Sent Ones:

The Sent Ones Paul W. Kopp, 1991-07-01 **Abide and Go** Michael J. Gorman, 2018-07-26 The Gospel of John would seem to be both the spiritual Gospel and a Gospel that promotes Christian mission. Some interpreters however have found John to be the product of a sectarian community that promotes a very narrow view of Christian mission and advocates neither love of neighbor nor love of enemy. In this book for both the academy and the church Michael Gorman argues that John has a profound spirituality that is robustly missional and that it can be summarized in the paradoxical phrase Abide and go from John 15. Disciples participate in the divine love and life and therefore in the life giving mission of God manifested in the ministry, death and resurrection of Jesus. As God's children, disciples become more and more like this missional God as they become like his Son by the work of the Spirit. This spirituality argues Gorman can be called missional theosis.

Metrospiritual Sean Benesh, 2011-02-24 *Metrospiritual* The Geography of Church Planting is about church planting in the city. There is an outpouring of new expressions of church being started throughout metro areas across North America. Where are these new churches being started? Maybe a more subterranean question is Why? Why are churches being started where they are and why is there a bias towards one part of the city and an overall neglect of other parts? *Metrospiritual* explores these questions and more as it builds off of recent research and surveys of hundreds of church planters in seven large cities in the United States and Canada. There is a deeper look at pivotal issues such as gentrification, the Creative Class, community transformation, urban renewal, and the role new churches play in all of these.

Doing What Jesus Did John Decker, Sonja Decker, 2015 But be doers of the word and not hearers only James 1:22 nkjv. Doing What Jesus Did invites you to learn how to move into the supernatural realm that Jesus said in John 14:12-14 we could and should enter. Husband and wife authors John and Sonja Decker will equip you to minister in the way Jesus invited us to, including miracles, by teaching you His six essential strategies for effective discipleship: Leading people to Christ, Leading Christians into the Holy Spirit, baptism, Learning how to heal the sick, Hearing from God, Healing the sick by revelation, Dealing with demons. Much more than a handbook of New Testament principles, Doing What Jesus Did will be a catalyst for you to love Jesus more deeply as

you minister His life love and power more dynamically The Literary Construction of the Other in the Acts of the Apostles Mitzi J. Smith, 2011-01-01 Too often the negative characterization of others in the biblical text is applied to groups and persons beyond the text whom we wish to define as the Other Otherness is a synthetic and political social construct that allows us to create and maintain boundaries between them and us The other that is too similar to us is most problematic This book demonstrates how proximate characters are constructed as the Other in the Acts of the Apostles Charismatics Jews and women are proximate others who are constructed as the external and internal Other **Making Waves** Doug Nuenke, 2014-02-27 Making Waves paints a clear picture of what a grace filled life is receiving God s goodness and passing it along to others like a ripple that grows into a wave Over time this wave of grace can flow to impact families and communities even crossing oceans and national boundaries No matter where you are on your spiritual journey Making Waves will show you how to fully experience life by embracing the grace of God and passing along the reality of Jesus to others **Israel in the New Testament** David Pawson, 2015-04-15 Now including a new chapter Israel in Galatians Over 80% of the promises and prophecies of the Old Testament have been literally fulfilled It is a simple matter of faith in God s faithfulness to believe that he means what he says and will do what he says he will do This study reveals that both the people and the place called Israel have a significant role in God s future plans for world redemption **The Present Testament Volume Eight** Barbara Ann Mary Mack, 2014-10-24 OH WHAT A FIGHT THE BATTLE BETWEEN BARBARA THE VICTORIOUS ONE AND satan THE BIG LOSER They Barbara Gods Tangible representative and satan the devil have entered the boxing ring Earth They have put on their fighting gloves They have walked to their stations inside the ring Earth The Fight is about to begin And we all know which one will win For the Winner represents God The All Powerful One The Winner represents God The Holy One The Winner represents God The Merciful One The Winner represents God The Compassionate One The Winner represents God The Forgiving One The Winner represents Eternal Life The Winner is Barbara **Key's Daughter** Rick Copper, 2014-12-20 Can you run far enough away to escape your past Reid Brantley should be at this time in his life settled He s proprietor and co owner of Linner a lunch early dinner establishment in the center of Key West on Duval Street has a nice house in Key West just off the Atlantic Ocean and a wonderful wife Gretchen Malloy She s the owner of Tiki Lounge co owner of the adjacent Linner and an excellent mother to their child Meghan and his daughter from his first marriage Gerty As he creates a Key Lime pie from scratch for Gerty s birthday he s grilled by two FBI agents about his St Louis past his ex wife and her family hell bent on revenge and a charred severed right hand found in a fire s debris at Gretchen s Tiki Lounge after Tropical Storm Ernesto Twelve Ordinary Men John F. MacArthur, 2006-05-08 Discover how God used ordinary men Jesus s twelve chosen disciples to change the world and how He can accomplish the same thing through you You don t have to be perfect to do God s work Look no further than the twelve disciples whose many weaknesses are forever preserved throughout the pages of the New Testament Join bestselling author John MacArthur in Twelve Ordinary Men as he draws

