Semitic And Sikh Monotheism A Comparative Study:

Semitic and Sikh Monotheism Rajinder Kaur Rohi,1999 **International Bibliography of Sikh Studies** Rajwant Singh Chilana,2006-01-16 The International Bibliography of Sikh Studies brings together all books composite works journal articles conference proceedings theses dissertations project reports and electronic resources produced in the field of Sikh Studies until June 2004 making it the most complete and up to date reference work in the field today One of the youngest religions of the world Sikhism has progressively attracted attention on a global scale in recent decades An increasing number of scholars is exploring the culture history politics and religion of the Sikhs The growing interest in Sikh Studies has resulted in an avalanche of literature which is now for the first time brought together in the International Bibliography of Sikh Studies This monumental work lists over 10 000 English language publications under almost 30 subheadings each representing a subfield in Sikh Studies The Bibliography contains sections on a wide variety of subjects such as Sikh gurus Sikh philosophy Sikh politics and Sikh religion Furthermore the encyclopedia presents an annotated survey of all major scholarly work on Sikhism and a selective listing of electronic and web based resources in the field Author and subject indices are appended for the reader s convenience **The A to Z of Sikhism** W. H. McLeod,2009-07-24 Contrary to popular opinion there is more to Sikhism than the distinctive dress First of all there is the emergence of Guru Nanak the founder of Sikhism and the long line of his successors There are the precepts many related to liberation through the divine name or nam There is a particularly turbulent history in which the Sikhs have fought to affirm their beliefs and resist external domination that continues to this day There is also more recently the dispersion from the Punjab throughout the rest of India and on to Europe and the Americas With this emigration Sikhism has become considerably less exotic but hardly better known to outsiders This reference is an excellent place to learn more about the religion It provides a chronology of events a brief introduction that gives a general overview of the religion and a dictionary with several hundred entries which present the gurus and other leaders trace the rather complex history expound some of the precepts and concepts describe many of the rites and rituals and explain the meaning of numerous related expressions All this along with a bibliography provides readers with an informative and accessible guide toward understanding Sikhism Historical Dictionary of Sikhism Louis E. Fenech,W. H. McLeod,2014-06-11 Sikhism traces its beginnings to Guru Nanak who was born in 1469 and died in 1538 or 1539 With the life of Guru Nanak the account of the Sikh faith begins all Sikhs acknowledging him as their founder Sikhism has long been a little understood religion and until recently they resided almost exclusively in northwest India Today the total number of Sikhs is approximately twenty million worldwide About a million live outside India constituting a significant minority in the United Kingdom Canada and the United States Many of them are highly visible particularly the men who wear beards and turbans and they naturally attract attention in their new countries of domicile This third edition of Historical Dictionary of Sikhism covers its history through a chronology an introductory essay and an extensive bibliography The dictionary section

has over 1000 cross referenced entries on key persons organizations the principles precepts and practices of the religion as well as the history culture and social arrangements This book is an excellent access point for students researchers and anyone wanting to know more about Sikhism Historical Dictionary of Sikhism W. H. McLeod,2005-07-21 Contrary to popular opinion there is more to Sikhism than the distinctive dress First of all there is the emergence of Guru Nanak the founder of Sikhism and the long line of his successors There are the precepts many related to liberation through the divine name or nam There is a particularly turbulent history in which the Sikhs have fought to affirm their beliefs and resist external domination that continues to this day There is also more recently the dispersion from the Punjab throughout the rest of India and on to Europe and the Americas With this emigration Sikhism has become considerably less exotic but hardly better known to outsiders This expanded and updated second edition of the dictionary is an excellent place to learn more about the religion It provides a chronology of events a brief introduction that gives a general overview of the religion and a dictionary with several hundred entries which present the gurus and other leaders trace the rather complex history expound some of the precepts and concepts describe many of the rites and rituals and explain the meaning of numerous related expressions All this along with a copious bibliography provides readers with an informative and accessible guide toward understanding Sikhism

