Send No More Roses:

Send No More Roses Eric Ambler, 2023-10-03 A battle of criminal minds leads to deadly attacks in the Gold Dagger Award winning author's thriller of cerebral twists and sophisticated wit. In the parlance of criminology, an Able Criminal is one who flies below the radar of crime syndicates and law enforcement alike. Employing no discernable pattern or method, he is virtually uncatchable, but that won't stop criminologist Frits Krom from trying. Krom believes that Paul Firman, the director of an ostensibly legitimate international investment firm, is a textbook Able Criminal. Surprisingly, Firman has agreed to an interview with Krom at his secluded villa on the French Riviera. But amid their barbed exchanges, it becomes clear that the host and his guest are under siege by a third party, one whose motives and violent intentions are unclear. Now criminal and criminologist will have to join forces in order to survive. *Send No More Roses* was previously published under the title *The Siege of the Villa Lipp*.

The Siege of the Villa Lipp Eric Ambler, 2012-12-11 The Able Criminal as defined by noted criminologist Frits Krom strikes with no discernible pattern or method and flies below the radar of crime syndicates and law enforcement agencies alike. He is virtually uncatchable, but Krom is willing to try. He knows that Paul Firman, the director of an ostensibly legitimate international investment firm, is in fact an expert in tax avoidance and a textbook Able Criminal. Surprisingly, Firman agrees to submit to an interview with Krom and his two colleagues at his secluded villa on the French Riviera. He's more than a little curious about what they really want from him and confident he can avoid implicating himself. But it soon becomes evident that the host and his guests are under siege by a third party, one whose motives and violent intentions are unclear. If they are to survive, the criminal and the criminologists will have to band together. *The Siege of the Villa Lipp* is a classic Eric Ambler tale of suspense in which a man thrust into a high stakes situation far outside of his usual expertise finds himself at the mercy of forces beyond his control.

The Levanter Eric Ambler, 2023-10-03 A Syrian businessman is drawn into the deadly machinations of Palestinian terrorists in the acclaimed author's Gold Dagger winning thriller *Syria* 1970. As a self-described Levantine mongrel, Michael Howell is used to navigating the shifting sands of Middle East politics. Over the years, he has successfully maintained his business enterprise through war, revolutions, and takeovers, thanks in part to his office manager and mistress, Teresa. Staunchly apolitical and programmed for survival, Howell enjoys the sweet life. But that all changes one fateful night in Damascus when he finds men working overtime in his factory secretly making bombs for the fanatical Palestinian Action Force. Suddenly, Howell is caught in the middle with nowhere to run.

Broonland Christopher Harvie, 2020-05-05 How did the intellectually intimidating, industrious architect of the New Labour project become its maligned and feckless undertaker? In this scathing, witty indictment of Gordon Brown's tenure as prime minister, Christopher Harvie says goodbye to Brown by exploring the Britain New Labour helped create. It is a place where the gap between rich and poor grows ever wider and manufacturing has been replaced by retail, entertainment, and recreation for which read shopping, gambling, and drinking. Now that the casino economy has veered wildly out of control and

our public utilities and industries have been auctioned to the highest bidder Broonland is both an essential anatomy of a country on the brink of collapse and a caustic darkly funny portrait of a decade that took Britain from boom through bust to busted

Pragmatics (Routledge Revivals) Roger D. Sell,2014-10-14 Up until the mid 1980s most pragmatic analysis had been done on spoken language use considerably less on written use and very little at all on literary activity This has now radically changed Pragmatics could be informally defined as the study of relationships between language and its users This volume first published in 1991 seeks to reposition literary activity at the centre of that study The internationally renowned contributors draw together two main streams On the one hand there are concerns which are close to the syntax and semantics of mainstream linguistics and on the other there are concerns ranging towards anthropological linguistics socio and psycholinguistics Literary Pragmatics represents an antidote to the fragmenting specialization so characteristic of the humanities in the twentieth century This book will be of lasting value to students of linguistics literature and society Roger D Sell discusses the reissue of Literary Pragmatics here http://www.routledge.com/articles/roger_d_sell_discusses_the_reissue_of_literary_pragmatics
