## **Sensual Faith Experiencing God Through Our Senses:**

*A Sensual Faith* Ian Price, 2001-09 This five session group study explores each of the five senses as a doorway to deepening our faith and encountering God Use it for a midweek group or a week long focused study Touch God through a hug from a friend hear God in the laughter of a child breathe in God through the aroma of the salty sea see God in the wings of a butterfly taste God in the texture of bread Simple experiential exercises and activities inspire participants to reflect on God life biblical passages and themselves Features Outlines five sessions for group study Leader notes list materials needed for whole program Flexibility allows group to tailor program to suit needs of participants      **A Sensual Faith** Ian T. Price, 2000      **Prayers To Share Year C** David Sparks, This book is the second in the popular series from David Sparks Based on the scripture readings from the Revised Common Lectionary Prayers To Share offers church leaders an entire year s worth of responsive prayers for use in worship and other church group settings This second volume is for year C Includes Call to Worship Opening Prayer Prayer of Confession Words of Assurance Offertory Prayer and Commissioning Prayer for each Sunday of the church year including all the propers A thematic index allows leaders to pick prayers by subject for use in a variety church settings      **John for Beginners** James Taylor, 2001 This Bible study invites both new and long time learners into an intimate and personal exploration of the Gospel of John While the gospels of Matthew Mark and Luke speak directly to the actions and teachings of Jesus John speaks in more symbolic language that can take us to deeper levels in our own reflection of who Jesus is Intended as a group study launching pad for discussion this commentary can also be used for individual study Includes questions to encourage reflection as well as short prayers after each section Appendix includes Suggestions for Study Leaders Because the Gospel of John appears at various places throughout each of the 3 year cycle this book makes a good study any time for lectionary study groups      *Connecting the Liturgy with Our Lives* Kathy Kuczka, 2019-02 Series of bulletin inserts that will help connect the person in the pew with the liturgical year      *Fruitful Embraces* Evelyn E. & James D. Whitehead, 2014-09-10 Sexuality and justice often seem odd bedfellows Sexual embraces of intimacy and passion thrive in our private lives while justice safeguards the laws and duties that govern the public realm Yet intuitively we sense there are deeper connections Both sexuality and justice support the holistic ideal proclaimed by the early Christian writer Ireneaus the glory of God is the human person fully alive Evelyn and James Whitehead combine professional expertise as a psychologist and historian of religion as well as personal experiences and extensive research to explore the interplay of sexuality love and justice on the spiritual journey today While drawing on biblical themes and contemporary psychological insight the Whiteheads examine modern experiences of attachment and vulnerability marriage and friendship compassion and sexual diversity and the psychological and spiritual experiences of transgender persons a new and often bewildering consideration for many Christians Included is a reflection on a prophetic Christian ministry in support of sexuality and justice that illustrates the importance of moral awareness and sensual attunement to the world Fruitful