A Dictionary of Sikh Studies Pashaura Singh,2019-04-18 This new dictionary provides over 350 accessible definitions of the terms that the growing number of students of Sikhism will encounter It covers beliefs practices festivals sacred sites and principal languages as well as the social and religious processes through which Sikhism has evolved A major focus is the teachings of the founder of Sikhism Guru Nanak and doctrinal developments under subsequent Gurus Incorporating the 500 year history of Sikhism from its birth in northern India to its more recent spread around the world it covers the interplay between the Sikh tradition and other religious traditions including Hindu and Sufi It is an invaluable first reference for students and teachers of Sikhism religious studies South Asian studies and philosophy as well as the related disciplines of history sociology and anthropology as well as for all practicing Sikhs and anyone with an interest in Sikh religion and culture

Studies in Sikhism and Comparative Religion ,2003 *Sikhism and Christianity* W.O. Cole,Piara Singh Sambhi,2016-02-08 This volume will provide a thorough comparison of the rituals beliefs and history of Sikhism and Christianity Chapters will focus on God revelation the scriptures worship ethics and the history of these two religions and will highlight both differences and similarities

American Book Publishing Record R.R. Bowker Company,1978 *Journal of Sikh Studies* ,1985 **Indian Books in Print** ,2001 The Sikh Review ,2000 *Bibliographic Guide to Government Publications* New York Public Library. Research Libraries,1999 ਸਿੱਖ ਧਰਮ ਦਾ ਇਤਿਹਾਸ ,2008 Sikh Concept of the Divine Prītama Singha,2002 This Book Analyses The Many Texts Of Sikhism In Detail **Index to Jewish Periodicals** ,1979 Religion and Violence John L. Esposito,2018-10-01 This book is a printed edition of the Special Issue Religion Violence that was published in Religions **Nation-state and Minority Rights in India** Tanweer Fazal,2014-08-01 The blood laden

birth pangs of the Indian nation state undoubtedly had a bearing on the contentious issue of group rights for cultural minorities. Indeed the trajectory of the concept minority rights evolved amidst multiple conceptualizations, political posturing and violent mobilizations and outbursts. Accommodating minority groups posed a predicament for the fledgling nation state of post colonial India. This book compares and contrasts Muslim and Sikh communities in pre and post Partition India. Mapping the evolving discourse on minority rights, the author looks at the overlaps between the Constitutional and the majoritarian discourse being articulated in the public sphere and poses questions about the guaranteeing of minority rights. The book suggests that through historical ruptures and breaks, communities oscillate between being minorities and nations. Combining archival material with ethnographic fieldwork, it studies the identity groups and their vexed relationship to the ideas of nation and nationalism. It captures meanings attributed to otherwise politically loaded concepts such as nation, nation state and minority rights in the everyday world of Muslims and Sikhs and thus tries to make sense of the patterns of accommodation, adaptation and contestation in the life world. Successfully confronting and illuminating the challenge of reconciling representation and equality both for groups and within groups, this exploration of South Asian nationalisms and communal relations will be of interest to academics in the field of South Asian Studies, in particular Sociology and Politics. *Khoja patrikā*, 1998

Get Set for Religious Studies Dominic Corrywright, 2006-04-13

The transition from RE A level or from entirely alternate roots, many RS students have not taken previous RS related courses to Religious Studies at university requires some careful shepherding. The field is huge. This introductory book will provide a clear map for the key features of the terrain. The two main strands shaping the book define what religions are and explain how Religious Studies approaches the religions. The language is clear at the same time as introducing some of the key terminology used in the study of religions. The study of religions and the academic discipline of Religious Studies are growing areas in tertiary education in the UK. The continued interest in RE AS and A level as well as the growth in cognate humanities and social sciences such as Psychology, Sociology, Philosophy at AS A level and GNVQ level indicates the significant interest amongst students on matters that pertain to culture and humanity in general. Students realise that religion is a driving force in contemporary culture and the study of it is central to understanding the contemporary world. The statistics on religious belief bear out their interest: four billion out of the six billion people who inhabit the world profess religious belief, even in the secular societies of the Western world, religiosity is growing and changing. A recent BBC poll stated that 70% of people in the UK believe in a higher being or spiritual force.

Eventually, you will certainly discover a other experience and finishing by spending more cash. still when? complete you take on that you require to acquire those all needs like having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will guide you to comprehend even more nearly the globe, experience, some places, later history, amusement, and a lot more?

It is your unconditionally own period to perform reviewing habit. accompanied by guides you could enjoy now is **Semitic And Sikh Monotheism A Comparative Study** below.
