Sennets Tuckets:

Wish for a Sinner Lynn Shurr,2014-07-25 Joe Dean Billodeaux womanizing star quarterback for the New Orleans Sinners thinks maybe just maybe he should look for a more wholesome woman than the ones who quickly signed his little black book when his promised season of celibacy ended Nellwyn Abbott who helps fulfill the dreams of critically ill children isn t interested in Joe his black book or becoming one of his conquests After overcoming childhood leukemia she knows there is more to life than casual pleasures While she rebuffs Joe at every turn she finds herself repeatedly thrown together with him by well meaning friends Though spooked by Nell s cancer experience Joe realizes there might be more to life than sex and football Can he convince Nell to give them the family she always dreamed of but thought was out of her reach

Cincinnati Magazine ,2009-02 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region Godonism Theo Von Cezar,2010-10-12 The story starts with friends Ahma and Jovian who like most humans have fallen on terrible luck There s nothing special about these two or humanity in general The dystopian grey world the men live in is held tightly in the grip of overpopulation People are subsisting and not much more The friends have nothing to look forward to until they happen to find the Church of All Nonbelievers What s the guiding principle of this somewhat sacrilegious institution As the book states GOD IS NOT INDEBTED TO THE UNIVERSE AND TIME WE ARE INDEBTED TO OUR GOD Enter a paranormal being who offers Ahma and Jovian the chance to rise above their meager existence The offer comes with a warning Should the two mess up the opportunity they ll bring their own ruination The story leads the friends down a winding path that is one half The Matrix and another half Heresy In the end the men find out their ties run deeper than ever thought the government s guiding hand in their lives more invasive and the lines between religion and science so completely blurred that both begin to look like futuristic psychology

contradict what the Bible says about itself In this helpful book you ll learn how to read and understand God s Word and discover a variety of helpful study tools for continued growth and learning The People s Bible Teachings is a series of books on all the main teachings of the Bible Following the pattern set by The People s Bible series these books are written for all Christians in an easy to read manner The authors of The People s Bible are all pastors and professors who have had years of experience teaching others about the Bible

Tyson Ramsey handsome arrogant and king of the campus for his football prowess has earned the title of The Golden Ram Though rude to student reporter Edie Billodeaux in an interview she can t help but feel a tiny bit of attraction However only long legged beauties ride on his motorcycle not short brunettes like her Still Edie is shocked when rumors of his drug use turn out to be true He is kicked off his college team leaving him with no future in the game Determined not to see talent wasted she hounds him into entering rehab What she doesn t foresee is her father a legendary quarterback taking Ty under his wing to prepare him for the NFL Draft So much closeness so much temptation to become involved with a man determined to turn his life around

Horror Noire Robin R.