Embraces utilizes Christian theology and effective pastoral ministry to explore the vital connections between sexuality and Christian spirituality and links between compassion and justice that will encourage anyone on a spiritual journey to open their hearts and minds to the extravagant diversity of creation      Creative Worship 2 Ian Price,2002 Developed out of a tremendous interest in creative worship this compilation of worship services comes from a call to churches across Canada Australia and the USA to submit liturgies and orders of worship A number of very special liturgies came from this call including A Christian Ritual Affirming Pregnancy An Earth Day Service A Service of Reconciliation for Congregations in Conflict and a Service of Naming and Thanksgiving Also included are poems readings songs and other ideas to build creative worship services for key Sundays of the Christian year For each worship service there is a full liturgy Includes a CD containing the text      *Canadian Book Review Annual* ,1975      **Poetic Theology** William A. Dyrness,2011 What are the poetics of everyday life What can they teach us about God Art music dance and writing can certainly be poetic but so can such diverse pastimes as fishing skiing or attending sports events Any and all activities that satisfy our fundamental need for play for celebration and for ritual says William Dyrness are inherently poetic and in Poetic Theology he demonstrates that all such activities are places where God is active in the world All of humanity s creative efforts Dyrness points out testify to our intrinsic longing for joy and delight and our deep desire to connect with others with the created order and especially with the Creator This desire is rooted in the presence and calling of God in and through the good creation With extensive reflection on aesthetics in spirituality worship and community development Dyrness s Poetic Theology will be useful for all who seek fresh and powerful new ways to communicate the gospel in contemporary society William Dyrness s bold invitation to a poetic theology shaped by Scripture tradition and imagination one luring us toward a fuller participation in beauty than argument or concept alone allow reminds us that truth itself is beautiful to behold and poetic to the core If poetry is in its deepest reflex an intensification of life then Dyrness s call for a poetic theology is one we ignore at our peril reminding us that faithful living is not only about proper thinking but also and perhaps more properly about the texture of our living and the quality of our loving Mark S Burrows Andover Newton Theological School Makes a strong case for aesthetics as one of the avenues used by God to draw human beings near to him and his glory A wonderful journey through Reformed spirituality and a wake up call for Reformed theology Cornelius van der Kooi Free University Amsterdam      **The Dance Between God and Humanity** Bruce K. Waltke,2013-09-05 The Dance between God and Humanity brings together thirty one articles written by Bruce Waltke reformed evangelical professor of Old Testament and Hebrew on fascinating topics in biblical theology including Studying the Psalms devotionally The text and canon of the Old Testament Preaching Proverbs Biblical authority Doing theology for the people of God Evangelical spirituality Old Testament texts about human reproduction Reflections on retirement The role of women in the Bible And much more      *Googling God* Mike Hayes,2007 A how to book on ministering to two distinct generations in the Catholic Church that includes a look at recent historical and technological changes and

their effect on young adults      **The Theater of God's Glory** W. David O. Taylor, 2017 A theological framework for the liturgical arts rooted in John Calvin Both detractors and supporters of John Calvin have deemed him an enemy of the physical body a pessimist toward creation and a negative influence on the liturgical arts But says W David O Taylor that only tells half of the story Taylor examines Calvin's trinitarian theology as it intersects his doctrine of the physical creation in order to argue for a positive theological account of the liturgical arts He does so believing that Calvin's theology can serve perhaps surprisingly as a rich resource for understanding the theological purposes of the arts in corporate worship Drawing on Calvin's Institutes biblical commentaries sermons catechisms treatises and worship orders this book represents one of the most thorough investigations available of John Calvin's theology of the physical creation and the promising possibilities it opens up for the formative role of the arts in worship      **Praying with Body and Soul** Jane E. Vennard, 1998-10-01 Praying with Body and Soul involves the whole person our senses our bodies at rest or in motion our imaginations as well as our minds and emotions By paying prayerful attention to the body people will not only recognize the ways in which they already pray but will learn how to deepen their relationship with God Each chapter includes questions for reflection and practical exercises such as drawing walking meditation fasting making music dancing and praying in sickness and disability This guide to prayer can be used by individuals prayer partners and small groups      **Holiness and Living the Sacramental Life** Fr. Philip-Michael Tangorra, 2017 Just outside the realm of visibility the sacraments of the Church lie ready to effect real change in our lives We need only to let them in In Holiness and Living the Sacramental Life Fr Philip Michael Tangorra lays out the mystical and invisible realities that are present during the celebration of the sacraments and explains how they can lead us to living ever more in tune with God Read how the sacraments aren't empty ceremonies but rather powerful effective signs that bring grace crashing through the cosmos and into our world See how beauty expressed in art music and architecture can bring us deeper into the mysteries of God Fr Tangorra teaches the average Catholic how to abandon a lukewarm spirituality and start living a sacramental existence allowing God to imbue life with a constant sense of union and communion with the divine      *The Spirituality of Wine* Gisela H. Kreglinger, 2016 Wine serves an important role both in Scripture and in the Christian church but its significance has received relatively little theological attention in modern times This book fills that gap Viewing wine as a gift of God's created bounty and as a special symbol used pervasively throughout Scripture Kreglinger canvasses the history of wine in the church particularly its use in the Lord's Supper discusses the fascinating process of winemaking and considers both the health benefits of wine and the dangers of alcohol abuse Offering a vision of the Christian life that sees God in all things including the work of a vintner and the enjoyment of a well crafted glass of wine      *The Sacramentality of Music* Christina Labriola, 2024-08-19 Steeped in the Catholic spiritual tradition The Sacramentality of Music argues that musical experience in its appeal to the entirety of the human person can serve as a locus of encounter with the divine and an occasion of God's self revelation in love with spiritually nurturing ultimately transformative ends Christina

