culture, and Development in India** N. B. Lekha,Pradeep Kumar M.,2024-08-30 Lekha Kumar M and their team of contributors embark on a transformative exploration of Intersectionality in the Indian context where gender

culture and development intersect to shape the destinies of diverse groups Drawing from extensive research and nuanced analyses by scholars across the country and a few scholars on India from outside the country the handbook uncovers the intricate connections between gender inequalities cultural norms and practices and developmental trajectories that illuminate how these factors intersect and shape the lives of individuals communities and societies beyond India's borders The book encompasses discussions on the category of gender and the practice of gender studies workspace economy and technology It explains the intricate intersections between gender labour migration and informal economies offering a deeper understanding of the composite factors that shape women as the workforce and their role within the workplace and the economy It also delves into the multifaceted influences of culture on various aspects of society including gender roles language agriculture and development The focus upon the sociocultural dimensions connected to the portrayal of gender in the media elaborated on how diverse media platforms ranging from digital interfaces to televised serials play a pivotal role in shaping and mirroring gender identities roles and societal norms within their specific environments Most importantly it critically engages with issues of education marginalization inclusion and sustainable development Case studies on marginalized communities such as the urban poor elderly sweepers and widows contribute to broader discourses on developmental paradigms vis vis poverty and social exclusion Academics researchers and students interested in gender culture and development studies will find this handbook invaluable in understanding and addressing gender inequities cultural imbalances and development complexities Policymakers NGOs and activists committed to social progress will appreciate the evidence based insights enabling them for informed actions and policies that transcend conventional boundaries

The Threshold Covenant; or, The Beginning of Religious Rites H. Clay Trumbull, 2022-05-28 In *The Threshold Covenant or The Beginning of Religious Rites* H Clay Trumbull presents a compelling exploration of ancient religious practices surrounding covenants particularly focusing on the significance of thresholds in sacred rites Trumbull's literary style is characterized by meticulous research woven into a readable narrative that bridges historical and theological analysis Drawing from extensive biblical sources and anthropological studies he contextualizes the covenant tradition within the larger framework of societal norms and religious observance offering readers a profound understanding of the cultural dynamics that shaped these early rites H Clay Trumbull a prominent figure in the field of religious studies was known for his keen interest in the intersections of anthropology and theology His background in the study of customs and traditions greatly influenced his writing of this book as he sought to illuminate the often overlooked aspects of sacred agreements and their implications for both historical and contemporary faith practices Trumbull's scholarly life was marked by a commitment to elucidate the profound significance behind religious rituals making him an authoritative voice in this area I highly recommend *The Threshold Covenant* to scholars theologians and lay readers alike as it unveils the rich tapestry of early religious practices that inform modern belief systems This work not only enriches one's understanding of sacred traditions

but also invites deep reflection on the enduring nature of sacred commitments in human society