principles from Christ's careful hands on training of the original disciples for today's modern disciple you Jesus chose ordinary men fishermen tax collectors political zealots and turned their weakness into strength producing greatness from people who were otherwise unremarkable The twelve disciples weren't the stained glass saints we imagine On the contrary they were truly human all too prone to mistakes misstatements wrong attitudes lapses of faith and bitter failure Simply put they were flawed people just like us But under Jesus teaching and touch they became a force that forever changed the world MacArthur takes you into the inner circle of the disciples their selection their training their personalities and their incredible impact As MacArthur took a closer look at the lives of the twelve disciples he found himself asking difficult questions along the way including Why did Jesus pick each of the twelve disciples How did Jesus teach them everything he could in just eighteen short months Can the lessons that Jesus taught the disciples can still influence our faith today In Twelve Ordinary Men you'll learn that disciples are living proof that God's strength is made perfect in weakness As you get to know the men who walked with Jesus you'll see that if he can accomplish his purposes through them he can do the same through you

The Repentance of YHWH Sonya Shetty Cronin, 2025-07-01 The Repentance of YHWH is not an attempt to recover the historical Jesus by looking through Mark's textual window even if the things the real Jesus said and did could have inspired such a gospel Nor is it a book on Christian origins mining Mark for information about what the earliest followers of Jesus believed about Jesus even though it inadvertently does make claims about such Repentance is not an exercise to prove early high Christology though it does make that claim as well all while giving a richer profile about how Mark imagines Jesus as YHWH's messiah The Repentance of YHWH is not a book about Mark's narrative architecture though it does throw light on how Mark goes about telling his story as well as the underlying story that informs his Gospel It does not simply examine the way that Mark uses the Old Testament Greek and Hebrew through citation explicit footnote to a specific text allusion implicit nod to a specific text or echo implicit nod to a passage Repentance tracks the way Mark mixes multiple stories simultaneously and constantly Repentance has taken its cues from Mark showing rather than telling highlighting the currents of movement and demonstrating how Mark melds old with new to open up a new world In the end Repentance exposes the narrative fusion throughout Mark's Gospel to reveal that for Mark at least the story of Jesus and his followers is really still the story of YHWH and YHWH's Israel [CCIE Routing and Switching v5.1 Foundations](#) Narbik Kocharians, 2017-05-30 CCIE level Cisco routing and switching guide for every CCNP Preparing for the CCIE Routing and Switching lab exam typically involves deep and lengthy study But if you already possess the Cisco CCNP Routing and Switching certification you already know much of what you'll need to succeed on CCIE's labs This book will help you quickly bridge your remaining knowledge gaps and make the most of everything you already know CCIE Routing and Switching v5.1 Foundations addresses every segment of the CCIE R structured illustrations of protocol and feature operation and topic specific labs to drive the theory home It includes a full lab walkthrough of a complex configuration reflective of the actual CCIE ensuring that you