Labriola contends that this dynamic might most aptly be understood as sacramental an all encompassing perspective of the cosmos permeated by the divine creative salvific sustaining presence Through its participation in the mysteries of beauty and creativity its bodily and affective engagement and impact on the inner life music operates sacramentally manifesting divine realities through the tangible stuff of human experience In a thematic theological exploration that interweaves pastoral theology theological aesthetics and mysticism the reader is invited to contemplate music s sacramental potentiality and to engage the sacramentally charged music of Beethoven Bartok MacMillan Messiaen Mozart Envalds Bach P rt and Hildegard In attending to musical ways of relating to God this book invites readers into a deepening awareness of the sacramental nature of reality itself as that in which the spiritual resonance of music is grounded and reveals afresh taking musical beauty seriously in the spiritual order with repercussions for Christian living

**Transforming Wisdom** Felicity Kelcourse, K. Brynolf Lyon, 2015-10-09 Transforming Wisdom offers an extensive multidisciplinary introduction to pastoral psychotherapy from some of the most respected practitioners in the field With special attention to theological perspectives on the practice of psychotherapy this collection of essays will be useful to students seeking an orientation to the art and science of pastoral psychotherapy as well as to seasoned professionals looking to refresh and renew their practice As the subtitle Pastoral Psychotherapy in Theological Perspective suggests this book is intended to represent the field of pastoral psychotherapy as a mental health discipline that maintains intentional dialogue with its theological roots Even as pastoral psychotherapy has developed from the ancient notion of the cure of souls to the current search for a psychology of happiness therapists grounded in faith communities seek a practice that is respectful of all persons mindful of the deep wisdom that emanates from the true self or soul While many contributors write from a psychoanalytic or psychodynamic perspective grounded in Christian theological idioms diverse theoretical perspectives including Emotionally Focused Couples Therapy Narrative Therapy Buddhist Mindfulness and Jungian understanding of individuation are represented

**Flannery O'Connor and the Perils of Governing by Tenderness** Jerome C. Foss,2019-01-03 Flannery O Connor s fiction continues to haunt American readers in part because of its uncanny ability to remind us who we are and what we need Foss s book reveals the extent to which O Connor was a serious reader of the history of political philosophy She understood the ideas upon which the American regime rests and she evaluated those ideas from the standpoint of both faith and reason Foss s book explains why O Connor feared that the modern habit to govern by tenderness would lead to terror After a thorough account of her familiarity with the history of political philosophy Foss shows how the works of Plato Aristotle Saint Augustine Saint Thomas Aquinas Machiavelli Locke Rousseau and Nietzsche inform O Connor s stories This does not mean that O Connor was writing about politics in the narrow sense Her vision was deeply theological and she carefully avoided topical stories that promote social agendas Her concern was with the health of the American regime more broadly insofar as the manners of a regime affect citizens attitudes toward religion O Connor does not present a political theory of her own but as Foss argues she was a political philosopher in the original sense of the word Her stories give clear accounts of her political wisdom Foss further shows the continued relevance of her wisdom in age dominated by abstract modern theories such as that of John Rawls Pamphlets on Spiritualism ,1870
