Semi-Tough Luck Jackie Barbosa, 2021-11-16 Note This novella was originally released in the limited edition anthology Do It Again Sylvia Tonight I lost my home most of my possessions and my livelihood when my semi rig was stolen from a truck stop parking lot in Middle of Nowhere Nebraska Yeah everything's insured but that still leaves me with nowhere to sleep one change of clothing no way to get home and only the paltry credit line on my Visa to cover my expenses until the insurance company settles So it's not like I can easily refuse when the local sheriff suggests that I hitch a ride with his younger brother Ivan Carlson who's headed to San Diego to play pro hockey There's no reason to think Ivan will be anything but a perfect gentleman Which is a shame because he's sex on skates but it would be wrong for me to take advantage of him Wouldn't it Ivan When I met Sylvia Figueres she was having the worst day of her life The last thing a woman in her shoes needs is some stranger hitting on her But man I want to Then my brother points out that she needs a ride to the west coast and I just happen to be going that way I can't say no and since my big brother the goddamn sheriff is trusting me to behave like the gentleman I'm not I'm going to have to keep my feelings to myself And

How Postmodernism Explains Football and Football Explains Postmodernism: The Billy Clyde Conundrum

The Los Angeles Times called him a counterculture icon and TV Guide dubbed him one of TV's Ten Most Powerful Stars but true aficionados simply call him The Hoff. Don't Hassel the Hoff follows David Hasselhoff's phenomenal career from his earliest childhood role in Peter Pan to his latest adventure starring in Mel Brooks's Tony award winning musical The Producers. There is no better time to celebrate Hasselhoff's life and a career that continues to grow and thrive. As the star of the extremely popular classic television shows Baywatch and Knight Rider, Hasselhoff is an international mega star with platinum album sales and starring roles on Broadway and London's West End. As this fascinating memoir reveals, there's more to this handsome superstar than great hair and legs that look good while running down a beach. The Hoff is also a smart, caring man with a huge heart. This book is my opportunity to print something from my heart to tell the truth about what happened to me on the long and winding road from Baltimore to Baywatch to Broadway and beyond. And the truth is not to be found in tabloid stories but in my actions. I am a good father and tried to be a good husband. I love people and the emotional rollercoaster that goes with human relationships. I love all the bewildering, crazy and wonderful things that life has to offer. This book is about my successes and my failures, my strengths and my weaknesses. And above all, it is about the hope contained in the Knight Rider slogan: One man can make a difference. David Hasselhoff: Full of Behind the Scenes looks at Hasselhoff's television series, celebrations of his proudest moments and the truths about his struggles with relationships and alcohol. Don't Hassel the Hoff is both highly entertaining and deeply personal, making this an engrossing page-turner from start to finish. Long live The Hoff.

Making Waves Catherine J Todd, 1997-04-03. Making Waves follows Hasselhoff's acting career from his early childhood role in Peter Pan to his highly acclaimed performance in Chicago in London's West End and his new TV triumph in Simon Cowell's America's Got Talent. The wealth of inside information includes untold stories of his first marriage and his life as a TV star in Knight Rider and Baywatch. At times deeply personal, it also reveals his fight against drink that nearly drove him to destruction and the devastating motorbike accident in which his second wife Pamela was badly injured. The conclusion covers the reasons for the breakdown of their marriage. Described as a living legend, this fascinating book gives a new and moving insight into what it means to be the most watched TV star in the world.

The Drop Dead Funny '70s Dan Lalande, 2023-08-04. This work offers a critical examination of 130 commercially released film comedies of the 1970s. It considers the socio-political circumstances of each year of the decade, then critiques each film released that year with a focus on its effect on the film industry and the art of big screen comedy, as well as the emergence of talents whose work influenced or was influenced by the zeitgeist of the decade. Covering popular titles like M*A*S*H, Blazing Saddles, American Graffiti, The Bad News Bears, Smokey and the Bandit, and many more, it argues that the 1970s may rightly be considered the last golden age of film comedy.
